*F. Other Deserving Cases. An extension of the 1-year time limit prescribed in par. U5365-A may be authorized/ approved through the Secretarial Process when an unexpected event beyond the member's control occurs which prevents the member from moving to the HOS within the specified time limit. A time limit extension also may be authorized/ approved through the Secretarial Process, if in the Service's best interest, or substantially to the member's benefit and not more costly or adverse to the Service. This includes cases where the 1-year time limit has already been extended under pars. U5365-D and U5365-E. These extensions may be authorized/ approved only for the specific period of time the member anticipates is needed to complete the move. If, at the expiration of this extension period, additional time is required, the member may request a further extension through the Secretarial Process, citing the reasons for the extension. An additional authorized period for a specific period of time may then be authorized/ approved through the Secretarial Process ([B-126158, 21 April 1976](#)). These extensions do not extend the GOV'T's obligation for storage costs for longer than a 1-year period from the active duty termination date, except where a longer period is authorized under par. U5365-D. The delayed HHG transportation under par. U5365-F must be incident to the member's separation from the Service ([B-207157, 2 February 1983](#)).

NOTE: *Par. U5012-I for restrictions to time limit extensions.*
