4600:

*F. Regular TDY. Regular TDY includes the following options outlined in par. 4605-E:

1. Commercial Lodging and Commercial Meals.
2. Gov't Qtrs and Gov't Meals – Permanent U.S. Installation.
3. Gov't Qtrs and Gov't Meals – Temporary U.S. Installation or Temporary Dining Facility/Mess Established for the COCOM/JTF Operations.
4. Gov't Qtrs and Commercial Meals.
5. Commercial Lodging and Gov't Meals (in the AOR only).

4605:

A. General

*4. In absence of a COCOM/JTF commander determination, regular TDY (par. 4600-F) applies.

*B. Regular TDY (See definition in par. 4600-F for regular TDY options.)

App O:

T4040-C:

*3. Joint deployments involve the temporary assignment of travelers of more than one uniformed service to a provisional force formed for a specific task or operation. TDY options include regular business travel, EUM, or field duty. The COCOM or JTF Commander determines the appropriate option and may specify different options for different locations. For example, field duty might be appropriate for the deployed force main body, but business travel might be appropriate for an interim staging base. In choosing the option to use, the COCOM or JTF Commander should consider, in the following priority: business travel, EUM, field duty. Under normal circumstances, the COCOM Commander should choose business travel unless operational circumstances dictate otherwise. In general, business travel is appropriate for peacekeeping, humanitarian, and relief missions. The COCOM or JTF Commander may authorize EUM when it enhances operational readiness, the conduct of military operations, or is necessary to conduct training. It applies to units only, not to an individual traveler. Table 1 shows the effect of each option on per diem. *Exception: A traveler receiving the GMR rate while TDY to a JTF Commander's area of responsibility (AOR), who travels within that AOR, is not traveling for M&IE purposes for par. T4040-A8b (e.g., If a TDY traveler travels from one location in AOR to another location in the AOR, and the GMR rate applies to both locations, then the GMR applies for that day unless Gov't meals are not available). The COCOM or JTF Commander must communicate the TDY option decision (including the appropriate meal rate) to the appropriate Services for inclusion in orders. In the absence of a COCOM/JTF commander determination, regular TDY in par. T4040-C6 applies (See regular TDY definition in par. 4600-F).*
