U5241-D1:

*1. General. A dependent may be furnished transportation to a member's HOR or to another location as may be authorized/approved by the official designated by the Secretarial Process when the dependent receives official notice that the member is:

- a. Dead; or
- b. Injured and/or ill and the anticipated period of hospitalization or treatment is expected to be prolonged as shown by a statement of the commanding officer at the receiving hospital; or
- c. Absent for a period of more than 29 days in a missing status.

When a dependent is residing OCONUS at the time the member on permanent duty OCONUS dies, the dependent may be transported to an interim location (within the limitation imposed in par. That final move must be exercised within the time limit established in par. U5241-C3.
