MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: UTD/CTD for MAP 60-12(I)/CAP 56-12(I) -- Adjust Mileage Rates for TDY and Local Travel

1. **SYNOPSIS:** Updates mileage rates for TDY and Local travel *effective 17 April 2012* for travel performed on or after the effective mileage rate change date. Change is based on statute in Title 5 USC 5707(b)(1)(A) indicating that the General Services Administration, in consultation with the Secretary of Transportation, the Secretary of Defense, and representatives of organizations of employees of the Government, shall conduct periodic investigations of the cost of travel and the operation of privately owned vehicles (POV) to employees while engaged on official business. After conducting a recent independent investigation, taking into account all variables which comprise all POV rates, the primary one being the cost of fuel, mileage rates were adjusted based on investigation results.

2. The attached revision is forwarded for information purposes only. No coordination or comments are required.

3. This revision was initiated by GSA.

4. These changes are scheduled to appear in JFTR change 306, and JTR change 560, dated 1 June 2012.

5. Revisions in this information item are *effective 17 April 2012*.
