020202. Excluded Hours

Normally, a traveler is not required to travel between the hours of 2400 and 0600 if it is not necessary for the mission. The AO must authorize or approve any rest stop. An en route rest stop may only be authorized when the flight exceeds 14 hours and travel is to or from a location OCONUS. An en route rest stop may not be authorized if the traveler is authorized first- or business-class travel. Rest stops may not exceed 24 hours. Rules and allowances for rest stops during travel are specified in Table 2-1.
