JFTR/JTR REVISIONS

APPENDIX A: DEFINITIONS & ACRONYMS (JFTR/JTR)

PART 1: DEFINITIONS (JFTR/JTR)

As used in JFTR & JTR, and unless otherwise specifically provided in JFTR or JTR, the following definitions apply.

CONSECUTIVE OVERSEAS TOUR (COT) (*Uniformed Member Only*). *****

CONSUMABLE GOODS (SEE HOUSEHOLD GOODS). Consumable goods refer to expendable personal property because they are used up, as opposed to wearing out. Refer to APP F for the designated locations to which consumable goods shipments are authorized. There are three categories of consumable goods:

1. Foodstuff: Edible foodstuffs, e.g., canned tuna or foodstuffs that are edible as part of prepared items, such as flour, sugar, salt, and shortening which are used to make cake. Edible consumable goods directly satisfy the need for food and nourishment.
2. Personal Maintenance: Non-edible consumable goods include items that are used for personal maintenance such as toiletries, deodorant, toothpaste and personal hygiene products.
3. Household Maintenance: Non-edible consumable goods used for the maintenance of the household such as paper products and liquid household cleaners that cannot be shipped as HHG due to normal shipping restrictions.

Consumable goods do not include items to maintain an automobile or other machinery. Items such as car batteries and tires are not consumable goods and are prohibited in consumable goods shipments.
