If you cancel a lodging reservation, always check with the lodging provider to ensure they received the cancellation.

Add images by uploading them, faxing them, or dragging them from another location. Drag an image onto an expense in the **Reservation Expenses or Other Expenses** sections to associate it with that expense.

You must attach each finished image to an expense listed in the Reservation Expenses or Other Expenses sections or move it to the Substantiating Documents area. Only you can see images saved in the Uploads area. Reviewers and AOs have no access to the Uploads area.
