N. Conference M&IE Rate

1. Light Refreshments. *****

*2. Meals Included in Conference Registration Fee. When the Gov’t furnishes one or two meals at nominal or no cost, or includes them in the conference registration fee, the proportional meal rate applies to Uniformed Service members and DoD civilian employees for each day meals are furnished. See APP R, Part 2, item J for PMR computation examples. Since the AO may authorize the PMR or locality meal rate when the traveler is unable to eat the deductible meal due to medical requirements or religious beliefs (see par. 4205), every effort should be made to accommodate the traveler’s requirements.

APP R2:

*E. Conference Registration Fees and Reimbursable Expenses

*1. When Travel Is Involved. Conference registration fees authorized in the travel order or approved on a travel claim voucher are reimbursable. The PMR applies on any day that the cost for one or two meals is included in the conference registration fee (see par. 4205). Information should be included on the travel order as to whether or not the conference registration fee includes charges for meals, and if so, the number of meals and the dates on which furnished. When the conference registration fee includes lodgings without charge, only the appropriate applicable PMR or TDY locality M&IE rate is paid.

*2. When No Travel Is Involved. The conference registration fee may be reimbursed when attendance is authorized for a conference in the local area that:

a. Does not involve travel,

b. Does not involve per diem, and

c. For which a travel order is not issued.

*3. Limitation on Reimbursement for Meal Costs when Attending a Conference/Meeting Sponsored by a Uniformed Service or DoD Agency. The cost of each meal, whether included in a conference registration fee or contracted for separately, at a Uniformed Service or DoD Agency sponsored conference/meeting must be identified. The total amount paid by the Gov’t for meals cannot exceed the locality meal rate prescribed for the TDY assignment location (if travel is involved) or the meeting location (when travel is not involved), unless AEA reimbursement for the meal(s) involved has been authorized/approved in accordance with Ch 4, Part C. When travel is involved, the maximum contracted amount for 1 or 2 meals cannot exceed the difference between the locality meal rate and the PMR.
4. **Reimbursable Expenses.*** *****

*5. Conferences/Training at the PDS. Payment of conference registration fees, meals, lodging, travel, and/or other expenses required for conferences/training at the PDS cannot be paid as travel allowances per 37 USC §404. Authority to pay related training costs at the PDS is in 10 USC §2013; 5 USC §4109; 42 USC §218a; and 14 USC §469. The costs must clearly be an integral part of the training (39 Comp. Gen. 119 (1959); and B-244473, 13 January 1992). When training events require subsistence costs at the PDS, authority for training expense payment is made through the training and/or comptroller personnel using the above legal authority. **This payment is not a travel and transportation allowance and these regulations are not the authority for the payment.**

Charges/fees for light refreshments/snacks are reimbursable ONLY when included as part of the conference registration fee.

F. **Membership Fees and Dues.*** *****

G. **Entertainment Expenses.*** *****

*H. Advance Payment of Discounted Conference Registration Fee (FTR §301–74.25)

*1. General. It is a general practice for conference planners to offer discounted “early bird” conference registration fees, which are available in the months prior to the beginning of the conference. If a GTCC IBA is to be used to pay this fee, to take advantage of such specials, a traveler should be given oral or written order to register early, charge the conference registration fee to the GTCC IBA, and claim reimbursement for the discounted conference registration fee as soon as a written order to attend the conference has been generated. When the authority to register early is oral, the written order must reference the oral authority for the early conference registration. This does not prevent other payment methods for advance conference registration fees (e.g., Gov’t purchase card (not a GTCC)).

*2. Traveler is Unable to Attend an Event for which Reimbursement Was Made (adopted from FTR §301–74.26). In any case in which a traveler is unable to attend an event for which a discounted conference registration fee was paid and reimbursed in advance of the event, the traveler must seek a conference registration fee refund and repay the advance with any refund received. If no refund is made, the Service concerned must absorb the advanced payment as a preparatory travel expense if the traveler’s failure to attend the event was caused either by a decision of the Service concerned or for a reason beyond the traveler’s control that is acceptable to the Service concerned, e.g., unforeseen illness or emergency. **If no refund is made, and the traveler’s failure to attend the scheduled event is due to a reason deemed un-excusable by the Service concerned, the traveler must repay the amount advanced.**

APP R2:

*E. Conference Registration Fees and Reimbursable Expenses

*1. When Travel Is Involved. Conference Registration fees authorized in the travel order or approved on a travel claim voucher are reimbursable. The PMR applies on any day that the cost for one or two meals is included in the conference registration fee (see par. 4205). Information should be included on the travel order as to whether or not the conference registration fee includes charges for meals, and if so, the number of meals and the dates on which furnished. When the conference registration fee includes lodgings without charge, only the appropriate applicable PMR or TDY locality M&IE rate is paid.

*2. When No Travel Is Involved. The conference registration fee may be reimbursed when attendance is authorized for a conference in the local area that:

   a. Does not involve travel,
   
   b. Does not involve per diem, and
   
   c. For which a travel order is not issued.

*3. Limitation on Reimbursement for Meal Costs when Attending a Conference/Meeting Sponsored by a Uniformed Service or DoD Agency. The cost of each meal, whether included in a conference registration fee or contracted for separately, at a Uniformed Service or DoD Agency sponsored conference/meeting must be identified. The total amount paid by the Gov’t for meals cannot exceed the locality meal rate prescribed for the TDY assignment location (if travel is involved) or the meeting location (when travel is not involved), unless AEA reimbursement for the meal(s) involved has been authorized/approved in accordance with Ch 4, Part C.
When travel is involved, the maximum contracted amount for 1 or 2 meals cannot exceed the difference between the locality meal rate and the PMR.

4. Reimbursable Expenses. *****

*5. Conferences/Training at the PDS. Payment of conference registration fees, meals, lodging, travel, and/or other expenses required for conferences/training at the PDS cannot be paid as travel allowances per 37 USC §404. Authority to pay related training costs at the PDS is in 10 USC §2013; 5 USC §4109; 42 USC §218a; and 14 USC §469. The costs must clearly be an integral part of the training (39 Comp. Gen. 119 (1959); and B-244473, 13 January 1992). When training events require subsistence costs at the PDS, authority for training expense payment is made through the training and/or comptroller personnel using the above legal authority. This payment is not a travel and transportation allowance and these regulations are not the authority for the payment.

Charges/fees for light refreshments/snacks are reimbursable ONLY when included as part of the conference registration fee.

F. Membership Fees and Dues. *****

G. Entertainment Expenses. *****

*H. Advance Payment of Discounted Conference or Training Registration Fee (FTR §301–74.25)

*1. General. It is a general practice for conference planners to offer discounted “early bird” conference registration fees, which are available in the months prior to the beginning of the conference. If a GTCC IBA is to be used to pay this fee, to take advantage of such specials, a traveler should be given oral or written order to register early, charge the conference registration fee to the GTCC IBA, and claim reimbursement for the discounted conference registration fee as soon as a written order to attend the conference has been generated. When the authority to register early is oral, the written order must reference the oral authority for the early conference registration. This does not prevent other payment methods for advance conference registration fees (e.g., Gov’t purchase card (not a GTCC)).

*2. Traveler is Unable to Attend an Event for which Reimbursement Was Made (adopted from FTR §301–74.26). In any case in which a traveler is unable to attend an event for which a discounted conference registration fee was paid and reimbursed in advance of the event, the traveler must seek a conference registration fee refund and repay the advance with any refund received. If no refund is made, the Service concerned must absorb the advanced payment as a preparatory travel expense if the traveler’s failure to attend the event was caused either by a decision of the Service concerned or for a reason beyond the traveler’s control that is acceptable to the Service concerned, e.g., unforeseen illness or emergency. If no refund is made, and the traveler’s failure to attend the scheduled event is due to a reason deemed un-excusable by the Service concerned, the traveler must repay the amount advanced.
