- CBCA Judges
020201. Traveler Does not Use Authorized Transportation or TDY is Canceled

A. Traveler Does not Use Authorized Transportation. If an AO authorizes a transportation mode for TDY travel that a traveler does not use, then the traveler is reimbursed for the transportation mode that has been used, up to the cost of the authorized mode, unless stated otherwise in the JTR.

Effective 1 May 2017

B. TDY Is Canceled. If a TDY order is canceled while the traveler is en route to the TDY location, then round-trip standard travel and transportation allowances are authorized between the PDS location or residence and the point at which the cancellation notification was received (includes a leave point) and the PDS. Allowances are limited to the cost of the round-trip travel distance between the PDS and the TDY location (see CBCA 2463-TRAV dated November 11, 2011, and B-129607, dated November 21, 1956).

020210. Privately Owned Vehicles (POV)

H. Miscellaneous Reimbursable Expenses. If using a POV is more advantageous to the Government, in addition to a TDY mileage allowance, a traveler may be reimbursed for the following:

1. Ferry fares.
2. Bridge, road, and tunnel tolls.
4. Cost of obtaining an international driver’s license when the mission requires one, including the cost of the photos.
The following pages are the same policy preceding this page but showing tracked changes.
