

Software Maintenance Release

Scheduled for April 13, 2012

I. Software Maintenance Release Contents

The following system problem reports (SPRs) will be resolved with the software maintenance release that will be implemented in DTS on April 13, 2012.

Please note that as part of this release, the View Person Lists that is run using the DTA Maintenance Tool>People>View Persons List will no longer be available in that location. Instead, the report can be run using the Reports module. For more information on this change, visit <http://www.defensetravel.dod.mil/Docs/Training/Complete-Traveler-Information-List.pdf>.
