MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: UTD/CTD for MAP/CAP 081-17(I) – Funded Leave Transportation

1. SYNOPSIS: Deletes erroneous language in par. 0404 that states a traveler is only eligible for either COT/RAT or FEML, but not both. That language was not in old par. 7000-B1. The correct language restricting both for 12-month extensions is in par. 040401-A which aligns with the language in pars. 5069-B4 for COT and 5950-A for RAT. The correct JTR references override the erroneous conflicting reference published 1 May 2017 for affected eligible travelers per the Agency or Service determination.

2. The attached revision is forwarded for information purposes only. No coordination or comments are required.

3. This revision was initiated by Navy.

4. These changes are scheduled to appear in the JTR, dated 1 September 2017.

5. This determination is effective on 5 July 2017.

6. Action Officer: Henry Mitchell (henry.mitchell4.civ@mail.mil).

When a Service member or civilian employee qualifies for both FEML and COT leave travel or RAT, then he or she is eligible for only one of the funded-transportation leave programs.*
