

CitiManager[®] Set Email and Mobile Alert Messaging

Quick Reference Guide

May 2013

User Guide Overview

Use this procedure to set email and mobile alerts for various account activities.

Key Concepts

As a cardholder, you can set alerts so that notifications are automatically sent via email or to your mobile device when certain selected activity occurs on your account, for example, when statements are available and when payments are received.

It is possible to customize when you will receive your alerts based on:

- Time zone
- Time of day
- Days of week

In addition, once you have registered your mobile device number in the CitiManager Site, you have full access to on-demand mobile alerts. On-demand mobile alerts allow you to request and receive immediate information such as account balances, payment amounts and due dates.

Mobile Alert Set Up

In order to receive alerts on your mobile device, you must subscribe to the alerts in the CitiManager Site first. Only one mobile number per user ID is allowed.

Once you have subscribed to mobile alerts in the CitiManager Site, you will receive a confirmation text message on your mobile device with a four-digit PIN. The four-digit PIN must be entered on the PIN confirmation number screen in the CitiManager Site. Once the PIN has been entered, the CitiManager Site will send another text to your mobile device confirming activation.

If you need to stop mobile alerts, reset your CitiManager Site password, or need additional support, choose one of the following options:

Action	Command
To suspend mobile alerts from your mobile device	Text STOP to GOCITI (462484)
To reset your CitiManager Site password	Text RESETXXXX to GOCITI (462484), where XXXX represents the last four digits of your account number (e.g., RESET1234) Note: The reset password sent to you is valid for 48 hours. You are required to change the reset password when you log into the CitiManager Site.
To receive mobile alert help on your mobile device	Text HELP to GOCITI (462484)
To view the Citi Mobile Alerts Help website which provides a list of alerts available by region	Navigate to: https://home.cards.citidirect.com/SMSHelp Note: This link is case-sensitive and SMSH is capitalized.

On-Demand Alerts

Once your mobile number is registered in the CitiManager Site, you are able to request account information from Citi on-demand.

To receive on-demand alerts from your registered mobile device, text the desired command (e.g., HIST) to **GOCITI** (462484). A list of available commands is provided in the table below.

For some on-demand mobile alerts you are required to enter the last four digits of your account number after the command. For example, to receive account balance information, text BAL1234 to **GOCITI** (462484) where 1234 represents the last four digits of the account number.

On-Demand Alert Commands

Although this material may contain publicly available information about Citi corporate bond research, fixed income strategy or economic and market analysis, Citi policy (i) prohibits employees from offering, directly or indirectly, a favorable or negative research opinion or offering to change an opinion as consideration or inducement for the receipt of business or for compensation; and (ii) prohibits analysts from being compensated for specific recommendations or views contained in research reports. So as to reduce the potential for conflicts of interest, as well as to reduce any appearance of conflicts of interest, Citi has enacted policies and procedures designed to limit communications between its investment banking and research personnel to specifically prescribed circumstances.

Citi believes that sustainability is good business practice. We work closely with our clients, peer financial institutions, NGOs and other partners to finance solutions to climate change, develop industry standards, reduce our own environmental footprint, and engage with stakeholders to advance shared learning and solutions. Highlights of Citi's unique role in promoting sustainability include: (a) releasing in 2007 a Climate Change Position Statement, the first U.S. financial institution to do so; (b) targeting \$50 billion over 10 years to address global climate change: includes significant increases in investment and financing of renewable energy, clean technology, and other carbon-emission reduction activities; (c) committing to an absolute reduction in GHG emissions of all Citi owned and leased properties around the world by 10% by 2011; (d) purchasing more than 234,000 MWh of carbon neutral power for our operations over the last three years; (e) establishing in 2008 the Carbon Principles; a framework for banks and their U.S. power clients to evaluate and address carbon risks in the financing of electric power projects; (f) producing equity research related to climate issues that helps to inform investors on risks and opportunities associated with the issue; and (g) engaging with a broad range of stakeholders on the issue of climate change to help advance understanding and solutions.

Citi works with its clients in greenhouse gas intensive industries to evaluate emerging risks from climate change and, where appropriate, to mitigate those risks.
