TABLE III - COST-OF-LIVING ALLOWANCES (COLAs)

A. General. This Table alphabetically lists all OCONUS areas presently authorized COLAs. Where a country or island is listed, it includes all territories within the boundaries of that country or island including any offshore islands in the same general vicinity. It won't include territories or possessions located elsewhere even though considered an integral part of the parent country or island. In such cases, cost data pertinent to the remote territories and possessions are used in determining the indexes for those remote areas. When a political subdivision smaller than a country is named, such as: state, city, province, department, town, village, etc., it includes the corporate limits of the political subdivision or the territory limits within its normal boundary if it isn't incorporated. Named posts, camps or stations include the area within their fixed boundaries. In cases of doubt, the "All Places Not Listed" rates will be used. Data and particulars involving the doubtful case should be forwarded for resolution to PDTATAC.

B. Area Listing. Footnotes are published at the end of the listing.
