DoD Dine Smart Traveler Rewards - Enroll Today!

DoD travel has ramped up, and there is a program of which you should be aware! In July 2020, the Defense Travel Management Office launched DoD Dine Smart Traveler Rewards, a dining rewards program through which you can earn points toward gift cards while on official travel. It's simple and easy! Enroll, dine at participating restaurants, pay with your Government Travel Charge Card, earn points, and redeem the points for gift cards.

How to Participate

1. **Enroll!** Travelers must sign up through Dinova, which administers the program.
2. **Earn Rewards!** Locate a participating restaurant while on official travel through the Dinova app (DISA-approved for download on DoD devices) and pay with your Government Travel Charge Card.
3. **Redeem!** Watch for your monthly email from Dinova with your account balance. They'll tell you when you're eligible for a gift card and provide a link for redemption.

Since DoD policy requires travelers to use their Travel Card for all official travel expenses, including meals, it is easy to participate.

Enroll today to earn points toward gift cards every time you dine at participating restaurants and pay with your Government Travel Charge Card. It just takes two minutes to sign up at <https://dod.dinova.com>.

Travel Administrators, you can help spread the word to your travelers by using the resources in our toolkit; there are fact sheets, sample newsletter articles, and even social media information! Click here:
