JOINT TRAVEL REGULATIONS

UNIFORMED SERVICE MEMBERS AND DOD CIVILIAN EMPLOYEES

MAY 1, 2018

A. Authorized Personnel. These regulation changes are issued for all Uniformed Service Members and DoD Civilian Employees.

B. New Regulation Changes. Material new to this change is indicated by yellow highlighting and is effective IAW the date of this change unless otherwise indicated.

C. Applicable MAP and/or CAP Items and Brief of Revisions. This change includes all material and revisions written in the following MAP and/or CAP Items:

MAP 63-17(R) – Authorize Per Diem for Members on Disciplinary Travel. Allows an accused member to receive standard travel and transportation allowances when ordered to travel away from their PDS area to attend their own hearing for disciplinary action. Affects par. 010203-B3, Note, Ch 3 (TOC), and par. 030706.

MAP/CAP 25-18(I) – Correct Lodging Reimbursement Rule. Corrects language in pa. 020303, Table 2.15, item 6 to read “after midnight” instead of 2400 hours or later. Midnight or 2400 is considered the same day so in order for a traveler to be reimbursed for lodging for the preceding day the traveler must arrive after midnight and not at midnight. This aligns with the policy cited in Federal Travel Regulation (FTR) §301-11.7.

MAP 28-18(I) – Reinstate Housing Language in Table 3-8. Reinstates language in par. 032303 Table 3-8, #6 to include an RC member who occupies transient Government housing while performing Inactive Duty Training (IDT) without pay. This language was inadvertently omitted in the JTR rewrite.

MAP/CAP 031-18(I) – Revise Table 1-2 (Travel Status). Corrects wording in Table 1-2 (line 6) that should state “another arrival point”.

MAP/CAP 033-18(I) – Reformat and Revise Tables 6-6 and 6-7(In-House Revision). Reformats Table 6-6 and 6-7.

MAP/CAP 036-18(I) – Remove References to old JTR Paragraphs (In-House Revision). Removes references to old JTR paragraphs that were retained from the draft of the re-write.
CHAPTER 1: GENERAL POLICY

0101 BASIC TRAVEL RULES

This chapter outlines the basic information that applies to a traveler in any travel category.

010101. Travel Categories

The categories of travel addressed in the JTR are:

A. Temporary Duty (TDY) Travel.
B. Government-funded Leave Travel.
C. Local Travel at the Permanent Duty Station (PDS).
D. Permanent Duty Travel (PDT), including Permanent Change of Station (PCS) Travel.
E. Evacuation Travel.

010102. Guiding Principle

The guiding principle behind the JTR is to travel responsibly. The word “responsibly” means that the traveler exercises the same care in incurring expenses for Government travel that a prudent person would exercise if traveling at personal expense.

010103. Traveler Responsibilities

A. Financial Responsibility. Traveling responsibly includes using the least expensive transportation mode, parking facilities, public transportation, or rental vehicle. It also includes scheduling travel as early as possible to take advantage of discounted transportation rates. The traveler is financially responsible for excess costs, circuitous routes, delays, or luxury accommodations that are unnecessary or unjustified.

B. Items Not Mentioned. If something is not stated in the JTR, it does not mean that an allowance exists or may be authorized. The philosophy of “It doesn’t say I can’t; therefore, I can” does not apply to the JTR. Instead, if the JTR does not say something can be reimbursed, then it cannot be reimbursed as a travel claim.

C. Ethics Regulations and Rules. The traveler must comply with Federal ethics laws, DoD 5500.07-R (Joint Ethics Regulation) and the Agency’s or Service’s ethics regulations and rules. Rules pertaining to acceptance of travel and transportation benefits, including gifts, favors, and special accommodations from non-Federal sources must be followed.

010104. Service or Agency Responsibilities

A. Mission Controls. Each Service or DoD Agency must authorize or approve only the travel necessary to accomplish the Government’s mission effectively and economically while establishing internal controls to ensure that only such travel is authorized. An official responsible for directing travel

05/01/18
or approving reimbursement is also responsible for ensuring that funds are used for official travel purposes and in accordance with the conditions prescribed in the JTR. A statement must be included on the travel authorization specifying that alternate means, such as Secure Video-Teleconference or other Web-based communication are insufficient to accomplish travel objectives.

B. **Traveler Rights.** Unless stated otherwise in the JTR, the Service or Agency cannot reduce allowances or deny reimbursements because of limited DoD travel funds. In addition, a Service or Agency cannot direct a traveler to travel at personal expense or at reimbursement rates or amounts inconsistent with the JTR.

### 0102 OTHER BASIC TRAVEL INFORMATION

The following information applies to all travelers, unless noted otherwise.

#### 010201. Key Participants

Official travel involves the participation of three key players: the traveler, authorizing or approving official, and the Travel Management Company (TMC).

A. **Travelers.** A traveler is anyone who travels on official business for DoD. Travelers fall into three groups: Service members, civilian employees, and other travelers. JTR allowances may differ among these groups due to law or other regulations.

B. **Authorizing or Approving Official (AOs).** An AO determines whether travel is necessary and appropriate to the mission, ensures that all expenses claimed by the traveler are valid, and authorizes or approves the expenses if they are valid. Expenses must not be approved if they are inflated, inaccurate, or higher than normal for similar services in the locality. If the JTR indicates an expense, allowance, or other item must or may be authorized (such as the mode of transportation), it means the AO must give permission before the action takes place. Likewise, if the JTR indicates “may or must be approved,” then the AO may or must give the traveler permission after the action takes place.

C. **TMC.** The Defense Travel Management Office (DTMO) contracts with TMCs to make travel arrangements for DoD travelers. The General Services Administration (GSA) contracts with TMCs to make travel arrangements for travelers from other Federal agencies. A GSA TMC may be used only when a DTMO-contracted TMC is not available.
1. A DoD traveler must make travel arrangements through an electronic travel system when it is available or through the TMC if it is not available. Any DoD traveler who cannot reach the TMC must contact the AO or designee for assistance. However, lodging may be reserved outside the TMC when arranging for a large number of rooms in advance, such as for training courses, exercises, or conferences, or when safety, health, or security concerns require using specific lodging establishments.

2. The TMC will book a traveler only for economy travel and economy accommodations. However, a traveler may upgrade travel or accommodations at personal expense. Under certain circumstances described in the JTR, other accommodations may be authorized or approved.

3. A traveler, AO, or electronic system must provide the TMC a copy of the travel authorization before ticketing. However, a TMC may issue tickets for official travel authorized by proper verbal, letter, or message authority if travel must begin or is performed before a written travel authorization issued. The AO is responsible for providing a confirmatory travel authorization to the TMC.

010202. Requirement to Travel

Travel is required when other means of conducting business, such as telephone calls or video teleconferencing, are unavailable or cannot meet the mission’s needs. This must be certified in a statement on the travel authorization. Government-funded travel and transportation are used only when officially justified and by the means that meet mission requirements consistent with good management.

010203. Travel Status

The travel authorization establishes when travel status starts and ends. A traveler is authorized travel and transportation allowances only while in a travel status. A travel status begins when a traveler leaves the PDS, residence, or office, or when he or she detaches from or signs out of a unit or agency. It ends when the traveler returns to the PDS, residence, or office, or when he or she arrives at a new PDS by signing in with the new unit or agency.

A. Travel Status Qualifiers. A travel status includes:

1. Time spent away from the PDS on public business under a valid travel authorization.

2. Necessary TDY travel. This includes time spent at a TDY location, regardless of whether duty is performed while traveling or how much time is spent away from the PDS.

3. PCS travel.

4. Necessary delays while awaiting further transportation after travel status begins.

5. Travel to or from a hospital or medical facility for observation or treatment.

6. Travel by Government or other aircraft, including flights for training purposes made under a valid travel authorization that requires one or more landings away from the starting point.

7. Flights for training purposes made in the absence of a travel authorization when it is necessary to remain away overnight.
8. Other circumstances determined jointly by the Secretaries concerned before, during, or after an occurrence that constitutes a travel status.

B. Alternate Departure Points. A traveler may be authorized or approved to begin and end at the following places when it is to the Government’s advantage:

1. Traveler’s residence when the traveler commutes from there daily to the PDS.

2. Location at which the traveler maintains the family residence if it is not the residence from which the traveler commutes daily to the PDS.

3. Place near the traveler’s residence where the privately owned vehicle (POV) is garaged or stored.

C. Travelers Other than Aircrew Member and Courier. See Table 1-2 to determine when the travel status begins and ends for a traveler who is not an aircrew member or courier.

*The AO may permit the Service member to start or end official travel from (at) the location at which he or she maintains the family residence if the Service member commutes daily to the PDS from a different location. If to the Government’s advantage, the AO may authorize or approve POV use to start or end at one of the following: the Service member’s residence from which he or she commutes...
daily to the PDS; the location at which the Service member maintains the family residence, if he or she
commutes daily to the PDS from a different location; the place near the Service member’s residence
where the POV is garaged or stored.

**Disregard travel to and from the office if the Service member performed no duty there.

***This does not prevent reimbursement of transportation between home and PDS on travel days as
specified in Chapter 2.

D. Aircrew Member and Courier Status. A Service member performing TDY as an aircrew
member includes a Service member for whom aircrew duty is an additional duty. It also includes an
Armed Forces courier or other Service member whose primary duty makes the air terminal a regular duty
place. This does not apply to an RC member for first and last day when called to active duty. Aircrew
member status for an RC member only applies after the RC member arrives at the active duty location and
terminates when the RC member departs upon relief from active duty. See Table 1-4 to determine when
the travel status begins and ends for an aircrew member or courier.

*Disregard travel to and from the office if the Service member performed no duty there.
010204. Government Travel Charge Card (GTCC) and Advance of Funds

A traveler is required to use the GTCC to obtain travel advances and to pay for all official travel expenses. A traveler may be exempted from this requirement under certain circumstances. See the DoDFMR, Vol. 9, “Travel Policy,” dated June 2015, for travel advances when the traveler is not issued a GTCC. Advance funds for certain travel and transportation allowances are authorized in law (see DoDI 5154.31, Vol. 4, “Government Travel Charge Card Regulations”).

010205. Defense Travel System (DTS) Use

DoD travelers and AOs must use the DTS to process travel authorizations and vouchers for TDY travel and local travel. A traveler must use the DTS to the maximum extent possible to arrange all en route transportation, rental cars, commercial lodging, and Government quarters when the DTS’s functionality is available (see DoDI 5154.31, Volume (Vol.) 3, Commercial Travel Management: Defense Travel System (DTS)). The TMC processes reservations made in the DTS. The Defense Table of Official Distances programmed in the DTS on the date the voucher is approved for payment is used to calculate the official mileage.

010206. Travel Authorizations and Orders

Travel and transportation allowances are payable only after valid orders are issued. The order directs travel to, from, or between official points and serves as the basis for the trip and associated reimbursements. A travel authorization or order should be issued before travel begins. Travel or expenses incurred before a travel authorization or order is issued are not reimbursable, unless otherwise stated in the JTR. In unusual or urgent situations when travel must begin before a written authorization or order can be issued, a verbal authorization may be given. In such cases, the verbal authorization must be followed up in writing (called a “confirmatory order”) before allowances are paid. A travel order may only contain authority for travel and transportation allowances provided within the JTR. If there is any conflict between a travel order and the JTR, the JTR prevails.

A. Modifications after Travel. Travel authorizations and orders cannot be retroactively modified to increase or decrease an allowance after the travel is completed. A travel authorization or order may be retroactively corrected to show the original intent (CBCA 3472-RELO, September 23, 2013). When an allowance is approved after travel begins, it does not constitute a retroactive modification to create, change, or deny an allowance. An amendment is effective on the date it is issued and is not retroactive unless it contains language that corrects an error or omission, or provides a confirmation of the date of the verbal authorization.

B. Time Limits for Travel Authorizations and Orders. See Table 1-6 for rules that define the time restrictions for travel allowances. Requests for a TDY that exceeds 180 days at one location should be made in advance of travel to the authority identified in Table 1-7. The requests must be made in writing and contain justification for the length of the TDY. When the TDY exceeds 180 consecutive days without being authorized or approved, per diem stops on the 181st day.

<tr>

</tbody>
</table>

*Bona fide assignment extensions that, when added to the originally authorized TDY period, total more than 180 days at one location, may be directed by the AO only when necessary for unforeseen changes or delays.

C. Violation of 180-Day Rule. Issuing a TDY order for 180, or fewer, consecutive days, followed by a brief return to the PDS and then another TDY order for return to the same location, is a violation of the 180-consecutive-day policy if the known, or reasonably anticipated, TDY duration exceeded 180 days when the initial order was issued.

**Note:** Exceeding the 180-day consecutive TDY time limit without authorization and approval does not constitute an automatic PCS.

D. TDY Travel Authorization or Order Issued Before Request to Exceed 180 Days Is Received

1. If the mission does not permit obtaining the authorization to exceed 180 days before the order is issued, the travel authorization or order may be issued and the request submitted immediately to the appropriate authority listed above. That authority must perform one of the following:
   a. Approve the authorization or order as written.
   b. Direct that the authorization or order be amended to:
      1. End the duty and return the traveler to the PDS or assign a new PDS.
(2) Change the assignment from TDY to a PCS.

(3) Set the period at 180 or fewer days from the TDY report date.

(4) Authorize a temporary change of station (TCS) if the traveler is a civilian employee and ensure that the tax information is listed in the Remarks section of the TDY order for that civilian employee. A TCS is a temporary relocation of a civilian employee to a new PDS on long-term assignment and subsequent return to the previous PDS after assignment completion.

2. See Chapter 3, Part C for information on civilian employees deployed to Afghanistan or Iraq in support of ongoing contingency operations.

3. For civilian employees, if a TDY will last between 6 months and 30 months, the AO must determine before the travel begins whether the assignment is actually temporary or should be a PCS. If the assignment is determined to be temporary, the AO must then determine if the duty should be a TCS or a TDY. For an assignment to be designated TDY, it must meet all of the following criteria:
   a. Duties are temporary in nature.
   b. Assignment is for a reasonable period of time.
   c. TDY costs are lower than round-trip TCS or PCS expenses.

4. If the AO determines that a TCS is appropriate for the civilian employee, the civilian employee should see Chapter 5.

0103 FINANCIAL RULES

010301. Receipt Requirements

A. Retain Receipts. Travelers are advised to retain ALL receipts for tax or other purposes. The DoDFMR, Vol. 9 (Travel Policy) dated June 2015, and the Defense Travel System Regulations in DoDI 5154.31, Vol. 3, require an itemized receipt for each lodging expense, regardless of the amount, and any individual expenditure of $75 or more. AOs are discouraged from requiring additional receipts except to substantiate reimbursement if a traveler’s claim contains doubtful reimbursement.

B. Lost Receipts. If a receipt is impracticable to obtain or has been inadvertently lost or destroyed, a lost receipt statement explaining the circumstances and containing the same information as the lost receipt must be furnished.

Note: A lost receipt statement cannot substitute for an online-booking hotel receipt.

010302. Duplicate Payments and Fraudulent Claims

A. Duplicate Payments. A traveler cannot be reimbursed more than once for the same allowance or expense. The Government does not pay expenses reimbursed, or to be reimbursed, by another entity. The traveler must repay any such duplicate payments to the Government.

B. Fraudulent Claims. If a reasonable suspicion of a falsified expense for lodging, meals, or
incidental expenses exists and the suspicion is identified before the traveler is reimbursed, the applicable per diem or AEA is denied for the entire day for which the suspected expense is claimed. If there is reasonable suspicion of a falsified expense other than the cost of lodging, meals, or incidental expenses, the suspicious expense is denied.

**0104 UNIQUE STATUS OR CONDITION**

**010401. Absentee, Straggler, Deserter, or Service Member Without Funds**

A. **Eligibility.** A Service member without funds is eligible for limited travel and transportation allowances. This may be a Service member who is an Absentee and fails to go to the appointed place of duty at the time prescribed, a Straggler who becomes separated from the remainder of a party that is in a travel status on a party transportation ticket, or a Service Member Without Funds who must be at an assigned location, but has no money or means to get there. A Service member who goes on leave without approval and remains absent from the unit, organization, or place of duty with the intent to remain away permanently (**10 U.S.C. §885**) is a Deserter. A Deserter who surrenders at, or is apprehended and delivered to, a U.S. Installation other than the Service member’s PDS may be eligible for limited travel and transportation allowances.

B. **Allowances.** Necessary transportation and meal tickets, or the cash equivalent of meal tickets (see Table 2-17), must be furnished for travel to the new PDS or another place directed by proper authority when an Absentee, Straggler, Deserter, or Service Member Without Funds arrives at, or is delivered to, a U.S. Installation other than the Service member’s PDS and is without funds to purchase transportation.

C. **Reimbursement.** A Service member directed to use a specific mode of transportation is not authorized reimbursement if the traveler does not use the directed mode.

D. **Service Member Has a Prior Order.** Transportation and meal tickets, or the cash equivalent of meal tickets, are furnished in connection with the prior order. See Chapter 5 if the Service member is traveling between the old and new PDS. See par. 020305 if a Straggler is traveling on an order directing no or limited reimbursement.

**Note:** Follow regulations for Permanent Duty Travel to determine any potential reimbursement between the old and new assignment location.
CHAPTER 2: STANDARD TRAVEL AND TRANSPORTATION ALLOWANCES

0201 INTRODUCTION

Standard allowances are the core set of rules used to compensate a traveler for normal expenses incurred while in a travel status under an official travel authorization. The information in this chapter applies to all travelers, unless noted otherwise. It includes rules for traveling locally, shipping belongings, and qualifying for the three major types of standard travel and transportation allowances: transportation, per diem, and miscellaneous reimbursable expenses.

020101. Transportation Allowance

The amount of reimbursement depends upon the type of transportation authorized or approved, the type of transportation available, and the type that the traveler actually uses. Multiple transportation options are available to a traveler. The Government will consider the needs of the traveler, the purpose of travel, the cost, and other factors and then do one of the following:

A. Provide Government transportation.

B. Purchase commercial transportation on behalf of the traveler.

C. Reimburse the traveler for personally purchased transportation.

D. Reimburse the traveler for use of a privately owned vehicle (POV).

020102. Per Diem Allowance

The per diem allowance is a daily rate meant to cover living expenses. It provides the maximum amount a traveler may be reimbursed for lodging, meals, and incidental expenses. The per diem is based on the rate of the authorized stopover point or official duty location. Only one per diem applies to a calendar day. See current per diem rates. Expenditures defined in the JTR as “incidental expenses” are reimbursed at a defined rate, as part of the per diem allowance. Incidental expenses are a separate category of reimbursement from “miscellaneous reimbursable expenses.” The following list of standard incidental expenses applies to all travelers:

A. Fees and tips paid to hotel employees, porters, baggage carriers, and flight attendants for all official domestic and foreign travel.

B. Laundry, dry cleaning, and pressing of clothing only while outside the continental United States (OCONUS).

C. Tax and service charges, other than vendor surcharges for using a credit card, for any of the expenses listed in this paragraph.

D. Expenses related to lodging that are listed in the room account.

E. Transportation tips for courtesy transportation (for example, an airport shuttle).
Chapter 2: Standard Travel and Transportation Allowances

Note: For a traveler with disabilities or special needs, see par. 020207-D for relevant Miscellaneous Reimbursable Expenses.

020103. Miscellaneous Reimbursable Expenses

Although miscellaneous reimbursable expenses are one of the three major types of standard travel and transportation allowances, they are discussed in this chapter often as part of either the transportation section or the per diem allowance section. Miscellaneous expenses that are neither transportation-related nor per diem-related may require AO authorization or approval. Section 0204 identifies those miscellaneous expenses not listed in sections or paragraphs that specify transportation or lodging reimbursement.

0202 TRANSPORTATION

This section addresses transportation to, from, and around official travel locations. The AO should authorize transportation before a traveler departs. If the AO does not, then air transportation is the authorized transportation mode for TDY and transoceanic travel unless the traveler demonstrates to the AO’s satisfaction that air transportation cannot meet the mission’s requirements efficiently or economically. Each traveler is allowed a seat on the authorized transportation mode. While an AO does not normally direct transportation, he or she may do so for a traveler under certain circumstances. If travel changes unexpectedly, the transportation type can be approved after travel has begun if the reasons are acceptable to the AO. Travel other than by a usually traveled route must be justified for any excess cost to be Government funded.

020201. Traveler Does not Use Authorized Transportation or TDY is Canceled

A. Traveler Does not Use Authorized Transportation. If an AO authorizes a transportation mode for TDY travel that a traveler does not use, then the traveler is reimbursed for the transportation mode that has been used, up to the cost of the authorized mode, unless stated otherwise in the JTR.

B. TDY Is Canceled. If a TDY order is canceled while the traveler is en route to the TDY location, then round-trip standard travel and transportation allowances are authorized between the PDS location or residence and the point at which the cancellation notification was received (includes a leave point) and the PDS. Allowances are limited to the cost of the round-trip travel distance between the PDS and the TDY location (see CBCA 2463-TRAV dated November 11, 2011, and B-129607, dated November 21, 1956).

020202. Excluded Hours

Normally, a traveler is not required to travel between the hours of 2400 and 0600 if it is not necessary for the mission. The AO must authorize or approve any rest stop. An en route rest stop may only be authorized when the flight exceeds 14 hours and travel is to or from a location OCONUS. An en route rest stop may not be authorized if the traveler is authorized first- or business-class travel. Rest stops may not exceed 24 hours. Rules and allowances for rest stops during travel are specified in Table 2-1.

Rest Stops En Route

| 3  | Authorized… |
|    | a. To allow the traveler to start at, near, or after the end of the traveler’s regularly scheduled duty hours. |
|    | b. During usual rest hours and if the transportation mode does not provide adequate sleeping accommodations. |
|    | c. At a location that is an intermediate point, and is near to midway in the journey as the authorized carrier schedule permits. |
|    | d. For a period limited to 24 hours, plus necessary time to obtain the earliest transportation to the authorized destination. |
|    | e. At a location en route at which the carrier permits free stopovers. |
|    | f. When the origin or destination location is OCONUS and travel is by a usually traveled route. |
|    | g. When the scheduled flight is over 14 hours by a usually traveled route. A 14-hour period includes scheduled flight time, stopovers, and plane changes. However, it does not include overnight time spent at airports.* |
|    | h. When en route to the TDY site or upon return if the traveler cannot rest before returning to work. This must be in the Government’s interest and is not automatic. |

| 4  | Not Authorized… |
|    | a. For official travel for a permanent change of station (PCS), consecutive overseas tour (COT) leave, renewal agreement travel (RAT), emergency leave, Rest and Recuperation (R&R), Funded Environmental Morale Leave (FEML), and personnel evacuations. |
|    | b. For personal convenience when a traveler chooses to travel by a circuitous route, causing excess travel time. |
|    | c. When a traveler takes leave at a stopover location. |
|    | d. For a traveler authorized first or business class accommodations. |
|    | e. When the flight lasts 14 or fewer hours. |
|    | f. When travel is within the CONUS. |
|    | g. When the traveler is provided a rest period at the TDY point before reporting for duty. |

*The flight length alone is not sufficient justification to authorize or approve an en route rest stop. The TDY mission must be so unexpected that the traveler was unable to schedule a flight arriving the day prior to allow rest before work and the travel authorization must clearly state when the TDY travel was identified and when travel reservations were made.

020203. Transportation Types Most Advantageous to the Government

A. Preferred Transportation. In the case of TDY travel, the following transportation types are presumed most advantageous to the Government, unless the AO determines otherwise.

1. In accordance with DoDI 4500.57, “Transportation and Traffic Management,” government
transportation by air for travel OCONUS is considered the most advantageous method when reasonably available to meet mission requirements.

2. When Government transportation is not directed, commercial travel by airplane, train, bus, or ship is generally the most advantageous method of transportation and should be selected when reasonably available. Of these types, travel by airplane is usually preferable when available.

3. When travel must be by automobile, a Government automobile is most advantageous. If a Government automobile is not available, then:
   a. Consider a rental car. See the Defense Travel Management Office (DTMO) rental car agreement and Defense Travel Regulation (DTR) 4500.9-R, Part 1, for instructions and guidance for rental car selection.
   b. A POV is considered most advantageous to the Government only after the other transportation types have been considered.

      (1) If the AO determines that using a Government automobile would be more expensive than using a POV because of unusual circumstances, then the AO may authorize reimbursement for POV use on TDY travel.

      (2) A traveler’s personal choice must not be the sole determining factor for authorization.

B. Determination Factors. The AO will use the following factors to determine which type of transportation is most advantageous to the Government for TDY travel:

1. Mission requirements, including trip length and transportation of baggage, tools, or equipment.

2. Availability of other transportation modes and the effect on productive time.

3. TDY location in relation to traffic conditions, routing, and weather.

4. TDY location in relation to the lodging, meal facilities, and transportation availability, other than a POV, between these points.

5. Overall cost advantage when accompanying passengers in the same POV are also under official travel orders.

6. Productive time lost due to additional travel time.

7. Efficiency, economy, or other reasons favorable to POV use to accomplish the mission expeditiously.

8. Unavailability of practicable commercial transportation.

9. Delay to mission caused by the use of an airplane, train, bus, or ship.
020204. Distance Determinations

Distances are determined by using the Defense Table of Official Distances (DTOD). It is the only official source for PCS and TDY distance information, including for personally procured moves. If a facility or location is not listed, contact the DTOD Web site. The DTOD does not apply to the following distances, which are determined by odometer readings:

A. In and around the PDS or TDY sites.
B. Between the home or office and the transportation terminal.
C. For a Service member who travels a short distance for a move within the same city.
D. For a civilian employee who transfers a short distance in accordance with par. 054802.
E. Round-trip travel between home and the active-duty tour site for a Reserve Component (RC) member on active duty when he or she commutes.

Note: For determining distances when privately owned air transportation is used, see par. 020210.

020205. Separate Legs of Travel

Travel between any two official points listed in Table 2-2 is computed as a separate leg of travel. If the trip involves more than one leg of travel, then each leg is computed separately.

020206. Airplane, Train, Ship, and Bus Transportation

A. Missed or Canceled Travel Arrangements. A traveler who misses or cancels travel arrangements must notify the Travel Management Company (TMC) as soon as possible to change travel arrangements. A traveler must also notify the AO of such situations. A traveler who is stranded while on official travel because arranged transportation was involuntarily canceled must contact the AO or supervisor for guidance concerning lodging or other arrangements. Failure to follow these procedures may make a traveler financially liable for any resulting expenses.

B. Lost or Stolen Tickets. Lost tickets must be reported to the TMC. A traveler remains financially responsible to the Government for the cost of the lost or stolen ticket, regardless of fault or negligence. A traveler is responsible for purchasing a replacement ticket, and cannot be reimbursed for the replacement ticket until the Government has received a refund for the lost or stolen ticket. If the
Chapter 2: Standard Travel and Transportation Allowances

initial ticket is recovered or turned in for refund, and the Government is repaid, reimbursement may be made to the traveler for the second ticket, limited to the cost of the first ticket. See DoDFMR, Volume (Vol.) 9, for procedures on reporting stolen tickets.

C. Unused Tickets. All unused tickets, including a portion of a ticket, coupons, exchange orders, refund slips, airfare adjustment notices, and similar items and information relating to the unused transportation must be turned into the TMC.

D. Replacement Transportation. A traveler who lacks sufficient funds to purchase duplicate transportation may be furnished necessary transportation on a cost-charge basis in accordance with DoD Agency regulations (DoD Regulation 4500.9-R, Defense Transportation Regulation, Part 1) or Service regulations.

E. Lost, Stolen, or Unused Government Transportation Request (GTR). A traveler, or other accountable person, must safeguard a GTR at all times because he or she may be held liable for any Government expenditure caused through personal negligence in safeguarding the GTR. If a GTR is lost, stolen, or unused, immediately notify the proper official, the named carrier, and other local carriers in accordance with Service or DoD Agency procedures and regulations.

F. Lost, Delayed, or Damaged Accompanied Baggage. A traveler may keep payments from commercial carriers for accompanied baggage that is lost, delayed, or damaged. However, accepting the payment may affect any potential claim against the Government for the lost baggage. A traveler who intends to file a claim against the Government for the baggage’s loss, delay, or damage should speak with a Government Claims Office before accepting a carrier’s compensation.

G. Frequent-Flyer Miles or Other Promotional Benefits. A traveler can keep any frequent-flyer points or miles, hotel rewards, or rental car upgrades accumulated during official travel, as long as those promotional items are available to the general public or to a class consisting of all civilian employees or Service members. If a traveler voluntarily gives up a seat on an airplane, then the traveler is responsible for any additional costs incurred, such as additional lodging or meal expenses. Also, a traveler cannot select specific flights or hotels to earn points if it will cost the Government additional money.

H. Registered or Trusted Traveler Program. Use of Government funds to obtain membership in registered or trusted traveler programs, such as Fly Clear, is statutorily prohibited (5 U.S.C. §5946 and GSA Bulletin FTR 08-05 of June 25, 2008).

I. U.S. Carriers Required. The Fly America Act requires that U.S. flag carriers be used for all commercial transportation when the Government funds the travel (49 U.S.C. §40118(d) and 55 Comp. Gen. 510. B-138941, March 31, 1981). The TMC and AO, therefore, require that travel by air and ship be on a U.S. flag carrier for every leg of a trip, unless the TMC and AO provide supporting documentation that a U.S. flag carrier is not available.

1. The Fly America Act does not mandate travel across the continental United States (CONUS) when traveling between two locations OCONUS.

2. There is no transportation reimbursement, for any leg of a trip, when an unauthorized or unapproved non-U.S. flag air carrier service or foreign flag ship is used. If a U.S. flag air carrier service or a U.S. flag ship is available for an entire trip and the traveler uses a non-U.S. flag air carrier or foreign flag ship for any part of the trip, the transportation cost on the non-U.S. flag air carrier or the foreign flag ship is not payable (FTR §301-10.143 and 41 CFR §301-10.181).
3. Documentation must be provided to the traveler to support all reasons when a non-U.S. flag air carrier is used in accordance with Service regulations. The documentation should include the traveler’s name, non-U.S. flag air carrier used, flight number, origin, destination and en route points, dates, justification and the authorizing or approving official’s title, organization, and signature. Endorsements on the order or Government-travel-procurement document, made in accordance with Service regulations, are acceptable.

4. When using code share flights involving non-U.S. flag air carrier, the U.S. flag air carrier flight number must be used on the ticket for the travel to qualify as having been on a U.S. flag air carrier. If the non-U.S flag air carrier flight number is placed on the ticket then a non-availability document is needed. 49 USC §40118(d) permits the Secretary of State and the Administrator of the Agency for International Development to authorize their employees to travel by non-U.S. flag air carriers between two places in foreign areas even if U.S. flag air carriers are available. This authority does not apply to Service members, civilian employees, or any of their dependents.

J. Class of Service Used in Transportation. A traveler must use economy or coach accommodations on an airplane, train, or ship. However, the order-issuing AO may authorize travel on transportation that offers only premium-class service, such as Acela.

1. Table 2-4 identifies other conditions under which a traveler can upgrade transportation accommodations. A traveler experiencing extenuating or emergency circumstances may seek approval for an upgraded class of service from the appropriate authority within 7 days after travel is completed. All other travelers must submit their requests in advance for accommodations at a higher class of service than economy or coach.

2. Table 2-5 identifies who can authorize or approve premium-class accommodations. Only a person senior to the traveler may authorize or approve an upgraded class of service.

3. The flight length alone is insufficient justification to authorize or approve business-class travel. The AO must first consider using economy or coach-class fare and scheduling the traveler to arrive the day before TDY begins to allow appropriate rest. The second choice is to use economy or coach-class fare and arrange a rest stop, preferably at a no-cost point allowed by the airline with the traveler scheduled to arrive on the day TDY starts. The last option is to use business-class accommodations with a scheduled arrival on the day TDY starts.

4. Travel authorization for upgraded accommodations must be retained in accordance with Records Management procedures.

5. A travel authorization must include:

   a. The cost difference between economy or coach class and the upgraded ticket. See the DTMO website for decision support tools regarding premium class travel.

   b. The paragraph number in the JTR for the conditions that justify the change in class of service.
c. A statement that the traveler is responsible for the cost difference between the
transportation class for which the traveler was eligible and the cost of an upgraded class of service
purchased if the accommodations are not approved after the fact.

K. Medical or Special Needs. Any accommodation for a medical or special need requires that a medical authority provides a written certification of the medical condition or special need. An AO should also consider physical characteristics when determining the class of travel and the options for accommodating those special needs. Consider other travel options such as reserving economy plus, coach elite seating, or bulkhead seating that provide extra leg room or purchase two coach seats before recommending premium class travel. Only the authorities listed in Table 2-5 may authorize or approve premium class travel. If the traveler requires an attendant or escort, see Table 2-4, for criteria to authorize or approve premium-class accommodations for the attendant. Authority to use upgraded accommodations is limited to the disabled or special needs traveler and their attendant, and does not permit the rest of the family to travel on a class of service other than economy or coach. A medical authority must recertify the traveler’s medical condition or special need in writing:

1. Every six months for a temporary condition.

2. Every two years for a lifelong condition.

M. Commercial Air Transportation. Commercial airplane is the preferred mode for official travel more than 400 miles one way or more than 800 miles round trip.

1. General Services Administration (GSA) City Pair Program Fares

a. The GSA City Pair Program is a contract between the Government and certain airlines for routes frequently traveled for Government business. The program requires a traveler to use these
Chapter 2: Standard Travel and Transportation Allowances

routes when they are available. City Pair Program fares are for official travel only and cannot be used for travel to or from leave points or for any portion of a route traveled for personal convenience. For details see the GSA City Pair Program, the Defense Transportation Regulation (DTR) 4500.9-R, Part 1, the Federal Travel Regulation (FTR) §301-10, and computation examples. City Pair Program flights are identified by the fare basis codes of either “YCA” or “-CA.”

(1) YCA refers to a contracted, unrestricted coach-class fare that includes the benefit of last-seat availability. As long as a seat is available on the airplane, the Government traveler may purchase the seat at the YCA airfare.

(2) -CA refers to a contracted, unrestricted coach-class fare that is capacity controlled. Only a certain number of seats are available on a given flight at the -CA rate. A -CA airfare should be used when available and only the YCA should be used for cost comparison.

b. A command cannot permit a TMC to purchase YCA airfare when a -CA airfare is available and the AO determines that a -CA airfare meets the mission’s needs. Personal frequent flyer points or miles use is not a valid reason to request a YCA airfare when a –CA fare is available. A traveler who elects to use a YCA airfare when a –CA airfare is available, in order to use points or miles, is financially responsible to the Government for the cost difference between the YCA airfare and the –CA airfare. CBCA 1511-TRAV, May 7, 2009.

2. Restricted Airfares. The AO may authorize or approve restricted airfares when they are offered to the general public and if trip cancellation would not impose significant costs.

a. When a City Pair Program fare is available, the AO must use the Restricted Fares Checklist when considering the approval of restricted airfares. Restricted airfares cannot be applied in a blanket fashion, but can be considered for each trip on an individual basis. For City Pair Program routes, if the contract carrier offers a lower fare, the traveler must use that airline’s restricted fare before selecting another airline’s restricted economy or coach airfare.

b. When a City Pair Program Fare is not available, the traveler should use the lowest cost coach-class fare that meets mission requirements

c. The AO must consider that if a restricted fare is authorized and then later canceled or changed for official reasons and not for the personal convenience of the traveler, the Government is responsible for any excess costs.

Note: When a restricted airline ticket is changed or canceled, any remaining value may only be used for future official travel. Under no circumstances may the traveler pay any penalty and then use the ticket or partial credit for personal travel.

3. Involuntarily Denied Flight Boarding. A traveler who is involuntarily denied boarding on a flight must contact the TMC to book a new flight if a subsequent flight cannot be provided without additional cost to the Government. Any compensation for the denied seat belongs to the Government (59 Comp. Gen. 203 (1980)). The traveler must request that the carrier show the “Treasurer of the United States” as payee on the compensation check, in accordance with DoDFMR, Vol. 9.

N. Train, Ship, or Bus Transportation. For trains and buses, use the discount fares offered to the Government when the transportation meets mission requirements. Travel by ship may be authorized or approved. Only the authorities in Table 2-5 may authorize or approve other than coach or economy class accommodations under the following circumstances (OMB Bulletin 93-11, April 19, 1993):

1. The travel can be completed only by ship.
2. The travel is performed more economically or efficiently by ship.
3. The travel is for medical reasons.
4. The travel is for security reasons.
5. The Secretarial Process authorizes or approves the travel as being advantageous to the Government for travel OCONUS.

020207. Reimbursement for Commercial Transportation

A. Commercial Air, Train, Ship, or Bus Transportation. A traveler is reimbursed the authorized or approved transportation cost, which includes the fare and the TMC fee. If a traveler uses Government-procured transportation for part of a leg of travel, reimbursement to a traveler must be reduced by the cost of the Government-procured transportation. However, advanced seat assignment and additional-fee seating is a personal choice. Any fee incurred for changing the seat assignment is not reimbursed unless it is in the Government’s interest, such as would be the case for an eligible traveler with a medical or special need.

B. Transoceanic Ship Travel. Reimbursement for a traveler who uses unauthorized or unapproved transoceanic ship travel is limited to the policy-constructed cost. The policy-constructed cost is the sum of the transportation cost and the TMC fee that the Government would have incurred if travel had been performed using the authorized transportation type.
C. Miscellaneous Reimbursable Expenses Associated with Commercial Air, Train, Ship, or Bus. Commercial air, train, ship, or bus reimbursable transportation expenses consist of:

1. Fees for the first checked bag. Any additional cost because of size or weight must be authorized or approved.

2. Excess accompanied baggage when it is authorized or approved. To be authorized or approved, the contents of the baggage must be required for the traveler’s official duty and must not be available at the TDY location. See Chapter 5 for allowances related to unaccompanied baggage.

3. Accompanied baggage that goes to the original destination on an unused portion of a ticket after the traveler prematurely leaves the carrier if the traveler provides a full explanation of facts that is acceptable to the Transportation Officer or AO.

4. Expedited return to the travel origination point of accompanied baggage from which a Service member or civilian employee has become separated during a troop movement, when authorized or approved in accordance with Service regulations.

5. The extra cost of a paper ticket add-on fee when authorized or approved as necessary and documented, such as an airline work stoppage.

6. One-way mileage, at the TDY mileage rate, from home or place of duty to a transportation terminal for each way, or round-trip mileage if being dropped off or picked up, when a traveler uses a POV.

7. Ground transportation between interim terminals when traveling on official business.

8. In-flight internet connections are not reimbursable unless authorized or approved and determined they are used to perform official business.

9. Arrival or departure taxes or fees that are charged for entry or exit from a foreign country may be reimbursed if the traveler incurs the expense directly, rather than including in the transportation ticket cost.

D. Miscellaneous Reimbursable Expenses for Travelers with Medical or Special Needs. A traveler with medical or special needs may receive reimbursement for the following additional transportation-related miscellaneous costs:

1. Specialized services provided by a commercial carrier that are necessary to accommodate the traveler’s disability or special need, such as specialized transportation to, from, or at a TDY location.

2. The cost of renting or transporting specialized equipment, such as a wheelchair, needed in transit or at the TDY location.

4. Baggage handling tips for a traveler with a disability.

E. Reimbursement When a TMC Is Available but Not Used. When a TMC is available but not used by a traveler, reimbursement for transportation costs is limited to the amount that the Government would have paid if the arrangements had been made directly through a TMC. Transaction fees are not
reimbursable, as it should be extremely rare that a TMC is not available.

F. Reimbursement When a TMC Is Not Available. When the AO certifies that a TMC is not available to arrange the required official transportation, the traveler receives reimbursement for the actual authorized or approved transportation costs, including the transaction fee. The total transportation reimbursement must not exceed the policy-constructed fare that meets mission requirements.

020208. Reimbursement for Government Transportation

A. Reimbursement for Government Plane, Ship, or Bus. An AO may direct a traveler to use Government transportation, such as a plane, ship, or bus. When a traveler does not use the directed mode, reimbursement is not allowed. A traveler is not ordinarily charged for baggage expenses when using Government transportation. The AO must authorize or approve any charges for excess accompanied baggage.

B. Government Automobile. An AO may direct a traveler to use a Government automobile when taking an airplane, train, bus, or ship is not advantageous to the Government. In these cases, the traveler must use a Government automobile, if one is available. If an AO determines a Government automobile would be more expensive than a POV, then the AO may authorize a POV. See Table 2-9 for information about the circumstances under which a Government automobile is directed but a POV is used instead.

Note: A Government automobile is limited to official purposes, including transportation to and from duty sites, lodgings, dining facilities, drugstores, barber shops, places of worship, cleaning establishments, and similar places required for the traveler’s subsistence, health, or comfort.

C. Reimbursement for Use of a Government Automobile. A traveler using a Government automobile may receive reimbursement for:

1. Gas and oil.
2. Ferry fares, storage fees, guard fees, and repairs.
3. Bridge, road, or tunnel tolls.
4. Parking fees when the AO authorizes or approves them.
5. Insurance to cover liability for damage, personal injury, or death to third parties when traveling in foreign locations where law requires the insurance coverage.
6. The cost of an international driver’s license, including the cost of photos, when mission essential.

020209. Rental Vehicle

A. Obtaining Authorization. An AO must authorize or approve use of a rental vehicle. A traveler must obtain a rental vehicle through an electronic system when it is available or through the TMC if it is not available. TMC use is not mandatory when renting an airplane or bus (CBCA 2956-TRAV, January 31, 2013). A compact vehicle is the standard size for official travel, but the AO may authorize or approve a larger vehicle for the following reasons:
1. Medical disability or other special need.

2. Mission requirements.

3. Cost is the same or less for a non-compact vehicle.

4. Multiple travelers are authorized to travel in the same rental vehicle.

5. Government material for official business requires more space.

6. Safety, such as driving during severe weather or on rough or difficult terrain.

B. Reimbursement for Use of a Rental Vehicle. A traveler is reimbursed the cost of the authorized or approved rental vehicle. This includes the related taxes and local assessments added into the rental agreement. Fees associated with rental car loyalty points and the transfer of points are not reimbursed.

C. Reimbursement for Rental Vehicle Insurance. The Government is self-insured. A traveler should verify that a rental vehicle is part of the U.S. Government Rental Car Agreement, which provides full insurance coverage. The traveler is reimbursed optional insurance on a rental only when traveling in foreign areas where insurance is required by law or when traveling for certain classified special operations in the CONUS or non-foreign areas OCONUS. For these classified special operations, the AO must specifically approve the insurance reimbursement.

D. **Reimbursement for Rental Vehicle Damage.** A DoD traveler may be reimbursed for personal funds paid to a rental car company for rental vehicle damage sustained in the performance of official business if the claim is adjudicated payable. See DoDFMR, Vol. 9, Chapter 4; DoDFMR, Vol. 10, Chapter 12; and the Guidebook for Miscellaneous Payment for information on how to request reimbursement.

1. The Government may make direct payment to the rental car company, instead of the traveler, if appropriate. Requests for payment must be accompanied by supporting documentation, ordinarily statements, itemized bills, and an accident report (see DoDFMR, Vol. 9, for details). A DoD traveler may file accident reports at the DTMO Web site if the damaged vehicle is covered under the DTMO rental car agreement.

2. A non-DoD traveler who rents a vehicle pursuant to a valid DoD-funded travel authorization must follow written Service or DoD Component guidance in documenting and filing a claim for vehicle damage.

**Note:** See DTMO rental car agreement, and DTR, 4500.9-R, Part 1 for further instructions and guidance for the rental vehicle selection. A rental vehicle is limited to official purposes, including transportation to and from duty sites, lodgings, dining facilities, drugstores, barber shops, places of worship, cleaning establishments, and similar places required for the traveler’s subsistence, health, or comfort.
0202.10. Privately Owned Vehicles (POV)

A traveler cannot be directed to use a POV for official travel or be a passenger in another TDY traveler’s POV (53 Comp. Gen 67 (1973)). If a traveler chooses to use a POV, then the amount of the potential reimbursement depends on whether using the vehicle is more advantageous to the Government than other modes of transportation. If using a POV is not advantageous to the Government, then no miscellaneous reimbursable expenses associated with driving a POV are reimbursed (see mileage rates). When computing TDY mileage reimbursement, do not round the result to the nearest dollar.

Note: Charges related to repairs, depreciation, maintenance, towing, and other similar expenses for a POV are not reimbursable through the travel voucher process. Service members may seek reimbursement by following procedures in DoDI 1340.21 (Procedures for Settling Personnel and General Claims and Processing Advance Decision Requests). Civilian employees may seek reimbursement by using Service procedures and referencing the Personnel Claims Act (31 U.S.C. § 3721).

| 2 the official distance between authorized locations (as determined by the DTOD) is greater than 400 miles one way, or greater than 800 miles round trip, | the AO may authorize or approve the use of a private automobile or motorcycle on a case-by-case basis in accordance with guidance if advantageous to the Government. |
| 3 a traveler uses a POV instead of the authorized transportation type (other than a Government automobile), | reimbursement is limited to the constructed cost of the authorized transportation type. B. Reimbursement for Privately Owned Airplanes. A traveler is reimbursed mileage based on aeronautical charts when an AO determines that using a privately owned airplane is more advantageous to the Government than using other transportation modes.

1. If a traveler cannot determine the distance by aeronautical charts, then he or she must determine it by multiplying the flight time by the aircraft’s cruising speed. Additionally, the traveler may receive reimbursement for landing, parking, and tie-down fees.

2. If a traveler uses an airplane provided by an Aero Club, then allowable expenses include:
   a. The hourly fee imposed by the Aero Club.
   b. Fuel charges if not reimbursable by the Aero Club.
   c. Landing and tie-down fees (includes the hangar in severe weather) charged at en route and destination airports.

C. Reimbursement for Privately Owned Boat and Helicopter. When a privately owned boat or helicopter, but not a privately owned plane, is used to the Government’s advantage, reimbursement is for actual operating costs rather than TDY mileage. Reimbursable costs are limited to:

1. Fuel.
2. Oil.
3. Aircraft parking.
4. Landing and tie-down fees.
5. Boat docking fees.

Note: To convert kilometers to statute miles, multiply the number of kilometers by 0.62. To convert nautical miles to statute miles, multiply the nautical distance times 1.15077945.

D. Requests for POV Expense Reimbursement (Service Members Only). When it is to the Government’s advantage, the AO may authorize or approve reimbursing actual travel costs instead of mileage when all of the following three circumstances are met:

1. The Service member requests it.
2. The request is justified due to unusual circumstances and documents the circumstances.
3. POV mileage reimbursement would be a financial hardship for the Service member (Comp. Gen. B-185733, September 1, 1976).
E. Limits to Actual Expense Reimbursement for Travel by POVs (Service Members Only).

Actual expense reimbursement is limited to:

1. Automobile or motorcycle: fuel, oil, parking fees, ferry fares; road, bridge, and tunnel tolls; winter plug-ins; and trip insurance for travel in foreign countries.

2. Airplane: fuel, oil, parking fees, tie-down fees, and hanger fees.

F. Cost Comparisons Between Use of a POV and Other Modes of Transportation (Computation and Calculation Rules). When a traveler uses a POV instead of an authorized type of transportation, a cost comparison is done to determine reimbursement. The POV mileage is compared to the constructed cost of the authorized transportation type and the lesser of the two amounts is reimbursed. The constructed cost is the sum of the transportation ticket cost plus the TMC fee. The per diem that the Government would have incurred if travel had been performed by the authorized transportation mode is paid. No other costs, such as taxi fare or parking, are included in the comparison.

**Vehicle v. Rental Car**

1. **air, train, bus, or Government-provided transportation is not provided or available,**

   reimbursement is limited to the cost of the lowest rental service and the associated Other Miscellaneous Reimbursable Expenses.

2. **the AO determines that a rental car is more economical, but the traveler uses a POV,**

   reimbursement is limited to the cost of the lowest rental service and the associated Other Miscellaneous Reimbursable Expenses.

**Vehicle v. Bus**

3. **neither air nor rail transportation is provided,**

   mileage reimbursement is limited to what bus transportation would have cost.

**Vehicle v. Commercial Airplane**

4. **a traveler is authorized to use a commercial airplane and uses a POV instead,**

   the traveler is allowed the TDY mileage for the official distance, limited to the policy-constructed cost for air transportation. When the distance is 400 miles one way or 800 miles or less round trip, a traveler is allowed the applicable TDY mileage rate for the ordered distance.

5. **the policy-constructed airfare includes an airfare available through the GSA City Pair Program,**

   a -CA GSA City Pair Program airfare is not used when creating a policy-constructed airfare for comparison purposes.

6. **the policy-constructed airfare turns out to be, or to include, a GSA City Pair Program airfare and both a YCA and a -CA airfare are available,**

   the YCA airfare is used for cost comparison.

7. **an individual traveling at Government expense rides in the same privately owned automobile as the traveler claiming mileage,**

   the constructed transportation cost reimbursed to the traveler claiming the mileage includes the policy-constructed transportation cost of the passenger.

**Vehicle v. Train**

8. **air accommodations are not provided between origin and destination points,**

   mileage reimbursement is limited to the constructed cost of coach train accommodations for the travel performed.

9. **an administrative determination is made that rail transportation is more economical than the commercial air accommodations,**

   the constructed cost comparison also may be made with rail transportation, including related per diem.

G. Reimbursement for Mixed-Mode Travel When POV Is Involved. When an individual travels partly by POV and partly by commercial modes between any two points listed as separate legs of the trip (see par. 020205), the travel is mixed mode. H. Miscellaneous Reimbursable Expenses. If using a POV is more advantageous to the Government, in addition to a TDY mileage allowance, a traveler may be reimbursed for the following:

1. Ferry fares.
2. Bridge, road, and tunnel tolls.
4. Cost of obtaining an international driver’s license when the mission requires one, including the cost of the photos.

020211. Car Ferry Transportation

Only a passenger automobile, light truck, or similar vehicle used primarily for personal transportation, regardless of size, is eligible for car ferry allowances. A traveler who is authorized to use a car ferry must use a U.S. flag ferry, when available. The English Channel tunnel (Chunnel) is considered a ferry only for computation purposes.

A. Reimbursement for Car Ferry Transportation. The AO may authorize reimbursement for car ferry transportation. A traveler may be reimbursed for personal transportation costs, limited to the cost of
Government-procured ferry transportation. Reimbursement includes any costs associated with the vehicle’s movement on the car ferry. The AO may also authorize TDY mileage for the official distance (based on the DTOD) from both:

1. The PDS location to the car ferry’s port of embarkation and the car ferry’s port of debarkation to the traveler’s TDY location.

2. The TDY location back to the PDS location, again taking into account the ports of embarkation and debarkation.

B. **Excess Costs.** If the Government pays for transporting a POV on an oceangoing car ferry and that transportation results in excess costs, the Government will bear those costs and will not collect the excess costs from the traveler.

020212. **Travel in and around the TDY Location**

A. **Travel Locations.** Transportation expense reimbursement in the TDY area may be authorized or approved for travel between:

1. Lodging and duty site.

2. Duty sites.

3. Lodging or duty site and dining facility.

B. **Transportation Modes.** The AO may authorize or approve the most economical transportation mode at the TDY location that meets the mission requirements. The transportation mode must be specified in the travel order if it is authorized before travel begins.

1. When authorized or approved, a traveler using commercial transportation may receive reimbursement for local public transit system fares, taxi fares, or rental vehicle costs when using a rental vehicle is more advantageous to the Government.

2. When a POV is authorized or approved, mileage is reimbursed at the TDY rate listed in par. 020210.

C. **Meals or Lodging Unavailable at Duty Site**

1. The AO may authorize reimbursement to a traveler for:

   a. Daily round trips between lodging and duty site when suitable lodging is not available at the duty site.

   b. Trips to dining establishments when suitable dining establishments are not available near the lodging or duty site.

2. The traveler must furnish a statement that Government transportation was not available or, if available, was not suitable for the travel involved.
020213. Ground Transportation

A. Ground Transportation to Terminals and Rental Car Facilities. A traveler should always use Government or courtesy transportation to terminals and rental car facilities, if available. Travelers may use:

1. Taxis or limousines.
2. Buses.
4. POVs.
5. Rental vehicles when authorized or approved.
6. Subways or other public transportation.

B. Transportation Network Companies. Although travelers may use this transportation mode, as defined in Appendix A, cancellation fees and penalties charged by these companies are not reimbursable expenses.

0203 PER DIEM ALLOWANCE AND OTHER COMPUTATION RULES

Per diem allowance rates are based on the TDY location, stopover point, or other authorized official duty points, but not on the lodging location. Ordinarily, per diem is based on a traveler’s TDY location at 2400 hours (midnight). If a traveler obtains lodging outside the area covered by the locality rate for the TDY location because of personal preference or convenience, then per diem is limited to the maximum rate prescribed for the TDY location.

020301. Daily Allowances

The Government pays per diem on a daily basis, for whole days (see current per diem rates). This does not include PDS departure and return days. The calculation of per diem allowances for each travel day is based on the actual amount paid for lodging, limited to the lodging portion of the locality per diem rate, plus the applicable meal rate and incidental expense (M&IE) rate, unless otherwise stated in the JTR. The total should not exceed the applicable maximum per diem rate for the TDY location. If the U.S. Government furnishes meals and lodging at no cost to the traveler, then the total value of the meals and lodging plus the incidental expense rate is limited to the maximum locality per diem rate.

020302. Allowable Travel Time As It Affects Per Diem

The AO determines the allowable travel time by the official distance, the type of transportation authorized, and the transportation used. However, if the actual travel time is less than the allowable travel time, then the AO approves per diem only for the actual days traveled. All time that is not official travel time must be accounted for in accordance with appropriate personnel regulations.

A. POV, Government Automobile, or Rental Vehicle. When travel is authorized as advantageous by POV, Government automobile, or a rental vehicle, one day of travel is authorized for every 400 miles, per Table 2-10. See pars. 050205 (Service members) and 053807 (civilian employees) for allowable PCS travel time. Additional travel time may be authorized or approved when the actual time exceeds the authorized time for reasons beyond a traveler’s control, for example, for Acts of God. Per diem is payable for any days of additional travel time that are authorized under such circumstances. See computation example 1 and computation example 2.

B. En Route Per Diem. A traveler’s en route per diem is limited to the lesser of the actual time used or the time allowed for the authorized mode of transportation. En route per diem is the per diem received between travel points excluding per diem while at the TDY or leave location.

C. Airplane, Train, or Bus. When a traveler receives authorization to travel by commercial air, the maximum time allowed in the CONUS and within areas OCONUS is one day. When the Government purchases commercial air, train, or bus transportation, per diem is allowed for the actual time needed to travel over the direct route including necessary delays. For travel by commercial train, the scheduled departure and arrival dates are used. A traveler who elects to travel by a transportation mode other than the one authorized is limited to the actual time used, not to exceed the allowed travel time for the mode of transportation authorized.

Note: When the authorized transportation mode is not used, the AO considers the traveler’s required check-in time, travel time from home or office to the airport, scheduled arrival time at the terminal, and travel time from the terminal to home as well as transportation costs when constructing travel.
Chapter 2: Standard Travel and Transportation Allowances

Constructing travel is calculating estimated costs based on the authorized mode of transportation to compare to the traveler’s actual costs.

020303. Lodging

A traveler on TDY must reserve lodging compliant with U.S. Fire Administration guidelines through the electronic travel system or the servicing TMC (5 U.S.C. § 5707a). A DoD traveler must use the Integrated Lodging Program Pilot (ILPP) facilities if available (see DTMO website for information about the ILPP). The Government cannot direct the traveler to accept inadequate accommodations. Each Service or DoD agency must ensure that 90% or more of all official travelers in the US or non-foreign areas OCONUS use commercial lodgings that comply with the U.S. Fire Administration guidelines.

A. Booking Commercial Lodging

1. A traveler is responsible for any charges in excess of the per diem rate.

2. A traveler is responsible for canceling a room reservation within the established time frame to avoid any no-show charges and must obtain a cancellation number to reverse a no-show charge.

3. If a traveler cannot book commercial lodging using the TMC (including the electronic travel system) then the traveler must book directly with the commercial lodging facility (including the hotel’s online Web site).

4. If a traveler obtains lodging through an online booking agent, reimbursement is authorized only when the traveler provides a documented itemized receipt for room costs from the hotel or online booking agent showing the following charges (CBCA 2431-TRAV, September 13, 2011):
   a. Daily hotel room costs.
   b. Daily hotel taxes.
   c. Daily miscellaneous fees, if applicable.

Note: Only itemized charges are considered for reimbursement. Online booking receipts often break out the cost of the room, but combine taxes and fees. In such cases, only the room cost is reimbursed because the receipt does not itemize taxes and fees.

B. Booking Government Quarters and Government Lodging

1. A DoD Service member ordered to a U.S installation must use adequate and available Government quarters. When ordered to an ILPP site where adequate Government quarters are not available, a DoD Service member must use other lodging available under the Government Lodging Program.

2. A civilian employee ordered to a U.S. installation must use adequate and available Government quarters at designated ILPP sites as listed on the DTMO website. When ordered to an ILPP installation where adequate Government quarters are not available, a civilian employee must use other lodging available under the Government Lodging Program. When ordered to a U.S. installation that is not part of the ILPP site a civilian employee is encouraged, but not required, to use available Government quarters. In no instance may a civilian employee be required to use inadequate lodging.
3. Commercial lodging that is contracted by the Government, at no cost to the traveler, is considered Government quarters. Lodging, at no expense to the traveler, may be booked without using the TMC, outside the electronic travel system.

**Note:** The electronic travel system is used as the primary source to reserve Government quarters and Government Lodging Programs. If the authorization is done outside the electronic travel system, then reservations must be made through [www.dodlodging.net](http://www.dodlodging.net) or by contacting the Government quarters facility directly. The ILPP does not apply to the U.S. Coast Guard (USCG), National Oceanographic and Atmospheric Association (NOAA), or U.S. Public Health Service (USPHS) personnel.

C. **Use of Government Quarters.** Government quarters are available to USCG, NOAA, and USPHS personnel only if the travel order directs their use. For Government quarters policy for Service members, see Table 2-14.

D. Limiting Per Diem not Permitted. Per diem reimbursement cannot be limited to the Government quarters rate if the installation to which a Service member has been assigned TDY does not have Government quarters, even if a nearby installation does have Government quarters.

E. Government Quarters Are Unavailable. Travel orders or travel vouchers must document when Government quarters are not available at the U.S. installation to which the traveler is assigned TDY. The Services have predetermined that Government quarters are considered unavailable when:

1. A TDY or delay point is somewhere other than a U.S. installation.

2. An AO determines that using Government quarters would adversely affect mission performance. This statement does not apply to:
   a. A Service member attending a Service school at a Uniformed Service facility.
   b. Any officer in a pay grade of O-7 through O-10 or Senior Executive Service (SES) employee who personally determines quarters availability.

3. A Service member has been assigned TDY at a medical facility as a non-medical attendant accompanying a dependent in an outpatient status.

4. TDY is at a Joint Base without a common perimeter and the Government quarters are located at a geographically separate part of the Joint Base from the duty location.

F. Required Documentation When Government Quarters Are not Available. When Government quarters are not available, a DoD Service member is not required to obtain paper statements to justify reimbursement for commercial lodging and per diem. The AO must authorize or approve reimbursement for commercial lodging when a Service member documents at least one of the following:

1. A Government quarters non-availability confirmation number provided by the Service’s lodging registration process.

2. The date the Service member attempted to make reservations, along with the phone number and name of the billeting office’s point of contact.

3. The Service member’s certification that Government quarters were not available upon arrival.

</tbody>
</table>
| 11 a traveler purchases, sells, or makes payments on a privately owned RV used for lodging during official travel, | reimbursement is not authorized for any costs associated with the purchase of the RV. The traveler may be reimbursed the following expenses, limited to the total maximum lodging rate allowed for the entire TDY:  
  a. Parking fees.  
  b. Utility connection, use, and disconnection fees.  
  c. Electricity, gas, water, sewage, bath, and shower fees.  
  d. Dumping fees. |
| 12 a traveler is lodged in the CONUS or non-foreign area OCONUS, | a lodging tax is a reimbursable expense. |
| 13 a traveler is lodged in a foreign area OCONUS, | the lodging tax is considered part of the lodging portion of per diem and is not separately reimbursable. |
| 14 no commercial lodging facility is available at the TDY location or a room shortage exists because of a special event, | the cost of lodging obtained in other than a commercial facility may be authorized or approved when the traveler provides a written explanation of non-availability acceptable to the AO. Reimbursement cannot exceed the locality per diem rate. |

*For multiple leasees, the long-term (not daily) lodging cost is split equally among the leasees, excluding non-official travelers, before the daily reimbursement rate is computed.
G. Reimbursement for Commercial Lodging, Government Quarters, Other Lodging Arrangements, and Miscellaneous Reimbursable Expenses. When a traveler is not on flat-rate per diem and procures long-term lodging, on a weekly or monthly basis, the AO computes the daily TDY lodging costs by dividing the total lodging cost for the period by the number of days the traveler is authorized the lodging portion of the locality per diem rate (see computation example). Expense items that do not accrue on a daily basis are averaged over the number of days the traveler is authorized per diem during the TDY. The AO includes the following costs in determining the long-term lodging cost:

1. Utility connection, use, and disconnection.
2. Dumping.
3. Showers.
4. Cleaning or maid fees.
5. Cable TV.
6. Automobile head bolt heaters, if ordinarily included in the hotel or motel rate in the area concerned.
7. Monthly local telephone use. Monthly fees does not include installation charges, unofficial long-distance calls, or monthly fees for a personally owned mobile phone when used instead of an installed phone for official communications.
8. Parking space when RV is used.
9. Appropriate and necessary furniture rental.
10. Exchange fees involved in renting time-share lodging at the TDY point, but not the annual maintenance fee.
11. Rental furniture or appliances. No reimbursement is authorized for items that are contracted or rented with the option to buy unless there is no other alternative. If an “option-to-buy” plan is used, the traveler must reimburse the Government the amount credited toward the purchase if paid as part of the travel claim settlement. If a damage-waiver fee is required as part of the cost, the traveler may be reimbursed for the fee as part of the furniture rental (CBCA 1961-TRAV, July 20, 2010). A traveler cannot be reimbursed for shipment or purchase of furniture (GSBCA 16699-TRAV, August 17, 2005).

Note: These items do not apply to contracted TDY lodging.

**Note:** For dual lodging, the actual lodging cost reimbursed at the first TDY location is limited to the per diem or AEA plus lodging tax that would have been paid had the traveler remained overnight at
that location. The dual-lodging claim must be supported by a receipt. Long-term dual lodging is not authorized.

020304. M&IE Portion of Per Diem

M&IE reimbursement does not require expense itemization or receipts unless an actual expense allowance (AEA) has been authorized or approved for some portion of the M&IE.

A. Meal Portion of Per Diem. The meal portion of per diem covers expenses for breakfast, lunch, and dinner, including related taxes and tips for the meals. Meal rates change depending on who the traveler is (Service member or civilian employee), the location, and the number and types of meals available. After travel is completed, meal rates can be reduced only if the traveler received a deductible meal (see Table 2-18). When a traveler stays with friends or relatives, he or she is authorized the TDY location M&IE rate if otherwise eligible.

| 2 | Proportional Meal Rate (PMR) | Applies when either of the following occur:  
  a. A Service member is lodged in adequate Government quarters on a U.S. installation and one or two meals are available and directed in a Government dining facility on that installation. PMR for available meals must be directed in the travel authorization.  
  b. One or two deductible meals are provided at Government expense and at no cost to the traveler (for example, as part of a registration fee or conference fee) and the individual is not traveling.  
  c. The PMR is computed by averaging the standard GMR and the meals portion of the applicable locality M&IE rate rounded up to the nearest dollar. Only the meal rate is used for the computation. The appropriate incidental expense rate is added to the PMR to create the proportional M&IE rate.  
  d. The PMR does not apply when the traveler is traveling. |
| 3 | Standard Government Meal Rate (GMR) | a. The standard GMR includes food and facility operating costs and applies when a Service member is sent TDY to a U.S. installation where adequate Government quarters and three meals a day are available in a Government dining facility on that installation.  
 b. The GMR does not apply when the Service member is traveling.  
 c. The GMR must be directed in the travel authorization. |
| 4 | Discounted GMR | The discounted GMR is the cost for food minus facility operating costs. A civilian employee is reimbursed the discounted meal rate if he or she is charged for food while supporting field duty operations. |
| 5 | Incidental Expense Only | Applies when all three meals are provided at no cost to the traveler. Table 2-18 explains which meals are deductible. |

C. Deductible Meals Unable to Be Consumed. The AO may authorize or approve the locality meal rate or the PMR, whichever is applicable, if the traveler meets all of the following criteria:

1. Medical Requirements or Religious Beliefs. The AO may authorize or approve the locality meal rate or the PMR, whichever is applicable, if the traveler meets all of the following criteria:

   a. Is unable to eat an otherwise deductible meal because of medical requirements or religious beliefs, in which case the AO may require substantiating documentation from the appropriate professional authority.

   b. Attempted, but is unable to make, alternative meal arrangements for a substitute meal.

   c. Must purchase a meal that satisfies the medical requirements or religious beliefs.

2. Requirements of the Mission. The AO may authorize or approve the locality meal rate or the PMR, whichever is applicable, if the traveler is unable to eat an otherwise deductible meal due to requirements of the mission.

D. Government Dining Facilities. A Government dining facility is available only when the Government quarters on the U.S. installation on which the Service member is assigned TDY are adequate and available. Government facilities should be used to the maximum extent possible.

   1. Use of the Government dining facility must be directed in the travel authorization. The authorization must state when a Service member is to receive the PMR or GMR. Otherwise, the locality
meal rate is paid. Schoolhouse training or other excepted circumstance may impact meal rate payable.

2. A dining facility is considered not available:
   
a. When Government lodging on the U.S installation is not available.

b. On travel days.

c. When an AO determines that:

   (2) There is excessive distance between the Government dining facility and places of duty or lodging.

   (3) Transportation is not reasonably available between the Government dining facility and places of duty or lodging.

   (4) Duty hours and Government dining facility operating hours are incompatible.

3. When a travel authorization directs the use of a Government dining facility for TDY travel and it is not available, a traveler must provide a statement of non-availability explaining which meals were not available and why, to receive reimbursement. The reason for non-availability must be acceptable to and approved by the AO. Once approved, the travel authorization must be modified to document the change in meal rate.

4. An organization may not treat TDY members as permanent party by providing Government meals in a dining facility at no charge. A TDY member pays for meals in the Government dining facility except in the following circumstances: Essential Unit Mess, field duty, sea duty, members traveling together with no reimbursement or Joint Task Force Operations. See the FMR, Vol 7A, Ch 25.

E. Incidental Expense Portion of Per Diem. The portion of per diem reimbursement for incidental expenses includes, but is not limited to:

1. Tips related to lodging, baggage, and transportation (to include courtesy transportation).

2. Laundry and dry cleaning while OCONUS.

3. Various service charges.

Note: Laundry and dry-cleaning expenses are a personal expense and are not reimbursable as part of per diem, AEA, or a miscellaneous reimbursable expense within the CONUS.

F. Incidental Expense Reimbursement Rates. The reimbursement rates for incidental expenses differ by location:

1. CONUS Incidental Expenses are $5.00.

2. OCONUS Locality Incidental Expenses are the rate when the TDY is not on a U.S.
installation. If the AO determines that a reduced rate for incidental expenses is adequate, then the $3.50 may be authorized.

3. OCONUS Reduced Incidental Expenses ($3.50) are the rate when a traveler is assigned to a TDY at a U.S. installation and lodged in Government quarters, except for en route travel days. If the AO determines that the $3.50 is inadequate, then the OCONUS locality rate for incidental expenses may be authorized and stated on the travel authorization. This does not apply on any day the Service member is traveling.

020305. Occasional Meals or Occasional Lodging

Occasional meals or occasional lodging may be authorized or approved when a traveler must either purchase meals from commercial or nonappropriated funds (NAF) sources, or obtain lodging through commercial, Government, or NAF sources when per diem is not otherwise authorized.

A. Service Member. Occasional meals or occasional lodging may be authorized or approved when the Service member is:

1. Escorting an arms-control inspection team or its members. This applies within PDS limits, and only for a Service member escorting an arms-control inspection team or its members while engaged in activities related to the implementation of an arms-control treaty or agreement during the in-country period referenced in the treaty or agreement.

2. On TDY within the PDS local area, but outside the PDS limits.

3. Service members are traveling together with no or limited reimbursement.

4. On TDY or training duty aboard a ship.

5. On field duty.

6. A Service member (straggler) who is separated from others traveling together under a travel authorization directing no or limited reimbursement travel.

7. In Essential Unit Messing (EUM).

8. Hospitalized as an inpatient.

9. Part of the Senior Reserve Officers’ Training Corps (SROTC). Lodging and meal expenses are authorized or approved at a point of delay for an SROTC member traveling to or from field training or practice cruises and delayed through no personal fault at a location where neither Government quarters nor a Government dining facility is available.

B. Reimbursement Limitation

1. The lodging cost allowed is limited to the lodging portion of the locality per diem rate.

2. In special or unusual circumstances when the amounts claimed exceed the lodging portion of the locality per diem rate, the AO may authorize reimbursement for the actual cost of occasional lodging.
3. When a Service member is required to procure or retain unoccupied lodging or to procure or retain lodging at more than one location on any calendar day, dual-lodging reimbursement applies.

4. If the AO determines that a Service member is required to procure meals, then the reimbursement is the actual amount paid, limited to the PMR (no incidental expense), and based on the applicable locality per diem rate.

5. If more than one locality is involved on any given day, the PMR limit is based on the highest locality M&IE rate.

C. Civilian Employee

1. A civilian employee may be reimbursed expenses for occasional meals or occasional lodging expenses that the civilian employee must incur at a time when the meals or lodging are furnished without cost (or at nominal cost) for TDY of more than 12 hours.

2. When the traveler is not authorized per diem, but must purchase meals and lodging:
   a. The AO may authorize or approve reimbursement for the actual amount paid, up to the PMR (no incidental expenses) for meals, or for lodging up to the lodging portion of the locality per diem rate.
   b. The AO may authorize the actual expense allowance (AEA) if the actual meal expense is more than the PMR or the lodging cost exceeds the lodging portion of the locality per diem rate.

020306. Meal Ticket Maximum Rates

Meal tickets may be issued to Service members only as specifically authorized by the JTR. The current rates are on the DTMO Web site.

020307. AEA (Instead of Per Diem)

An AEA is a form of reimbursement that, in unusual circumstances, enables a TDY traveler to be reimbursed for actual and necessary expenses that exceed the maximum locality per diem rate. An AEA must be stated in the travel authorization when authorized in advance of travel. All travelers going to the same place at Government expense, at which AEA is authorized, should be treated the same if possible.

A. Maximum Amount. An AEA is the lesser of the two: actual expenses incurred or the AEA maximum amount. An AO may authorize or approve an AEA of up to 300% of the locality per diem rate (rounded to the next higher dollar). See computation example.

B. Computation

1. The AEA must not exceed the approved percentage of the maximum locality per diem rate. If AEA for lodging and M&IE exceeds the maximum locality AEA per diem rate, then decrease the M&IE AEA rate to the descending dollar and add the extra cents to the AEA lodging amount. The daily amount is not prorated for fractions of the day; however, the AO must review and approve expenses incurred and claimed for a fraction of the day.

2. The reimbursement method and daily maximum for the departure day from the PDS are
the same as for the first location where lodging is required. On the return day to the PDS, the same method and daily maximum applicable to the previous calendar day applies. Par. 020310 applies for reimbursement when return travel to the PDS requires two or more days.

3. Only one reimbursement method is authorized for each TDY location, except when one reimbursement is authorized for occasional meals and lodging. When a TDY involves travel to multiple locations with more than one daily maximum reimbursement during a single trip, the applicable rate or reimbursement method for each calendar day, beginning at 0001, is determined by the traveler’s status and TDY location at 2400 on that calendar day. See computation example.

4. When TDY is a special mission and non-deductible meals are available under special arrangements, AEA for such meals is limited to the charge for each meal or limited to the arranged charges for three meals per day.

C. Traveling to Disaster Area. An AEA is usually authorized on an individual trip basis. However, the DoD Component has authority, using the Secretarial Process, to issue a blanket AEA authorization to cover the AEA expenses of all travelers in a presidentially declared disaster or pandemic area.

D. Authority to Exceed 300%. In rare instances, OCONUS, more than 300% of lodging may be required.

1. Authority for a Service Member. In advance of travel, the AO must submit a request directly to the Per Diem, Travel, and Transportation Allowance Committee (PDTATAC), Chief at the
Chapter 2: Standard Travel and Transportation Allowances

address on the first page of the JTR. Requests must be addressed “ATTN: Policy & Regulations Branch” when submitted by U.S. Mail or fax, or with the subject “AEA REQUEST” for a request sent by e-mail. The Secretary concerned for specific classified missions OCONUS may authorize a Service member to receive AEA for lodging costs that exceed 300% of OCONUS per diem rates. This authority cannot be re-delegated.

2. Authority for a Civilian Employee. No authority in the Federal Travel Regulation (FTR) allows a civilian employee to be reimbursed more than 300% of AEA. The civilian employee may be authorized AEA for lodging only or lodging and M&IE, limited to the AEA maximum amount.

E. AEA Authorized for Lodging Only

1. Reimbursement of the actual cost of lodging, not to exceed the maximum amount authorized in the AEA, is allowed.

2. M&IE is paid at the locality per diem rate without itemization.

F. AEA Authorized for Lodging and M&IE

1. Reimbursement of actual costs for lodging, meals, and incidental expenses is allowed and itemization is required.

2. Items defined as incidental expenses (for example: baggage and hotel tips) that do not accrue on a daily basis are averaged over the days at the TDY location.

3. See computation example.

4. Reimbursement for Incidental Expenses may not exceed the Incidental Expense rates in par. 020304-F.

G. Duration of AEA. An AEA may be paid for the entire trip, during travel, or during a portion of the TDY. However, an AEA that is paid for M&IE applies by location for the entire TDY period at that location.

1. Departure Day. The reimbursement method and daily maximum for the departure day from the PDS is the same as for the first location where lodging is required.

2. Return Day. On the return day to the PDS, the same method and daily maximum applicable to the previous calendar day applies.

H. AEA Not Payable. An AEA may not be claimed for meals or lodging that is:

1. Included in a registration fee.

2. Procured at the traveler’s PDS or residence.

3. Purchased while at or en route to or from a nearby carrier terminal when travel begins or ends there. AEA also cannot be claimed when a meal is part of a transportation ticket price and is provided during the trip, but the traveler chooses to purchase a meal after leaving the airplane, train, bus, or ship.
020308. Reduced Per Diem

An AO should request reduced per diem when a per diem rate is more than the amount necessary, based on known lodging- or meal-cost reductions in effect due to prearrangements, special discounts, or other reasons. The AO must request and authorize reduced per diem before travel.

A. Authority to Reduce Per Diem

1. For a Service member, the authority to reduce a per diem rate rests with the DoD Component head or the Secretary concerned. These entities may only re-delegate it to the chief of a DoD Component headquarters or the Service bureau or staff agency.

2. For a civilian employee, only a DoD Component head may authorize a reduced per diem rate, except as otherwise specified in the JTR.

B. Requests for Reduced Per Diem

1. Reduced per diem rates may be requested for as low as zero and, once authorized, must be stated in the travel authorization. If a request is submitted and approved after travel begins, an amendment to the original travel authorization is made, and applies to a future period. The reduced per diem does not apply on en route travel days. An increase to the reduced per diem rate for a travel period that has been completed can only be approved on an AEA basis.

2. Submit requests for reduced per diem through the appropriate authority on the DTMO website. Requests must include the current lodging and meal costs, the traveler’s name, travel dates, the TDY location, the point of contact’s name and phone number for the request, and the recommended reduced per diem rate.

C. Exception for U.S. Coast Guard (USCG). USCG Service members assigned to detached duty at USCG stations (small), USCG Search and Rescue detachments, USCG air facilities, USCG auxiliary operation stations, and Operation Bahamas, Turks and Caicos may be paid 75% of the reduced M&IE, if any, prescribed for the site on travel days, if applicable.

020309. Trip Length As It Affects Per Diem

The length of a TDY trip has a major impact on the amount of per diem reimbursement.

*See par. 020311 for trips of 31 or more days. **Per diem payment for TDY of more than 12 hours but less than 24 hours may be taxable (IRS Rule 68-663 and 26 CFR § 1.162-2(a)). The civilian employee should verify possible state and local implications.

Note: Exception for U.S. Coast Guard. For the day travel ends (return day to the PDS, home, or authorized delay point), per diem is based on the M&IE applicable to the last TDY or authorized delay point whether or not overnight lodging was required.

020310. Lodging and M&IE Per Diem Calculation Rules

The calculation of per diem allowance for each day at a TDY location based on the actual amount paid for lodging, limited to a ceiling amount, plus an allowance for M&IE, the total limited to the applicable maximum per diem rate for the TDY location concerned.

A. Reimbursement While En Route from Home or PDS to TDY Location. Lodging reimbursement is based on the actual cost of lodging, limited to the lodging portion of the locality per diem rate at the TDY location or at the stopover. The M&IE for the departure day is 75% of the M&IE rate of the traveler’s stopover point or TDY location that night if lodging is used. If the traveler is traveling overnight and does not use lodging, the M&IE rate is based on the rate at the next destination.

B. Reimbursement at Stopover Points. A stopover point is necessary when travel is for more than 1 day. That generally means that lodging is required. Lodging at the stopover point does not include sleeping in the transportation terminal. Per diem at a stopover point is based on the locality per diem rate at the stopover. See computation example.

C. Reimbursement at the TDY Location. For each full day, a traveler receives the actual cost of lodging limited to the lodging portion of the locality per diem rate of the stopover point or TDY location
Chapter 2: Standard Travel and Transportation Allowances

at 2400 hours, plus the applicable M&IE rate. If lodging is required for a TDY that lasts more than 12 hours, but less than 24 hours, then reimbursement is for the actual cost of lodging, limited to the lodging portion of the locality per diem rate plus 75% of the M&IE rate. A meal provided by a friend or relative or by a commercial company on an airplane, train, bus, or ship does not affect per diem. A complimentary meal provided by a lodging establishment does not affect per diem as long as the room charge is the same with or without meals.

D. Reimbursement While En Route between TDY Locations. When a traveler departs one TDY location and goes to another, the M&IE rate is 100% based on the traveler’s new TDY location (or stopover point, if lodging is used). If the traveler is traveling overnight and does not use lodging, the M&IE rate is based on the new TDY location.

E. Reimbursement While En Route from TDY Location to Home or PDS. Lodging reimbursement for a stopover point en route to the home or PDS is based on the actual cost of lodging, limited to the lodging portion of the locality per diem at the stopover point.

1. The M&IE for the return day to the PDS is 75% of the M&IE rate for the preceding day (whether that day was spent at the last TDY location or at a stopover point, if lodging was used). Any TDY locations en route on the day travel ends do not affect the M&IE rate for that return day to the PDS or home.

2. For U.S. Coast Guard Service members, the per diem is based on the M&IE applicable to the last TDY or authorized delay point the day travel ends (return day to the PDS, home, or authorized delay point), whether or not overnight lodging was required there.

020311. Flat-Rate Per Diem Reimbursement during a TDY

Flat-rate per diem applies when a traveler is assigned on a long-term TDY at one location for more than 30 days. It is a percentage of the locality per diem rate and the percentage amount depends on the length of the TDY specified in the travel authorization. The lodging portion of flat-rate per diem only applies when a traveler actually incurs a cost for suitable commercial lodging. The reduced flat rate applies to the day of arrival through the day prior to departure. This applies to both lodging and M&IE. However, if the traveler departs from the PDS and arrives at the TDY location on the same day the 75% will apply to the M&IE. This rate may not be further reduced. The provisions of par. 020303-G do not apply under flat-rate per diem because they are part of the lodging portion of the flat rate.

A. Compute the Flat Rate. Apply the appropriate percentage rate to the local per diem rate in accordance with the rules listed in Table 2-21. Compute flat-rate per diem beginning on the day after arrival at the TDY point. Flat-rate per diem ends at 2400 on the day before the day of departure from the TDY location.

B. Lodging Reservations. A traveler ordered on a long-term TDY who is authorized a flat-rate per diem, but who cannot personally arrange suitable commercial lodging through the electronic travel system must contact the TMC for assistance.

C. Retain Proof of Lodging. Lodging receipts are not required for reimbursement of flat-rate per diem, but proof that lodging costs were incurred may be required to be shown to the AO. Documents that are not receipts, (e.g., a signed lease, GTCC statements, or canceled checks) can substitute as proof of lodging costs. Expenses for retained lodging (actual cost) during an authorized absence may be reimbursed as a miscellaneous expense, limited to the lodging portion of the flat-rate per diem allowance, and receipts are required.
D. Lodging Taxes. Lodging taxes may be separately reimbursed in the CONUS and non-foreign locations OCONUS unless the combined cost of the lodging and taxes is less than the lodging portion of the flat-rate per diem. In that case, the total combined cost is reimbursed. Lodging receipts are required when reimbursing lodging taxes separately. See computation example 1 and computation example 2.

E. Flat-Rate Per Diem not Reducible. The flat rate may not be reduced further even if the actual lodging costs incurred are less than the lodging portion of the flat-rate per diem, unless Government quarters and meals are available or the Secretary concerned reduces it to a lower rate.

</table>

*Authority may not be delegated below the three-star flag officer at a deputy or vice commander level. Full M&IE per diem may be authorized through the Secretarial Process, in advance, for a traveler not located in the CCMD or JTF commander’s area of responsibility. **Authority may not be delegated below the three-star General Officer or Flag Officer (or civilian employee equivalent) deputy or vice commander level. A traveler who requests reimbursement in excess of the authorized flat-rate M&IE must provide receipts to substantiate claims for actual expenses unless itemized charges are documented through the use of the GTCC, used in accordance with the Travel and Transportation Reform Act of 1998. The same authority that authorizes or approves actual expenses may waive this receipt requirement when they personally certify that requiring travelers to submit receipts negatively affects mission performance or creates an undue administrative burden. All authorizations for payment of actual costs for M&IE for TDYs more than 30 days must be reported to the PDTATAC, Chief.

F. Advance Authorization for Full M&IE Not Possible. There are times when conditions necessitating full locality M&IE are not known in advance, and advance authorization is not possible. In such cases, the authorization for payment of full M&IE may include approval for payment of the actual expenses for meals and incidentals expenses, up to the locality rate, for days prior to the authorization for payment of the locality M&IE per diem.

G. Flat-Rate Per Diem and TDY Days Reduced. A traveler on long-term TDY receiving flat-rate per diem normally makes long-term arrangements with a lodging establishment. When the TDY duration is reduced, some lodging establishments increase the lodging rate because the traveler has reduced the length of the stay. When such an increase occurs, the flat-rate per diem still applies. However, any excess lodging costs over the amount allowed for the lodging portion of the flat rate are considered to be
penalties and cancellation fees, and are reimbursed as a miscellaneous reimbursable expense. The total reimbursement for lodging costs (the flat-rate lodging amount plus the excess portion of lodging claimed as a miscellaneous reimbursable expense) is limited to the lodging portion of the locality per diem rate for the TDY location. The M&IE portion of per diem remains at the flat-rate per diem amount.

H. Required Report to PDTATAC, Chief. All authorized payments of full M&IE for 31 days or more must be reported to the PDTATAC, Chief. The authorizing CCMD or Service must report each occurrence, to include the TDY dates for which the M&IE portion of the locality per diem rate is required, any unclassified site locations, the average cost of M&IE, and the number of personnel affected. Reports go to the PDTATAC, Chief at the mailing address or fax number on the title page of this publication, or at dodhra.mc-alex.dm.mbx.pdtaac-staff@mail.mil.

I. M&IE Portion of Flat Rate Per Diem is Exempt. The locations in Table 2-22 are deemed so remote that the traveler has very limited access to a food source for meals. The cost of meals exceeds the meals portion of the flat-rate per diem.

020312. Return to Permanent Duty Station (PDS) During Long-Term TDY

Long-term TDY means continuous travel for 31 days or more (other than deployment). For purposes of this provision, the return to the PDS location must be accomplished on non-duty days or during non-duty hours. Any expenses greater than what is allowed are the traveler’s responsibility. The return must be either to the PDS location or to the place from which a traveler commute daily to the PDS location. There are two types of returns to the PDS location:

A. Authorized Returns

1. Authorized returns must be authorized in the travel authorization.

2. Allowance is for the round-trip cost of transportation and per diem between the TDY location and the PDS location. No per diem is payable at the PDS location.

3. The AO may authorize or approve lodging retained at the TDY location during the authorized return as mission essential if the reasons for retaining the lodging are reasonable, necessary, and not merely for the traveler’s convenience. Retained lodging is paid as a reimbursable expense, limited to the lodging portion of the locality per diem rate. When flat rate is paid at the TDY location, the actual out-of-pocket expense, limited to the lodging portion of the reduced flat-rate, is paid as a reimbursable expense.

Note: Periodic return travel to the PDS is not authorized for U.S. Coast Guard Service members.

B. Voluntary Returns. A TDY traveler may voluntarily return to the PDS or residence from which the traveler commutes daily to the PDS during non-duty hours or authorized leave periods.
1. No per diem or AEA is payable while at the PDS.

2. Reimbursement is for the lesser of these two: round-trip cost of the transportation used, plus the en route per diem, or what it would have cost had the traveler remained at the TDY location.

3. Lodging taxes are not included in the constructed cost when the TDY location is in the CONUS or a non-foreign location OCONUS because the taxes are reimbursable expenses and not part of lodging.

4. If the TDY location is in a foreign area, then lodging taxes are included in the computation because they are part of the lodging cost and not separately reimbursable.

5. For exceptions allowing retained lodging at the TDY location during voluntary returns, see Chapter 3, Part C and Chapter 6.

020313. Tax Impact of TDY Travel on a Civilian Employee

Long-term TDY may impact a civilian employee’s taxes when the duration of TDY travel at one location is more than 365 consecutive days. Although the Government may consider this TDY travel, the Internal Revenue Service (IRS) may consider TDY of this duration as permanent and any travel and transportation allowances associated with that TDY as taxable income.

A. TDY Changes. If a TDY is expected to last less than one year, but the expectation changes some time during the TDY so that the TDY is anticipated to last more than one year, then the IRS may treat that TDY as temporary until the date that the expectation changed. Allowances from that date forward at that location become taxable income. Allowances received before the expectation changed are not taxable (see CBCA 2594-TRAV April 13, 2012).

B. Breaks Between TDYs. There must be a 7-month break between TDYs at one location to stop the IRS 365-day clock. When a TDY lasts less than 1 year at one location and the civilian employee returns to the PDS and then returns to the same TDY location for another TDY, allowances for the second TDY may become taxable. The IRS may consider the second TDY a continuation of the first TDY if at least 7 months have not elapsed since the first TDY ended.

C. Income Tax Reimbursement Allowance for Civilians (ITRA). A civilian employee may partially offset the additional Federal, state, and local income tax liabilities that result from official travel through eligibility for an ITRA. The ITRA will not reimburse a civilian employee for the full amount of the tax liability, as it takes into account only income taxes. The ITRA does not compensate for employment taxes (Federal Insurance Contributions Act or Medicare) on these amounts.

D. AOs Must Advise a Civilian Employee. An AO must advise each civilian employee of the potential obligations for additional income tax if a TDY is expected to fall within possible taxable time frames. State tax rules differ by state and locality. The AO should advise each civilian employee to consult a tax expert for guidance on the tax impact on specific situations. See the Federal Travel Regulation, Section 301-11.604, for ITRA details.

E. Agency Liability. An AO must be aware that the Agency may be liable for the Agency portion of employment taxes related to the civilian employee’s TDY travel.
020314. Impact of the International Date Line (IDL) on Per Diem

The IDL is an imaginary line along the 180th meridian where each calendar day begins. Thus, when it is Thursday east of the IDL, it is Friday west of the IDL.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

020315. Other Circumstances Impacting a Traveler’s Per Diem

A. Hospitalization. A traveler who is an inpatient is not authorized per diem reimbursements during hospitalization except for specific circumstances. See Chapter 3, Part D for rules regarding inpatient and outpatient treatment.

B. Traveler Dies or Goes Missing While in a TDY Status. A traveler is authorized transportation and per diem through the end of the calendar day of the death. A traveler who is determined to be missing under the Missing Persons Act is authorized per diem through the end of the calendar day on which the traveler was declared missing (44 Comp. Gen. 657 (1965)).

C. Personnel Are Traveling Together and Travel Authorization Directs Limited or No Per Diem Reimbursement. The AO may direct personnel to travel together away from the PDS because the mission requires them to remain together, not just because it saves money. Per diem is not authorized, even at a reduced rate, on travel days when personnel are traveling together; the travel authorization directs limited or no reimbursement; and transportation, food, and lodging expenses are provided without costs to travelers.

1. The AO may authorize occasional meals and lodging when traveling, not at the TDY location.

2. The rules on personnel traveling together begin when a traveler departs the PDS location and end at 2400 on the day that a traveler arrives at the TDY location. Then, it begins again at 0001 on the day that a traveler departs the TDY location and ends when the traveler returns to the PDS location. A civilian employee pays the food cost and operating expenses (surcharge) and is authorized reimbursement only for the food cost.

D. Per Diem Payment During Field Duty. Field duty is a specific status normally associated with war games and field exercises, and is so directed in the travel authorization. During field duty, the Government provides lodging and meals to the traveler. The lodging may be non-transient barracks or tents, and the meals may be field rations.

1. Per diem is not authorized for a Service member in a field-duty status or for a civilian employee providing noncombatant support, or while accompanying, a military unit that is on designated field duty. However, the senior commander in charge of an exercise, or a designee, may authorize per diem reimbursement if lodging is not available without charge or meals are not available without charge for an enlisted Service member. The Secretary concerned authorizes payment of per diem, including reduced per diem.
2. If a civilian employee pays the discounted GMR for meals consumed in a dining facility while on field duty or for field rations, then the civilian employee may be reimbursed the actual costs incurred. The AO may authorize occasional meals and lodging expenses when needed.

3. The field-duty rules on per diem begin 0001 on the day after arrival and end at 2400 on the day before the field-duty status ends.

4. The Secretary concerned may authorize a lower per diem for a Service member on field duty deployed OCONUS away from the PDS. The authorized rate is paid instead of the prescribed per diem rate and may be paid while the Service member is in field duty. The total per diem paid during the entire period is about equal to the per diem that would have been paid for the time not in a field duty status. The Secretary concerned may delegate the authority to a Department headquarters, bureau or staff agency chief, or Naval Systems Headquarters commander with no further delegation. When authorized, the reduced per diem rate is paid regardless of the location OCONUS.

E. Essential Unit Messing (EUM) for Meals. EUM refers to using the Government dining facility as a unit or group, and cannot be applied to an individual traveler. It may be required for operational deployments or training for certain courses, when the Secretary concerned, the Combatant Commander, or the Joint Task Force (JTF) Commander determines that it is essential for accomplishing training and readiness or is necessary for military operations.

1. EUM applies to organizational units, operational elements, operational deployments, or detachments. When EUM has been established, the Government provides meals to a Service member, and the M&IE is reduced to only the applicable incidental expenses. The AO may authorize occasional meals and lodging when necessary.

2. A civilian employee, when in EUM and in a training status, may receive the discount GMR. The civilian employee in EUM while supporting an operational deployment or contingency operation receives the incidental expenses portion of per diem and the discount GMR.

3. The rules on paying per diem for meals during EUM begin at 0001 on the day after arrival or the first full EUM day and end at 2400 on the day before EUM ends.

F. Per Diem While Aboard a Government Ship. Per diem for the arrival day on board and departure day are based on the port rates. Per diem is not authorized on the days of arrival and departure from the ship, if the port is the traveler’s PDS and meals are furnished with or without charge. The traveler is not charged lodging costs on a Government ship. If a traveler must retain lodging at the same or prior TDY location, then the actual daily lodging cost is paid, not to exceed the locality lodging per diem ceiling for the TDY location ashore.

1. A Service member TDY aboard a ship is provided meals with or without charge, and is ineligible for per diem beginning at 0001 on the day after arrival through 2400 on the day before departing the ship.

2. If a civilian employee pays for meals aboard a Government ship, the current GMR is paid for each meal, unless the AO authorizes a different special rate. If the GMR is payable, reimbursement commences at 0001 on the day after arrival and terminates at 2400 on the day before the time aboard the ship ends.

3. If a civilian employee performs TDY ashore and is authorized to procure lodging and meals at personal expense, then the civilian employee may be reimbursed up to the maximum locality per diem rate.
G. **Per Diem for TDY on a Foreign (Non-Government) Ship or TDY on a Ship Constructed by a Commercial Contractor (Acceptance Trials Before Commissioning).** A Service member is not authorized per diem when the Government furnishes both quarters and all meals without charge.

1. If a Service member is required to retain lodging at the same or prior TDY location, then dual lodging is authorized in accordance with JTR rules.

2. The rules on paying per diem on a foreign ship, or a ship constructed by a commercial contractor, begins at 0001 on the day after arrival and ends at 2400 on the day before the status ends.

H. **Per Diem While Traveling on a Commercial Ship for Travel of 24 or More Hours (Excludes Oceangoing Ferry).** Per diem is based on the port’s location for the arrival and departure days. A traveler is not authorized reimbursement for meals if they are furnished without charge or included as part of the accommodations.

1. A traveler is authorized reimbursement for meals equal to the furnished meal cost and the AO must set the meals portion of per diem equal to the anticipated expenses and indicate the circumstances warranting the rate.

2. If the AO establishes a per diem rate payable for travel of 24 or more hours on a commercial ship, the per diem commences at 0001 on the day after arrival and terminates at 2400 on the day before the status ends.

I. **TDY In Connection with Fitting-out or Conversion of a Ship or Service Craft.** Per diem is authorized for a Service member during each fitting-out or conversion period. This period includes the day the ship is commissioned or service craft is placed in-service, and the day the ship is decommissioned or service craft is placed out of service. Per diem ends on the day the Service member’s assignment is changed from either of the following:

1. TDY in connection with fitting-out or conversion of a ship or service craft to permanent duty aboard that ship or service craft.

2. Permanent duty aboard the ship in connection with ship decommissioning or placement of the service craft out of service changes, even if that status change takes place before the ship commissioning or decommissioning or before the date the service craft is placed in or out of service.

J. **Per Diem While Traveling on a Car Ferry.** If lodging on the car ferry is not required, then the M&IE while on the ferry is the rate applicable to traveler’s location at 2400 on the day departing the ferry. If lodging is required, then:

1. Reimbursement for required accommodations is authorized unless included in the ferry transportation cost.

2. The daily per diem rate for the arrival day on the ferry through the day before the departure day from the ferry is equal to the highest CONUS M&IE rate.

3. On the departure day from the ferry, the M&IE rate is the rate applicable to the traveler’s location at 2400 on that day.

K. **Per Diem Not Allowed During Permissive TDY.** Permissive TDY is TDY at no cost to the Government. See DoDFMR, Vol. 9 for more information.
L. **Per Diem When Lodging and Meals Procured Under Contract.** A contracting officer may contract for rooms and or meals for a traveler on TDY, or a group of travelers. The total daily amount the Government pays for a traveler’s lodging and M&IE is limited to the applicable locality per diem rate for the location concerned or the authorized or approved AEA limit. When lodging and meals are contracted, reimbursement is limited to the incidental expense portion of per diem and is not authorized for other items or services paid for by a traveler.

M. **Per Diem When Delaying Return Travel to Use Reduced Travel Fares.** When the traveler elects to stay at a TDY location longer than required by the assignment to qualify for reduced transportation fares and the AO authorizes or approves the action, per diem or AEA for the additional time may be paid if both of the following conditions are met:

1. The delay does not extend the TDY time beyond the time when the traveler is required to be back at work at the PDS (B-192364, February 15, 1979; B-169024, May 5, 1970).
2. The delay does not exceed the cost of travel as originally planned.

N. **Travel on a Non-workday to a Location Other than the PDS.** A traveler is authorized per diem on a non-duty or non-workday away from a TDY site at a location other than the residence or PDS for personal reasons. Transportation costs are not authorized and the per diem is limited to the amount the traveler would have received at the TDY site. See par. 033301 for effect of leave or administrative absence on per diem.

O. **Allowances When a TDY Is Abandoned.** When a civilian employee abandons a TDY for personal reasons acceptable to the AO, either before reporting to the TDY location or before the assignment is complete, then only travel and transportation allowances to the abandonment point are allowed. If the personal reasons are unacceptable to the AO, then no travel and transportation allowances are authorized. Costs to return to the PDS are the civilian employee’s responsibility unless the civilian employee completed the TDY.

P. **Brief Stay in the PDS Vicinity during a TDY**

1. A civilian employee traveling between TDY locations who has to stop at the PDS airport in connection with the transportation and remain overnight at a hotel instead of going home or going to the workplace may be eligible for travel allowances. The stay at the PDS vicinity is due to circumstances beyond the traveler’s control and not for the traveler’s convenience (GSBCA 16144-TRAV, November 14, 2003).
2. Per diem must be paid as specified in Section 0203.

Q. **TDY Location Becomes PDS**

1. **Service Member.** When a Service member is on TDY and receives a PCS order that makes the TDY location the Service member’s new PDS, the impact on travel allowances is as follows (for travel to the new PDS, see Chapter 5):

   a. If the change is effective immediately, per diem at the TDY location stops effective on the day the Service member receives the PCS order.
   b. If the change is effective on a specified future date, per diem continues for the TDY involved and the return to the old PDS.
2. **Civilian Employee**

   a. Whenever possible, coordinate the civilian employee’s TDY with the notice about a change to the PDS so that the civilian employee has time to return to the old PDS from the TDY location. This allows the civilian employee time to arrange for a residence sale, dependent and household goods (HHG) transportation, and travel to the new PDS in time to report for duty on the PCS effective date.

   b. Payment of per diem stops on the date the civilian employee receives notice that the TDY location becomes the PDS, unless he or she is performing a TDY at the new PDS before the transfer is effective. In such case, per diem is paid and the TDY is terminated by a return to the old PDS, where the civilian employee performs substantial duty.

      (1) The civilian employee is authorized PCS allowances if the transfer is in the Government’s interest. See Chapter 5 for PCS allowances.

      (2) If the PDS change is effective at some specific future date, and the civilian employee completes the TDY and returns to the old PDS before the PCS effective date, then return transportation and en route per diem are at TDY rates under the TDY order. The civilian employee and dependents are then eligible for PCS transportation and per diem from the old PDS to the new PDS under the PCS order. See Chapter 5 for PCS allowances.

      (3) If the PDS change is effective immediately, or if the civilian employee completes the TDY and returns to the old PDS after the effective date of the PCS orders, then transportation and per diem from the TDY location to the old PDS are at the PCS transportation and per diem rates under the PCS order. The civilian employee and dependents are then eligible for PCS travel from the old PDS to the new PDS, also under the PCS order. See Chapter 5 for PCS allowances.

      (4) When the civilian employee returns to the old PDS from the TDY location that becomes the new PDS, no per diem is payable at the old PDS, regardless of whether the return is before or after the effective date of the PCS order.

R. **Return to PDS Directed During Non-Workdays.** The AO may require a traveler to return to the PDS for non-workdays provided the conditions below are met:

1. Expense for round-trip transportation and per diem or AEA en route is less than the per diem or AEA that would have been paid had the traveler remained at the TDY location.

2. The last workday at the TDY location before returning to the PDS is not adversely affected.

3. The first workday at the TDY location after return from the PDS is not adversely affected.

4. The travel authorization states the traveler must return to the PDS for non-workdays.

S. **Navigational Proficiency Flights.** A Service member is not authorized per diem for a navigational proficiency flight when the flight is authorized or approved at the Service member’s request.

0205 SHIPMENT AND STORAGE OF HHG WHILE ON TDY

020501. Shipment of HHG by a Service Member

A. Eligibility. A Service member who is on TDY for 31 or more days may be eligible for travel allowances to ship HHG.

B. Allowances. Service members must comply with the limitations on weight and transportation for shipping HHG.

1. TDY Weight Allowances

   a. The AO may authorize or approve shipment of HHG up to the weight allowance in Table 2-25 designated for the Service member’s grade. In addition to the HHG weights authorized in Table 2-25, the AO may also authorize shipment of professional books, papers and equipment or required medical equipment as specified in par. 051304.

      (1) The Service member’s grade on the day travel begins determines which weight allowance is allowed. If the travel authorization is amended, modified, canceled, or revoked, HHG must be transported to the proper destination at Government expense (see par. 051302).

      (2) On a case-by-case basis, the Secretary concerned may authorize a higher TDY HHG weight allowance, up to 1,000 pounds, for a Service member below grade O-7. The higher weight allowance may be authorized when failure to increase the TDY weight allowance would create a significant hardship for Service member.

         (a) The TDY HHG shipment is in addition to, and does not include the weight of, any authorized unaccompanied baggage or any accompanied baggage included on a passenger transportation ticket.

         (b) The weight of the TDY HHG is the actual unpacked and uncrated weight. The Transportation Officer should establish this weight before packing if possible. For details on determining the net shipping weight of HHG, see par. 0514.

         (c) When a Service member is ordered from a TDY location to a new PDS, or when a TDY location becomes the new PDS, the weight of the TDY HHG shipment allowed is in addition to any weight allowance for PCS HHG shipments.

*The Secretarial Process may authorize additional weight, up to 2,000 lbs. (up to 4,000 lbs. total), for the Chiefs of Staff, U.S. Air Force and U.S. Army, the Chief of Naval Operations, the Commandant of the Marine Corps, and the Commandant of the Coast Guard.

**A Service member selected as Senior Enlisted Advisor to the Chairman of the Joint Chiefs of Staff, Sergeant Major of the Army, Master Chief Petty Officer of the Navy, Master Chief Petty Officer of the Coast Guard, Chief Master Sergeant of the Air Force, Sergeant Major of the Marine Corps, or Senior Enlisted Advisor to the National Guard Bureau, who requires a TDY HHG weight allowance, is authorized 800 lbs. for a TDY order issued on or after receiving notice of selection to that position and for the remainder of the Service member’s military career.

2. **PCS Weight Allowance for Shipping HHG during TDY**

   a. For the following situations, the Service member’s PCS weight allowance as specified in Table 5-37, may be shipped, in addition to the authorized or approved TDY shipment of HHG in Table 2-25. Circumstances and locations warranting the addition of the PCS HHG weight allowance to the TDY HHG shipment are the following:

   (1) A PCS with TDY en route (see par. 052007).

   (2) Orders directing a TDY with no return to the PDS, or directing the TDY pending further assignment. If the Service member is required to vacate Government quarters, then HHG may be either packed and moved from the Government quarters to private sector housing in the old PDS vicinity, or placed in non-temporary storage (NTS) under par. 020503.

   (3) When a travel authorization for a TDY does not specify the duration and Section 0312 (ITDY) applies.

   (4) TDY performed under an order pending a PCS to a PDS OCONUS. HHG may be shipped to any combination of the following locations:

   (a) PDS OCONUS.

   (b) Any location in the CONUS that the Service member specifies.
(c) An NTS location (see par. 020503).

b. For a TDY under an order pending a PCS assignment to a ship, the following apply:

(1) Other than a PCS assignment to a ship described as “unusually arduous sea duty” or considered as possible or likely to be at sea for a year or longer. PCS HHG weight allowances are authorized as specified in Table 5-37 and par. 0514. HHG may be transported to a combination of the following:

(a) The ship’s home port.

(b) From Government quarters to private sector housing in the old PDS vicinity if required to vacate Government quarters.

(c) NTS identified in par. 020503.

(2) When a PCS assignment is described as “unusually arduous sea duty” or considered as possible or likely to be at sea continuously for a year or longer. PCS HHG weight allowances are authorized as specified in Table 5-37 and par. 0514. The designation of a ship, unit, or afloat staff as “unusually arduous sea duty” must be specified in writing through the Secretarial Process. HHG may be transported to any combination of the following:

(a) The duty station OCONUS.

(b) Any location in the CONUS the Service member specifies.

(c) NTS identified in par. 020503.

c. A Service member on a TDY order in connection with building, fitting out, converting, or reactivating a ship is authorized PCS HHG weight allowances as specified in Table 5-37 and par. 0514 if the TDY order directs duty on board when the ship is commissioned. The destination options for where to transport HHG depend on whether the sea duty is unusually arduous. If the sea duty:

(1) Is not specified as “unusually arduous,” then HHG may be transported to a combination of the ship’s home port and NTS under par. 020503.

(2) Is specified as “unusually arduous” or considered as possible or likely to be at sea continuously for a year or longer, then HHG may be transported to a combination of any location in the CONUS the Service member specifies and NTS under par. 020503.

3. Transportation

a. The transportation methods in pars. 051403 and 0515 apply.

b. A Service member on a TDY order may ship HHG anywhere if the origin is the TDY location or from anywhere if the destination is the TDY location. However, the reimbursement is limited to what it would have cost to ship the HHG between these authorized points:

(1) From the PDS (or home or PLEAD for an RC member) to the TDY location.

(2) TDY location to TDY location.
(3) From the last TDY location to the old or new PDS (see par. 051002 for a Service member released or separated from active duty from the TDY location). If the TDY is pursuant to an order directing no return to the PDS, pending further assignment, indeterminate TDY, or in connection with a PCS, see pars. 020501-B2a(1), 020501-B2a (2), and 020501-B2a (3) for locations between which shipment is authorized.

c. HHG not authorized or approved for transportation, or not within the Service member’s TDY weight allowance must not be transported with authorized HHG. The Service member must arrange separate transportation of such articles at personal expense. If a HHG shipment at Government expense is discovered to include unauthorized articles, then the Service member is financially responsible for reimbursing the Government all costs expended to transport the unauthorized articles. If the cost of the articles improperly transported cannot be established, see par. 051306-D.

d. Service regulations may restrict the type of HHG shipped to a TDY location based on unusual circumstances, such as local customs, laws, or military necessity of the mission. Any restrictions or limits on the content of the HHG authorized for shipment must be stated on the travel authorization.

C. Lost or Destroyed HHG

1. When an original HHG shipped while on TDY is destroyed or lost during transport, through no fault of the Service member, a replacement shipment within the authorized weight allowance may be made at Government expense (68 Comp. Gen. 143 (1988)).

2. A designated Service representative may authorize or approve forwarding an authorized HHG shipment while on TDY to the proper destination when, through no fault of the Service member, the HHG shipment is misdirected or otherwise separated from the Service member.

020502. Storage in Transit and Special Storage of HHG by a Service Member

HHG storage for a Service member may be authorized as either storage in transit (SIT) or special storage.

A. Storage in Transit (SIT) Eligibility. A Service-designated official may authorize or approve SIT as necessary for reasons beyond the Service member’s control if the Service member is either on a PCS with a TDY or deployment en route or is on a TDY or deployment for 90 days or less.

B. SIT Allowances. The Service member’s HHG, up to the TDY weight allowance, may be placed in SIT.

Note: See Chapter 5 when HHG are in SIT and the Service member is on a PCS with deployment or TDY for 91 or more days, or for an indefinite period.

C. Special Storage Eligibility

1. Active-duty Service Member. The Secretarial Process may authorize or approve special storage when a Service member is on a TDY or deployment for 91 or more days, or an indefinite period, and no PCS is involved.

2. RC Member. The Secretarial Process may authorize or approve special storage for an RC member who is called or ordered to active duty under emergency or extenuating circumstances for
reasons other than training and who is ordered to a TDY for any length of time or to a deployment.

D. Special Storage Allowances. The Service member’s HHG, up to the PCS weight allowance, may be placed in special storage when authorized or approved. Storage costs include shipment, drayage, packing, crating, unpacking, and uncrating necessary to place HHG into or remove them from a storage facility. See Chapter 5 for storage facility selection. Special storage cannot be authorized or approved for a Service member who is authorized a “home of selection” allowance and has HHG in NTS when recalled to active duty.

E. Storage after TDY or Deployment. HHG storage may continue for up to 90 days after the TDY or until deployment is completed. Extensions to this 90-day period may be authorized in accordance with par. 0518-A.

020503. NTS by a Service Member

A. NTS Eligibility. NTS is authorized only when a Service member is ordered on a PCS with TDY en route or while on a TDY in the situations listed in Table 2-26.

B. NTS Allowances. NTS begins on the day the travel authorization is issued and continues for as long as any of the situations in Table 2-26 exist. NTS may continue for 90 days or less after the TDY or until deployment is completed. Extensions to this 90-day period may be authorized in accordance with par. 0518-B.

For more information about the above situations, see par. 020501-B2* and Section 0312**.

020504. Removal of HHG from Storage by a Service Member

A. Delivery out of Storage. Delivery of HHG out of storage is authorized at Government expense as long as the travel authorization and the transportation allowances are valid, regardless of the length of time in storage. This includes shipments that have been converted to storage at the Service member’s expense.

B. HHG Shipment after Storage. When applicable, HHG may be shipped to any point in the CONUS in accordance with par. 052002. HHG stored as specified in par. 0518-A or under one of the following conditions may be transported to any subsequent PDS:

1. A TDY order that is without return to a PDS or pending further assignment.

2. A TDY order pending assignment to a location OCONUS or to a ship.
3. An ITDY order.

020505. Shipment of HHG by a Civilian Employee on TDY

A. Eligibility. A civilian employee on TDY for 31 days or more may be authorized or approved unaccompanied baggage. No other HHG shipment is authorized in connection with a long-term assignment treated as a TDY.

Note: For a civilian employee on a TDY lasting between 6 months and 30 months that is treated as a temporary change of station, see Chapter 5.

B. Allowance. The unaccompanied baggage weight limit is 350 pounds. Unaccompanied baggage is limited to additional clothing, personal effects, and equipment directly related to the mission, locality, or unusual conditions of the TDY. No authorization exists for excess accompanied baggage when unaccompanied baggage is authorized.

0206 TRAVEL IN AND AROUND THE PDS

The DoD installation, base, or senior commanders must establish, in a written directive, the local area within which DoD travelers are eligible for reimbursement, even if they come from different commands, units, installations, or Agencies (59 Comp. Gen. 397 (1980)). If the activity does not have a senior commander or is not located on a military installation, then the senior official determines the local area for that PDS location. The “local area” is defined as the area within the PDS limits and the metropolitan area around the PDS served by the local public transit systems; the local commuting area as determined by the AO or local Service or DoD Agency; and the separate cities, towns, or installations among which the public commutes on a daily basis. An arbitrary distance radius must not be defined for the local commuting area.

020601. TDY within the PDS Local Area but outside the PDS Limits

A. Eligibility. A Service member or civilian employee who requires overnight lodging in the PDS area to perform a TDY in the vicinity of, but outside the PDS limits may be eligible for travel allowances.

B. Allowances

1. Transportation. The AO may authorize the transportation selected in accordance with par. 020203 and reimbursement of the transportation expenses as specified in Chapter 2.

2. Per Diem

   a. The AO may authorize per diem (see Table 2-27) if the travel period is more than 12 consecutive hours and overnight lodging is required.

   b. Per diem is not authorized for a TDY performed outside the PDS limits even if it is in the vicinity of the PDS, unless overnight lodging is required.
020602. TDY within the PDS Limits under Emergency Circumstances

A. Eligibility

1. A traveler delayed in the PDS vicinity because of unavoidable weather-related circumstances beyond the traveler’s control, such as a hurricane or snow storm, that cause a transportation delay after returning from a TDY may be eligible for travel allowances (CBCA 2371-TRAV, May 18, 2011).

2. Competent authority may authorize travel and transportation allowances for a Service member who performs duty under all of the following circumstances:
   a. During emergencies that threaten injury to human life or damage to Federal Government property.
   b. At a location within the PDS limits.
   c. At other than at the Service member’s residence or normal duty location.
   d. At overnight accommodations used for duty.

B. Allowances

1. See Section 0202 for transportation allowances.

2. Per diem is payable in connection with eligible transportation delays at the PDS (CBCA 2371-TRAV, May 18, 2011) in accordance with par. 020310.

020603. Travel within the PDS Local Area

See par. 020315 for stops at the PDS airport between TDY locations.

A. Eligibility. Service member or civilian employee who travels in the local area of the PDS on official business may be eligible for the travel allowances.

B. Allowances

1. Transportation

   a. The AO may authorize or approve reimbursement for transportation expenses incurred in the PDS area for travel during official duty hours:
      (1) Between either the office or duty point and another place of business.
      (2) Between places of business.
      (3) Between the residence and place of business other than the office or duty point.

   b. Commercial transportation reimbursement is authorized or approved only if the expenses incurred for travel exceed the expenses ordinarily incurred when the traveler commutes to the
PDS workplace (see computation example 1, computation example 2, and computation example 3). Reimbursement is for actual and necessary expenses that exceed the everyday cost incurred for:

(1) Local public transit when tokens, tickets, or cash fares are not provided.

(2) Taxi fares.

(3) Hire and operation of a rental vehicle, including necessary parking fees.

c. Travel by a POV may not be directed, but may be permitted. Reimbursements are made only to the traveler responsible for the POV’s operating expenses regardless of the number of passengers or which passenger contributes funds to defray the POV’s operating expenses. When a POV is authorized or approved, reimbursement is for:

(1) Mileage based on the vehicle’s odometer readings.

   (a) If the traveler ordinarily uses a POV to travel to and from the residence and POV travel is authorized or approved between the residence or the PDS, and one or more alternate work sites within the local area, the TDY mileage rate is reimbursed for the distance that exceeds the normal commuting distance. See computation example 1 and computation example 2.

   (b) If the traveler does not ordinarily travel by POV to and from home, and POV travel is authorized or approved between the residence or the PDS, and one or more alternate work sites within the local area, TDY mileage is reimbursed for the distance driven, less the traveler’s ordinary transportation cost to get to work and back to the residence.

(2) Actual cost for parking fees; ferry fares; and bridge, road, and tunnel tolls, as well as for mandatory trip insurance for travel in foreign countries.

d. If a POV and public transportation are authorized or approved for travel between the residence and one or more alternate work sites within the local area, the traveler is reimbursed all of the following:

(1) The TDY mileage rate for POV use to travel to and from the commercial transportation stop, station, or terminal for the distance that exceeds the commuting distance to the regular work site.

(2) The POV’s parking fees.

(3) The cost of using the local public transit system when tokens, tickets, or cash fares are not provided.

Note: See computation example 1 and computation example 2.

e. A Service member who visits a medical facility in the local area may receive a transportation allowance.

(1) A Service member who is ordered to travel to a medical facility in the local area to obtain a physical examination, a medical diagnosis, or medical treatment is on official business and must be reimbursed for transportation when Government transportation is not provided. Reimbursement
Chapter 2: Standard Travel and Transportation Allowances

is authorized for transportation for additional appointments to complete a required physical examination.

(2) A Service member who *voluntarily* travels to a medical facility to obtain a medical diagnosis or treatment is not on official business and is not authorized reimbursement for transportation.

f. A civilian employee may have to pay taxes on reimbursements received for local travel.

   (1) Reimbursement of local travel to and from the civilian employee’s residence and the alternate work location is taxable as wages when the civilian employee is both:

   (a) Expected to work at a temporary or alternate location for more than one year and for more than 35 workdays in a calendar year.

   (b) Traveling daily between the residence and a temporary or alternate work location within the general commuting area and to and from the residence within a day.

(2) If there is an expectation that the civilian employee will work at a temporary or alternate location for more than 35 workdays in a calendar year, the AO must advise the civilian employee of the potential Federal, state, and local income tax obligations. Tax rules may differ by state and locality.

(3) The ITRA outlined in par. 020313 does not apply to local travel.

2. Per Diem. Per diem allowances are listed in Table 2-27.

020604. Taxi Use Incident to Authorized Work outside Regularly Scheduled Working Hours

A. Eligibility. A Service member or civilian employee, who depends on public transportation for travel, is eligible for travel allowances if officially authorized to work outside of regular working hours and is traveling during hours of infrequently scheduled public transportation or darkness.

B. Allowances. The official who authorized duty outside the regular working hours or the traveler’s supervisor, if such authority has been delegated, may authorize or approve reimbursement for taxi fares between the office or duty site and residence, in accordance with Service and DoD Agency regulations (58 Comp. 020605. Recruiting Expense Reimbursement

A. Eligibility. An Armed Forces member who is permanently assigned to a recruiting organization and performing recruiting duty as either a primary or additional duty is eligible for reimbursement of specific costs involved in the performance of official duty.

B. Allowances. A recruiter is authorized a reimbursement limited to $75 per month unless an exceptional monthly expense justifies exceeding this threshold for the actual and necessary costs of:

1. Snacks, non-alcoholic beverages, and occasional lunches and dinners purchased for prospective recruits and candidates, their immediate families, and other individuals who directly assist in the recruiting effort.

2. Parking fees at itinerary stops.

3. Official telephone calls.

2. Assigned to an Armed Forces military entrance processing facility.
3. Detailed for instructional and administrative duties at any institution where a Senior Reserve Officer Training Corps unit is located.

B. **Allowances.** The traveler is authorized reimbursement for monthly parking expenses not to exceed $255. Monthly parking expenses of $20 or less are not reimbursed.

1. The reimbursement covers all expenses for parking a POV at the PDS work site or TDY location.
2. The statutory authority for reimbursement of parking expenses does not include any parking that is contracted in advance.
3. Reimbursement may be on monthly, quarterly or annual basis per Service policy.

CHAPTER 3: TDY TRAVEL
PART A: BUSINESS TRAVEL

0301 Routine Temporary Duty (TDY)

030101. Common Business Travel

A. Eligibility. A Service member or civilian employee may be eligible for travel allowances on a routine TDY when:

1. Performing operational or managerial activities, such as site visits, inspections, or investigations to oversee program activities or grant operations, or to manage activities for internal control; carrying out an audit, inspection, or repair.

2. Providing technical assistance.

3. Attending meetings to discuss general agency operations or topics of general interest, or to review status reports.

4. Acting as an attendant to a traveler with a special need or disability when the appropriate authority determines that the traveler is incapable of traveling alone on official business (56 Comp. Gen. 661 (1977)).

5. The Component head or designee determines that circumstances justify sending an official representative to a funeral.

6. The Component head or designee determines that circumstances justify sending an official representative to a change-of-command ceremony.

B. Allowances. A traveler on routine TDY ordinarily receives the transportation and per diem allowances specified in Chapter 2. However, depending on the reason for travel, who travels, and other circumstances, other computation rules may apply and impact the amount that a traveler is reimbursed. The AO must verify that the traveler does not meet the conditions addressed elsewhere in Chapter 3.

030102. TDY Before Reporting to the First Permanent Duty Station (PDS)

If a new civilian employee or appointee is required to perform TDY before reporting to the first PDS, then he or she is authorized the standard travel and transportation allowances specified in Chapter 2.

0302 Conferences (Not for Training)

See Section 0321 for allowances available to a traveler who attends a conference for training purposes.

030201. Conference Attendance and Participation

A. Eligibility. A traveler may be authorized to attend a conference or meeting that contributes to improved conduct, supervision, or management of a Uniformed Service’s or Department of Defense
(DoD) Component’s functions and activities (5 U.S.C. §4110 and 37 U.S.C. §455). Participation and attendance may also be authorized to maintain and improve professional competency if funds are available and work responsibilities permit. Attendance at technical, scientific, professional, or similar meetings, as well as private membership in non-Federal societies and organizations, may also be authorized (38 Comp. Gen. 800 (1959)).

1. **Government-Sponsored Conferences.** Attendance at Government expense may be authorized when the traveler’s attendance at a conference is required or related to executing official duties, for conducting Government business. This includes:

   a. Conferences sponsored or co-sponsored by a Federal Agency required in the performance of official duties.

   b. Conferences of state or municipal government organizations, or of international agencies in which the Federal Government is officially participating when it is related to official duties or for the purpose of transacting Government business.

   c. Conferences of a group of individuals representing private interests, but convened for the purpose of transacting business directly related to the Services or the DoD Component function or activity and attendance is in the Service member or civilian employee’s official performance.

2. **Conferences not Sponsored by Government.** Conference attendance at non-Federal technical, scientific, professional, and comparable private-membership organizations may be authorized, subject to Service or DoD Component regulations and in accordance with DoD 5500.07-R (Joint Ethics Regulation) which specifies the regulations on acceptance of payment from a non-Federal source for travel expenses.

   a. A Service member or a civilian employee may attend conferences at Government expense to further Service or DoD Component programs, present scientific and technical papers that advance the development of U.S. resources, or maintain an effective professional, scientific, technical, managerial, and supervisory workforce.

   b. An appropriate security officer at the traveler’s activity should examine the security implications for attendance at all meetings and conferences conducted or sponsored by private or international organizations. A Service member or civilian employee who attends such meetings must be briefed about security implications, when necessary, before attendance.

**B. Allowances**

1. Conference registration fees authorized in the travel authorization or approved on a travel voucher are reimbursable. The travel authorization should state:

   a. Whether the conference registration fee includes charges for meals and, if so, the number of meals and the dates furnished. The proportional meal rate (PMR) applies on any day that the cost for one or two meals is included in the conference registration fee (see Chapter 2).

   b. When the conference registration fee includes lodging without charge and, if so, the number of lodgings and the dates furnished. Only the appropriate and applicable PMR or TDY locality meal rate and incidental expenses (M&IE) rate is paid. If all three meals are provided, then the traveler receives the incidental expenses portion of per diem only.
2. When the Service or DoD Component sponsors a conference, meal costs must be identified, whether included in a conference registration fee or contracted for separately. Unless the AO has authorized or approved an actual expense allowance (AEA) for meals – for attendees in a travel status – reimbursement is limited to the locality meal rate. The maximum contracted amount for one or two meals for an attendee in a travel status is limited to the difference between the locality meal rate and the PMR.

C. Reimbursement

1. A conference registration fee may be reimbursed when attendance is authorized for a conference in the local area that is not held at the PDS does not involve travel, per diem, or a travel authorization.

2. Charges or fees for light refreshments or snacks are reimbursable only when included as part of the conference registration fee. However, when the only purpose for a registration fee is to provide light snacks or refreshments, it is not reimbursable.

Note: Conference registration fees, meals, lodging, travel, or other expenses required for conferences or training at the PDS cannot be paid as travel allowances per 37 U.S.C. §474. Authority to pay related training costs at the PDS is in 10 U.S.C. §2013; 5 U.S.C. §4109; 42 U.S.C. §218a; and 14 U.S.C. §469.

3. Entertainment expenses for social events, such as ice breakers, and other personal expenses not directly required by official duties are not reimbursable.

D. Funds Advance. Advance payment of discounted conference registration fees (Federal Travel Regulation (FTR) §301-74.23) is a common practice when conference planners offer discounted “early bird” registration fees, which are available in the months before the conference begins. If an individually billed Government Travel Charge Card (GTCC) is used to take advantage of such specials, a traveler should receive a verbal or written authorization to register early and charge the conference registration fee to the GTCC. A written authorization to attend the conference is required to claim reimbursement for the discounted conference registration fee as soon as a written order is generated. When the authority to register early is verbal, the written authorization must reference the verbal authority for the early conference registration. This does not prevent other payment methods for advance conference registration fees, such as a Government Purchase Card.

E. Traveler is Unable to Attend an Event for which Reimbursement Was Made (adopted from FTR §301-74.24). If a traveler was reimbursed a discounted conference registration fee before the event and then fails to attend the event, then he or she must seek a refund and repay the Government for the advance.

1. If no refund is made, then the advanced payment must be absorbed as a preparatory travel expense if the traveler’s failure to attend the event was because of:

   a. A decision by the Service or DoD Component concerned.

   b. An acceptable reason beyond the traveler’s control, such as an emergency or illness.

2. If no refund is made, and the traveler’s failure to attend the event was due to a reason unacceptable to the Service or DoD Component concerned, the traveler must repay the amount advanced.
Chapter 3: TDY Travel

Part A: Business Travel

0303 Reserve Component (RC) Travel (Other Than Training)

“Reserve Component” (RC) refers to the Army Reserve, the Navy Reserve, the Marine Corps Reserve, the Army National Guard of the United States, the Air Force Reserve, the Air National Guard of the United States, the Coast Guard Reserve, and the Reserve Corps of the Public Health Service (37 U.S.C. §101).

030301. RC Member Performing Active Duty with Pay Who Commutes

A. Eligibility. An RC member on an official order who travels daily between the duty location and either the primary residence or place from which entered (or called) to active duty (PLEAD) may be eligible for travel allowances (see par. 032301).

B. Allowances. The allowances for an RC member who commutes are specified in Table 3-1. In such circumstances, the commuting RC member may begin travel from a location other than the primary residence.

030302. RC Member Performing Active Duty with Pay Who Does Not Commute

A. Eligibility. An RC member on official orders who does not commute daily, but travels between the duty location and the primary residence or PLEAD, which are outside the local area of the
duty location, may be eligible for travel allowances (see pars. 032301 and 032302).

B. Allowances

1. 180 or Fewer Days at Any One Location (with No Break in Service)

The standard travel and transportation allowances specified in Chapter 2 for TDY are payable.

   a. If the RC member begins travel from a PLEAD other than the primary residence, then
      transportation allowances are authorized from the PLEAD to the duty location, and return to the PLEAD
      or primary residence. However, the reimbursement is limited to what it would have cost for
      transportation had the traveler only traveled between the RC member’s primary residence and duty
      location.

   b. When the original duty period is extended due to unforeseen circumstances, standard
      travel and transportation allowances continue for the entire period as long as the days remaining on the
      existing order, plus the number of days added by the extension, total 180 or fewer days.

2. 181 or More Days at Any One Location (with No Break in Service) When the RC Member
   Does Not Commute

   a. An assignment that lasts for 181 or more days at one location becomes a PCS (see
      Chapter 5). Per diem is not payable at the PCS location.

   b. When an original order is amended to extend the TDY to 181 or more days from the
      date of the amendment, the TDY location becomes a PDS. Travel and transportation allowances are not
      payable beginning from the day of the amended order.

   c. The standard travel and transportation allowances specified in Chapter 2 may be
      authorized when the Secretarial Process determines that the call to active duty or an extension is required
      by any of the following:

      (1) Unusual circumstances.

      (2) Emergency circumstances.

      (3) Contingency operations.

      (4) Exigencies of the Service concerned.

C. Muster Duty. A Service member on Muster Duty earns pay for the assignment, but is not
authorized travel and transportation allowances (see the DoDMR, Vol. 7A, par. 580205.A).

030303. RC Member Performing Active Duty without Pay

A. Eligibility. An RC member who is not a dual-status military technician and is performing
active duty without pay for any reason other than training may be eligible for travel allowances.

B. Allowances. An RC member performing active duty without pay may be authorized or
approved reimbursement for:
Chapter 3: TDY Travel
Part A: Business Travel

1. Mileage at the authorized automobile or motorcycle mileage rate for travel to and from the duty station, including travel required in connection with a qualifying physical examination or conditions precedent to the duty involved.

2. Occasional meals or occasional lodging (see par. 020305).

C. Reimbursement. Travelers are not authorized per diem and AEA at the PDS (44 Comp. Gen. 615 (1965); 46 Comp. Gen. 319 (1966)).

030304. Dual-Status Military Technician Performing Active Duty without Pay

A. Eligibility. A dual-status military technician (10 U.S.C. §10216) on leave from technical employment and performing active duty without pay (5 U.S.C. §6323(d)) outside the United States may be eligible for travel allowances (see pars. 032301 and 032302).

B. Allowances. A dual-status military technician can be authorized per diem through the Secretarial Process.

0304 Retired Service Member Recalled to Active Duty

This section does not apply to a Service member traveling in connection with a periodic physical examination (see Chapter 3, Part D).

030401. Retired Service Member Called or Ordered to Active Duty (with or without Pay)

A. Eligibility. A retired Service member receiving retainer pay who is called or ordered to active duty, on the Temporary Disability Retired List, in the Fleet Reserve, or in the Fleet Marine Corps Reserve is eligible for travel allowances.

B. Allowances. An eligible retired Service member is authorized the same travel and transportation allowances that an RC member on active duty with pay would receive (see Chapter 2).

0305 Invitation to Travel

Invitational travel authorizations (ITA), see Appendix A1, should be issued judiciously to ensure prudent use of Government funds. A statement must be included on the ITA specifying that alternate means, such as Secure Video-Teleconference or other Web-based communication are insufficient to accomplish travel objectives. A sample ITA is on the DTMO website.

030501. Invitational Travel Allowances

A. Eligibility. A traveler on invitational travel must be serving without compensation or for $1 a year, or be a volunteer covered by 10 U.S.C. §1588. The person cannot be employed by the Government or employed by the Government as an expert or consultant more than intermittently, paid on a daily basis when actually employed under 5 U.S.C. §5703, nor be a contractor’s employee traveling in the performance of the contract (see the DTMO website). An AO may authorize invitational travel using an ITA when:
1. It is in the DoD Component’s interest to invite a college or university official or a representative of industry to observe the work performed by, or the operations of, an activity.

2. An individual is requested to lecture, instruct, or give a demonstration at an activity held in connection with a DoD operation or program.

3. An individual, alone or as part of a group, confers on an official DoD matter with DoD officials and performs a direct service, such as providing advice or guidance to DoD. An ITA is not authorized for an individual merely to attend a meeting or conference, even if hosted by a DoD Component on a matter related to the Component's official business (55 Comp. Gen. 750 (1976)).

4. An individual is a sponsor, or is in a similar official capacity, or participates in a ceremony directly related to a DoD Component’s interest.

Note: Simple attendance at a ceremony does not allow travel under an ITA except as provided for funeral travel (see Section 0320).

5. An individual is serving without compensation on a Board of Visitors as provided for in DoD governing regulations consistent with statutory authority.

7. An auxiliary chaplain is intermittently employed by the Government to provide religious services or emergency ministrations.

8. An individual who is not a Service member or civilian employee and travels as an attendant or escort.

9. Travel is by an individual who serves as an organ donor for a Service member when the donation is authorized under Service regulations.

10. A spouse is authorized to travel.

a. A spouse of a Service member or civilian employee is traveling for a representational purpose that is not mission essential. The spouse’s invitational travel must meet all of the following applicable conditions:

(1) The AO determines that a spouse may travel with the sponsor, at Government expense, when the spouse’s presence would further the interests of the DoD, the Military Service, or the Command when the spouse travels to:

(a) Attend a function in which the DoD sponsor is participating in an official capacity and in which the spouse is to address those assembled or otherwise play an active role and visible part.

(b) Attend a function (with or without the DoD sponsor) attended by spouses of community leaders, government officials, foreign dignitaries, or foreign military officers with whom the sponsor is meeting in an official capacity.
(c) Attend a function (with or without the DoD sponsor) where a substantial number of those present are military families or where the focus is on matters of particular concern to military families.

(2) Travel is allowed on a mission noninterference basis.

b. The spouse of a Service member or civilian employee is traveling for unquestionably mission essential reasons and there is a benefit for DoD beyond fulfilling a representational role. Individuals on invitational travel for this reason are authorized the standard travel and transportation allowances specified in Chapter 2 for DoD civilian employees.

c. On a case-by-case basis, Code 2 civilians, four-star General Officers or Flag Officers, and certain three-star General Officers or Flag Officers serving outside the continental United States (OCONUS) or as a Combatant Commander (CCDR), as specified in DoD Directive (DoDD) 4500.56, “DoD Policy on the Use of Government Aircraft and Air Travel,” may authorize or approve transportation, per diem, or other expense allowances for their spouses. Spousal travel when authorized or approved must adhere to the criteria in DoDD 4500.56, “DoD Policy on the Use of Government Aircraft and Air Travel” and DoD Instruction 4515.13, “Air Transportation Eligibility.” This authority does not constitute blanket approval authority.

d. The AO for all other spousal travel under item 030501.A10 is one of the following:

(1) Office of the Secretary of Defense Executive Secretary for Special Airlift Missions and Operational Support Airlifts for requests from the Office of the Secretary of Defense, the DoD Agencies, and outside the DoD.

(2) Chairman of the Joint Chiefs of Staff, or designee, for requests from the Joint Staff.

(3) CCDR or designees for requests from a Service member and a civilian employee within the command. Joint or dual-hatted personnel traveling on behalf of the joint command must obtain approval through the joint command approval authority and not through the individual’s Service channels. This authority may be further delegated in writing, but may not be delegated below the Major Command Chief of Staff or equivalent level for travel requests from DoD senior officials. Major Commands are those ordinarily commanded by four-star General Officers or Flag Officers.

(4) Secretary of a Military Department, or designees, for requests from a staff member.

(5) Service Chief or designees for requests from a Service member or civilian employee within the Service. This authority may be further delegated in writing, but may not be delegated below the Major Command Chief of Staff or equivalent level for travel requests from DoD senior officials.

B. Allowances

1. Unless otherwise stated below, individuals on invitational travel are authorized the standard travel and transportation allowances specified in Chapter 2 for civilian employees, except as identified in par. 030501-A. An ITA provides for travel and transportation of an individual from the place of business or traveler’s home to the place at which that individual’s services are required, and
return to the origin.

2. For spousal travel under par. 030501-A10, the allowance is for Government-funded transportation only.

a. The travel authorization must include the following statement: “This travel authorization authorizes the spouse to accompany the sponsor to attend an official function. It does not authorize per diem or other expense allowances for the spouse. If the spouse does not desire to bear the expenses ordinarily reimbursed through per diem or other expense allowances, this travel authorization is canceled.”

b. Approval authorities must maintain records of all approved requests for spousal travel that, at a minimum, detail all of the following:

   (1) The spouse’s name.

   (2) Dates and purpose of travel.

   (3) Any other information that supports justification of the approval.

c. Authorization or approval of spousal travel for official purposes requires the exercise of good judgment in application. AOs must be mindful of the need to withstand public scrutiny and avoid the appearance that spousal travel is being abused.

C. Restrictions. Invitational travel must not be authorized for:

1. A non-appropriated fund official or civilian employee traveling on non-appropriated fund business.

2. Transportation of the dependent of an individual traveling on an ITA.

3. Transportation of household goods (HHG), including freight and parcel post mail, or other property of an individual traveling on an ITA.

4. A Service member or civilian employee unless the individual is:

   a. Retired. This may include retired military personnel from foreign countries.

   b. Authorized pre-employment interview travel under Section 0306 and the Service member or civilian employee is in a leave status during such travel (B-219046, September 29, 1986).

   c. Traveling as a non-medical attendant and included on an ITA issued to a patient.

5. Contractors (see the DTMO website).

6. Foreign military personnel.

030502. Consultants and Experts

A. Eligibility
1. A consultant or expert who is in an employment status with or without compensation is eligible for travel expenses and allowances while traveling on an ITA (5 U.S.C. §5703).

2. A consultant or expert who is employed for 130 days or less of full-time Government service, performed in any continuous 365-day period are eligible for travel expenses and allowances.

B. Allowances. Consultants or experts may receive the following allowances when the AO determines it is in the Government’s best interest:

1. Transportation expenses, per diem, and, when appropriate, TDY mileage allowance for a privately owned vehicle (POV), as specified in Chapter 2, used for official travel between the traveler’s home or place of business and the place of TDY outside of that area.

2. Transportation expenses for local travel (when all official travel is located in the same metropolitan or geographic area) between the traveler’s home or place of business and the place of TDY.

3. Travel expenses for recurring round-trip travel between the traveler’s home or place of business and the place of TDY when it adheres to par. 020203.

4. Per diem allowances as specified in Chapter 2 while on a TDY away from the area in which the traveler’s home or place of business is located.

5. AEA when justified as outlined in Chapter 2, except for consultants and experts employed under 50 U.S.C. App. 2061.

C. Employment Not Intermittent. When Government service is not intermittent, no authority exists for per diem or AEA at the regular PDS (B-123282, August 12, 1955, 35 Comp. Gen. 90 (1955) and B-128160, November 1, 1956, 36 Comp. Gen. 351 (1956)). However, per diem may be authorized in connection with another TDY at a place of duty away from the regular duty location.

0306 Pre-Employment Interview with DoD for Civilian Employment

A. Eligibility. An interviewee is an individual who a DoD Component is considering for civilian employment.

B. Allowances. When pre-employment interview allowances are offered, they are the same as the standard travel and transportation allowances specified in Chapter 2 to a civilian employee.

1. Individuals who are neither in the military nor employed by the Government travel on an ITA for a pre-employment interview.

2. A Service member on leave travels on an ITA for pre-employment interview travel.

3. A civilian employee on leave from his or her DoD employment travels on an ITA for pre-employment interview travel.
C. Reimbursement

1. Each DoD Component must establish qualification criteria for determining which applicants receive payment for pre-employment interview travel expenses. Guidance in creating qualification criteria is in 5 CFR Part 572.

2. A DoD Component may pay all or part of pre-employment travel expenses to or on behalf of the interviewee. When electing to pay only per diem or only transportation costs, the DoD Component must pay the full amount for the selected expenses as authorized for a civilian employee. The DoD Component must reimburse the interviewee for the offered and allowable travel expenses upon submission and approval of a travel voucher except for a separate room not used for the traveler’s lodging, such as a meeting room.

D. DoD Component Responsibilities. A DoD Component must adhere to the general travel authorization policies and practices in the JTR. Pre-employment interview travel may be authorized only on a trip-by-trip basis. A limited or unlimited open travel authorization must not be used for pre-employment interview travel. See Section 0305.

1. A DoD Component must communicate DoD travel rules and procedures to the interviewee and should ensure that the interviewee understands how travel reimbursements are calculated. The DoD Component provides the interviewee with written instructions when a travel authorization is issued explaining the administrative procedures for controlling and accounting for passenger transportation documents.

2. A DoD Component must not authorize reimbursement for pre-employment interview travel expenses to help defray permanent change of station (PCS) expenses that are not allowable for a new appointee under par. 054801. For example, a DoD Component may not pay pre-employment travel expenses under this Section so that an interviewee or new appointee may look for a house at the prospective first PDS.

3. Components must use a Government-procured transportation document or a centrally billed GTCC to pay for interviewee transportation by air, bus, or rail that are not local public transit systems.

4. Each DoD Component must prescribe administrative procedures for an interviewee to follow in submitting a travel voucher that are consistent with the DoDFMR, Vol. 9. DoD Components should assist an interviewee in preparing and submitting his or her travel voucher.

5. The DoD Component must advise the interviewee to keep a record of expenditures chargeable to the Government, including retaining all receipts, until reimbursement claims are settled.

E. Interviewee Responsibilities. The interviewee is expected to exercise the same care in incurring expenses that a prudent person would exercise if traveling on personal business.

1. Transportation tickets should be provided by the interviewing DoD Component. The interviewing DoD Component may authorize the interviewee to obtain tickets directly from a Travel Management Company (TMC) under contract to the Government.

2. An interviewee must use the City Pair Program fares and is bound by the rules in Chapter 2.
3. The interviewee is responsible for, and accountable for, all transportation tickets and Government-procured transportation documents issued until they are used for pre-employment interview travel or are otherwise accounted for properly. A statement to this effect must be incorporated on the travel authorization, or issued as a “Notice to Traveler” and attached to the ticket or transportation document when issued to the interviewee. This statement must also inform the interviewee that he or she is financially responsible for the value of the tickets issued if the interview trip is canceled or rescheduled after tickets or Government-procured transportation documents are issued.

4. If the interviewee exchanges a ticket for one of lesser value, then the carrier should issue a receipt or a ticket-refund application. The carrier is required to make a refund directly to the appropriate DoD Component billing office. The DoD Component must provide the interviewee with a “bill charge to” address for the carrier to use in sending a refund by attaching a copy of the transportation document, or some other document containing this information, to the ticket or travel authorization (41 CFR §101-41.210-1).

F. Funds Advance. The interviewee cannot be issued a travel advance. The interviewee cannot use a GTCC issued to a civilian employee or travelers cheques issued by a Government contractor to pay for pre-employment interview travel.

0307 Justice and Criminal Matters

030701. Service Member or Civilian Employee Who Serves as a Witness

A. Eligibility. The presiding hearing officer determines if travel is necessary when a witness’s testimony is substantial, material, and necessary for proper case disposition and an affidavit cannot adequately accomplish the same objective.

B. Allowances. See Table 3-2.

C. Reimbursement. Expenses paid by the court, authority, or party causing the civilian employee to be called as a witness for a non-Government entity must be deducted from the travel authorization.

030702. Witness Is Not Employed by the Government

A. Military Court Martial. A person other than a Service member or civilian employee, who is called as a witness before a military court martial, is issued an ITA and authorized travel and transportation allowances under Service administrative regulations. This does not include a witness who testifies at a pretrial hearing conducted under Article 32, Uniform Code of Military Justice (10 U.S.C. §832).

B. Adverse Action Case Involving Service Member or Civilian Employee. The presiding hearing officer must determine that the witness’s testimony is substantial, material, and necessary for proper case disposition and that an affidavit from the desired witness cannot adequately accomplish the same objective. A witness not employed by the Government who is called to testify in administrative proceedings on behalf of the Government is issued an ITA and authorized the same standard travel and transportation allowances specified in Chapter 2 for a civilian employee on TDY.

C. Federal Administrative Hearing. When a complainant who is no longer a Government employee serves as a witness in an administrative hearing related to his or her Federal employment, he or she is issued an ITA and is eligible for the same standard travel and transportation allowances as a civilian employee in Chapter 2 if retroactively reinstated to Federal service. The hearing must be within Federal employment regulations it would be unreasonable to require the complainant to appear at personal expense (B-180469, February 28, 1974).

030703. Juror Travel

A civilian employee who serves as a juror does not receive travel and transportation allowances through the policies in this regulation and is not issued a TDY order.

030704. Travel Associated with Sexual Assault

A. Eligibility. A Service member who is a sexual assault victim traveling to testify or participate in a court martial, hearing, pre-trial interview, or other hearing or panel, including Congressional, in connection with the sexual assault is eligible for travel allowances (DoDD 6495.01, “Sexual Assault Prevention and Response (SAPR) Program.”).

B. Allowances. A traveler is authorized the standard travel and transportation allowances specified in Chapter 2. Ordinarily, the appropriate office for issuing subpoenas or other requirements to appear for the event requiring the victim to testify or participate will fund and authorize the travel for the victim. The sexual assault victim’s commanding officer or AO may authorize or approve an escort to accompany the sexual assault victim on the trip, or a medical authority may authorize an attendant when required. If the sexual assault victim is not a Service member or civilian employee, then the Service or Agency determines which AO authorizes or approves an attendant or escort.

030705. Threatened Civilian Law Enforcement Officer

A. Eligibility. A civilian law enforcement officer, an investigator, and his or her immediate family may be eligible for travel allowances as specified in FTR §301-31 when their lives are in jeopardy because of the civilian employee’s assigned duties.

B. Allowances. The DoD Component may authorize or approve transportation and certain subsistence expenses as specified in FTR §301-31.

C. DoD Component Responsibilities

1. The DoD Component head can delegate the authority to authorize or approve payment of transportation expenses and an allowable subsistence in this section. Re-delegated authority must stay at the highest level practicable to ensure proper review of the circumstances that may necessitate protective action, including moving an eligible individual from home.

2. The DoD Component must establish specific administrative procedures for issuing travel authorizations and for payment of claims arising from threats to civilian law enforcement officers.

D. DoD Risk Evaluation Process

1. When a situation occurs that appears to be life-threatening, the DoD Component must:

   a. Take appropriate action necessary to protect the eligible individuals, including removal from their homes.

   b. Immediately inform the DoJ Criminal Division of the threat, in accordance with DoJ regulations.

   c. Provide the DoJ with the name of each person involved and other pertinent details that may help the Agency determine the degree and seriousness of the threat.

   d. Be advised by the DoJ, within 7 days, of the seriousness of the threat and recommend a course of action. Subsistence payments may begin as soon as the DoD Component invokes the provisions of par. 030705. If the threatened individual is directed to move into temporary accommodations during the DoJ’s initial 7-day evaluation period, subsistence payments for this period may be allowed, even if the DoJ determines that the threat is not serious or no longer exists and the DoD Component returns the individual to their home.
e. Update the DoJ, at 30-day intervals, of the situation for reevaluation and recommendation, to determine if an extension is necessary.

2. The DoD Component is responsible for deciding each individual case. The decision is based upon an assessment of the situation and the DoJ’s advice as to whether or not protective action should be initiated or continued and the amount of subsistence and transportation expenses that should be authorized or approved. When necessary specifically for security reasons, a civilian employee may be authorized or approved to deviate from the approved mode of transportation and the route taken to or from a location away from the civilian employee’s PDS.

3. The DoD Component must determine how long allowances continue based on the specific nature and potential duration of the life-threatening situation and the alternative costs of a PCS. If temporary accommodations are expected to exceed 120 days, the DoD Component should permanently relocate the civilian employee if a PCS is advantageous. The DoD Component must consider the specific nature of the threat and the continued disruption of the family, as well as the PCS costs.

030706. Travel for Military Justice Proceedings

A. Eligibility. A Service member who is not in confinement and required to travel away from the PDS area to attend their own hearing(s) for a courts martial and associated military justice proceedings is eligible for travel and transportation allowances.

B. Allowances. The Service is responsible for scheduling and arranging the travel and transportation at Government expense. As with all Service members, Government quarters and dining facilities should be directed and used if available. An accused Service member is authorized the standard travel and transportation allowances as specified in Chapter 2.

030707. Prisoner on Commandant’s Parole

A prisoner on “Commandant’s Parole” must remain under the supervision of the Commandant of a U.S. disciplinary barracks. This conditional release from confinement must be authorized by the Secretary concerned and is exercised when the Service member has not started serving the court martial sentence because appellate review of the case is not complete.

A. Eligibility. A prisoner released on Commandant’s Parole is eligible for travel allowances.

B. Allowances

1. Meals and Transportation. The Service member is furnished meal tickets in addition to transportation in-kind to the home of record or other authorized destination. Transportation expenses are not reimbursed.

2. Subsequent Travel. If transportation in-kind and meal tickets cannot be provided for any of the following purposes, then reimbursement is authorized in accordance with the limitations specified in Chapter 2 for actual transportation costs and occasional meals as specified in Chapter 2. The Service member is furnished transportation in-kind and meal tickets, if practical and appropriate, for travel from the home of record or other authorized destination to the location concerned, and for return travel if it is required for official travel for:

   a. A rehearing ordered when the Service member is not already in a travel status.
b. Hospitalization.

c. A physical examination.

d. Discharge.

e. Other purposes incident to the parole.

030708. Guards Transporting a Prisoner

A. Eligibility. A prisoner of the United States and the guards assigned to move him or her from the place of initial confinement to a U.S. installation are eligible for travel allowances.

B. Allowances

1. Transportation. When a prisoner is moved on public transportation, the Service member in charge should obtain Government-procured transportation for all Service members and the prisoner named in the travel authorization. Transportation in-kind and accommodations for prisoner and guards, including enclosed room accommodations, when required, should be in accordance with Service regulations.

2. Meals. If cooked meals or box lunches are not provided, then the Service member in charge of the movement must secure meal tickets for the prisoner in sufficient quantity to cover the travel involved.

Note: Guards transporting a prisoner receive the standard travel and transportation allowances specified in Chapter 2.

C. Reimbursement. Guards may be reimbursed for expenses incurred on behalf of the prisoner during initial travel between the place of initial confinement and a U.S. installation. Military guards are authorized reimbursement for transportation, lodging, and meals purchased on behalf of a prisoner who made no prior arrangements and lacks funds to purchase necessary items. Transportation reimbursement is authorized for the actual amount of personal funds the guard spent on behalf of the prisoner. Total reimbursement for meals and lodging must not exceed per diem or the actual expense allowances for a Service member on TDY (see Chapter 2).

D. Documentation. Guards are responsible for maintaining control of all travel and transportation documents, including tickets, for themselves and the prisoner and cannot surrender them to the prisoner for any reason. The documents must be in the name of the Service member responsible for guarding the prisoner. That Service member in charge must sign the papers when a signature is proper.

030709. Paroled Prisoner

A. Eligibility. A Service member paroled from confinement is authorized transportation allowances.

B. Allowances. The Service member is authorized transportation in-kind to the home of record or to the place authorized for residence. The provisions allowing reimbursement for transportation limited to the directed transportation mode cost, does not apply.

A. **Eligibility.** A student with disabilities identified in DoDI 1342.25, “Provision of Early Intervention and Special Education Services to Eligible DoD Dependents,” is eligible for travel allowances when medical or educational authorities request a diagnosis or evaluation. Parents or guardians of a dependent student with disabilities are eligible for travel allowances when medical or educational authorities within the DoDEA request under DoD Manual 1342.12 that one or both of them be present to:

1. Participate during an evaluation of the student.

2. Participate during diagnosis of a disability.

3. Escort the student.

B. Responsibilities. The Director, DoDEA, or designee determines appropriate activities for student participation. The responsible DoDEA activity determines the most appropriate transportation method and the DoDEA appropriations to use for a student in support of co-curricular activities.

C. Allowances. A student may only receive a transportation allowance under an ITA. The DoDEA activity determines the transportation method. The DoD Component may authorize an individual related by blood or whose close association with the DoDEA student is equivalent of a family relationship to accompany the DoDEA student. No other travel allowances are authorized.

0309 Travel to Receive or Present Award

030901. Receive Federally or Non-Federally Sponsored Honor Award

A. Eligibility. A Service member or civilian employee may be authorized travel allowances to receive an honorary award sponsored by a Federal or non-Federal organization if the award is closely related to the traveler’s official duties and the Service or Agency’s functions or activities (55 Comp. Gen. 1332 (1976)). When attendance at the meeting or convention at which the award is given was authorized or approved for another reason, no further authorization is required for the traveler to accept the award.

B. Allowances. An award recipient is authorized the standard travel and transportation allowances specified in Chapter 2 when the award recipient and a guest are geographically distant from the ceremony site.

C. Reimbursement. Reimbursement from a private organization for travel and other expenses to receive a non-federally sponsored award are not authorized.

D. Guest. The head of the DoD Component concerned may authorize one guest, chosen by the award recipient, to accompany the traveler receiving an honor award. 0310 Repatriation of U.S. Civilian Employee

Repatriation of a U.S. citizen civilian marine employee of the Department of the Army applies to a civilian employee who was left ashore somewhere other than at the PDS or home port, which is sometimes referred to as an “outport,” in the course of employment with no advance arrangements for return to the ship or home port. It includes all actions taken to aid a civilian marine employee, or former marine employee, who is left in an outport. It does not cover ordinary TDY, PCS, or other travel conditions under an agreement.

A. Eligibility. Repatriation does not apply to a local marine employee in an area OCONUS who is employed under a labor contract, or to a civilian marine employee paid under native wage scales. The command concerned repatriates such employees under local law and local prevailing maritime practice. A repatriate is eligible for travel allowances in this section and is designated Class I or II by the repatriating authority, which is ordinarily the Army Port Commander.

1. A Class I repatriate is a civilian marine employee who was left in an outport for reasons other than employee misconduct or negligence. This includes a civilian marine employee put ashore because of any of the following events:
   a. A sudden, unannounced change in the ship’s schedule.
   b. A disability incurred while servicing the ship requires hospitalization or outpatient treatment.
   c. A shipwreck.

2. A Class II repatriate is a civilian marine employee or former civilian marine employee who has been left in an outport because of his or her own negligence, misconduct, or desire to leave employment. This includes a civilian marine employee:
   a. Hospitalized as a result of misconduct.
   b. Who has deserted from the ship.
   c. Detained by police authorities.
Chapter 3: TDY Travel
Part A: Business Travel

0301-0320

B. Allowances

1. A civilian marine employee designated as a Class I or II repatriate may be furnished assistance to return to any of the following places:
   a. The ship.
   b. Another Army civil service manned ship.
   c. His or her home port.
   d. A port in the continental United States (CONUS).

2. If a Government civil service-manned ship is unavailable to transport a Class I repatriate, then a travel authorization may be issued for travel and transportation.

3. Transportation ordinarily is provided to a Class II repatriate as an unpaid crew member, also called a “work-away,” of an Army ship. If a Class II repatriate is disabled and cannot perform work as an unpaid crew member, then the traveler is still classified as a work-away for determining travel and transportation allowances. See appropriate personnel directives for Class II repatriates to determine work and duty performance and whether he or she will be subsisted with the crew.

4. Work-Away Transportation and Subsistence

   a. Transportation on an Army ship and subsistence in-kind furnished to a work-away are at no cost to the Government.

   b. Government funds can only be used for a Class II repatriate’s travel and transportation if the individual is destitute. If destitute, follow appropriate collection procedures to recover all Government funds spent, including deductions from the traveler’s compensation due.

0311 Travel While on Duty with Particular Units

031101. Mobile Units

5. Any other unit that the Secretary concerned determines to be performing duties similar to those performed by the above command or squadrons.

031102. Service Member Serving on A Ship Constructed, Overhauled, or Inactivated at Other Than the Home Port

A. Eligibility. A Service member with dependents is authorized transportation allowances for the Service member or dependents while on permanent duty aboard a ship being overhauled, inactivated, or constructed. A Service member must be permanently assigned to the ship for 31 or more consecutive days to be eligible for allowances.

B. Allowances. Authorization for the transportation allowances accrues on the 31st day, and every 60th day thereafter. The clock for counting the 31st day and every 60th day thereafter begins on either the day the ship enters the overhaul or inactivation port, or the day the Service member is permanently assigned to the ship, whichever occurs later. A Service member or his or her dependents, but not both, may elect transportation during each accrual period. A traveler is authorized the standard transportation allowances as specified in Chapter 2. Per diem and reimbursable expenses are not authorized.

1. Transportation in Connection with Ship Overhaul or Inactivation

a. If the overhaul or inactivation location:

   (1) Is other than the home port, then round-trip transportation is authorized between that location and the home port.

   (2) Becomes the home port, then round-trip transportation is authorized between the new and old home port for dependents, instead of PCS allowances, if the dependents do not relocate to the new home port for personal reasons, such as an unavailability of necessary medical care.

b. Dependents must reside within the normal daily commuting area of the original home port.

2. Transportation in Connection with Ship Construction

a. If construction is taking place at a location other than the ship’s designated future home port or the dependents’ residence, then round-trip transportation is authorized between the construction location and the future home port or the dependents’ residence.

b. If the dependents reside at the construction location, they are ineligible for transportation allowances.

C. Reimbursement

1. Reimbursement for personally procured transportation is in accordance with Section 0202 and par. 0502 for transoceanic travel.

2. Mixed-mode transportation reimbursement is in accordance with par. 050203-A1b.

3. Reimbursement for personally procured transportation at the automobile mileage rate
cannot exceed the policy-constructed airfare (see Appendix A) for the Service member between either of the following:

a. The ship overhaul or inactivation location and the original home port.

b. The ship construction location and the future home port or location where the dependents reside (see par. 031104).

4. If a dependent travels instead of the Service member, then the family transportation cost is limited to the cost of Government-procured, commercial round-trip transportation for the Service member (see Chapter 2).

5. Per diem, meal tickets, and reimbursement for meals and lodging are not authorized.

D. Accrual of Allowances. After the required 31st day to receive transportation allowances and every 60th day thereafter, an opportunity is available for the Service member or dependent to travel and receive the transportation allowances.

1. A Service member who does not use one or more of the accrued travel opportunities retains all opportunities, but all travel under Section 0311 must begin before the ship departs the construction, overhaul, or inactivation location.

2. Each opportunity may alternate between a Service member’s or dependent’s travel.

031103. Service Members Conducting Aerial Surveys

The standard travel and transportation allowances specified in Chapter 2 or AEA are authorized for a Service member assigned to complete or assist in aerial surveys of rivers, harbors, or Government projects not pertaining to the Service.

031104. Army Corps of Engineers-Related Travel

A. Eligibility. A Service member or civilian employee on TDY on a floating plant is eligible for travel allowances.

B. Allowances. Eligible travelers may receive:

1. Meals furnished aboard a Corps of Engineers floating plant during TDY when one of the following circumstances occur:

   a. Meals are furnished at no cost to the traveler, no per diem is authorized.

   b. Only one or two meals are provided at no cost to the traveler, the AO must authorize an M&IE rate to cover the cost of meals not provided.

   c. No meals are provided, the traveler is paid the standard CONUS M&IE rate regardless of whether the traveler paid for the meal or not. The TDY order must state the circumstances and rate.

2. Lodging cost aboard a Corps of Engineers floating plant during TDY, limited to the standard CONUS lodging rate.
031105. Crash Firefighter and Operations and Maintenance Technician

A. Eligibility. The following civilian employees may be eligible for unique air-transportation allowances because of their job requirements:

1. A crash firefighter required to travel by aircraft because it is necessary for his or her duties.

0312 Indeterminate TDY (ITDY)

031201. ITDY Determination

A. Authority. Only Service Headquarters can authorize or approve ITDY.

B. Eligibility. A Service member who receives a TDY order that either does not provide for return to the PDS or does not specify or imply a limit to the period of absence from the PDS is eligible for travel allowances (37 U.S.C. §476(e)(2)).

C. Allowances. Whether the Service member receives PCS allowances or TDY allowances depends on the travel authorization.

1. If the ITDY order contains instructions to return to the current PDS, but provides no firm duration or length of TDY, then the standard travel and transportation allowances specified in Chapter 2 for TDY apply both en route and while at the ITDY location. In this situation, dependents are not
authorized any allowances.

2. If the ITDY is en route PCS or specifies TDY pending further orders and a PDS is not named, then the Service member is paid PCS allowances en route. See Chapter 5 for PCS allowances. The Service member receives the standard travel and transportation allowances specified in Chapter 2 for TDY while at the ITDY location.

3. If authorized or approved through the Secretarial Process, HHG transportation (within the PCS weight allowance) under a travel authorization from the PDS to TDY for an indeterminate period of time, may be made to any combination of:

**031301. Accompanying Package or Controlled Pouch**

A. **Eligibility.** A courier or control officer accompanying a package or controlled pouch for delivery is eligible for travel allowances.

B. **Allowances.** An eligible traveler is authorized to receive the standard travel and transportation allowances specified in Chapter 2. This includes a potential upgrade in accommodations if the traveler or TMC provides the required documentation specified in Chapter 2 and the upgrade is written in the travel authorization. Upgrades in accommodations may be approved after completing travel if the courier or control officer cannot maintain adequate security of the package or pouch in coach or business class. If the air terminal is the Service member’s PDS he or she may not be reimbursed for POV operating expenses to and from the air terminal when performing TDY travel.

**0314 Repatriation of a Service Member Held Captive**

**031401. Family Member Travel in Connection with the Repatriation of A Service Member Held Captive**

   2. **Family Members.** The Service member’s spouse, children (including step or adopted, and illegitimate children) the Service member’s siblings, and the Service member’s parents (including fathers and mothers through adoption and persons who have stood in loco parentis to the Service member for no

3. Family Members and Other Relatives Authorized Travel and Transportation. No more than three individuals in a Service member’s family are eligible for travel and transportation allowances. However, the Service member may select up to two other persons related to him or her if no family members can travel to the repatriation site. Each of the two Designated Individuals receives the same travel and transportation allowances that a family member would receive.

Note: The Secretary concerned may waive the limitation on the number of family members to whom travel and transportation allowances are provided in circumstances that the Secretary determines are appropriate.

B. Allowances

1. Transportation. Round-trip transportation is authorized between the home of the traveler receiving transportation and the repatriation site where the Service member is located using Government transportation. If Government transportation is not provided, then the traveler is authorized:

Among those, the Conseil International du Sport Militaire and the Interallied Confederation of Reserve Officers are the only international sports competitions that the State Department has pre-approved for participation. Participation in any other international sports competition requires the State Department’s authorization.

B. Allowances. A participant in amateur sports competitions is authorized standard travel and transportation allowances in Chapter 2. A competitor must comply with DoDI 1330.04 (Armed Forces Participation in National and International Sports Activities) dated August 31, 2010, and Service regulations to receive travel and transportation allowances. See DoD 5500.07-R (Joint Ethics Regulation) when considering a non-Federal source to accommodate or pay travel expenses. See COMDTINST 1710.13 for U.S. Coast Guard Service members.

0316 Observer to United Nations (UN) Peacekeeping Organization

A Service member assigned TDY as an Observer to a UN peacekeeping organization, who receives a UN mission subsistence allowance (the UN’s name for a mission-specific per diem) is also authorized to receive the DoD’s per diem allowances for TDY travel up to a combined total of no more than the State Department’s locality per diem rate. This regulation does not authorize a reduction in the UN mission subsistence allowance. 1. Identify what makes it necessary to participate in the activities, such as “joint labor management cooperation committees concerning accident prevention,” “absenteeism reduction,” “improving communications,” “ensuring equal employment opportunity,” or “maintaining employee productivity and morale.”

2. Include the statement: “I certify that the above information is true and correct.”

Note: The Government does not fund travel and transportation for a labor organization representative engaging in activities covered by 5 U.S.C. §7131(b), which states that internal labor organization business is conducted only when a civilian employee is in a non-duty status.

0320 Travel in the Event of Death

When a DoD traveler dies while on TDY, the commander, commander’s designee, or supervisor must follow applicable Departmental regulations to inform the deceased traveler’s next of kin, or legal representative, of the allowances available in this situation. When a Service member dies, the designated casualty assistance office must be immediately notified. The DoD Component must render all reasonable assistance in arranging for the preparation and transportation of the traveler’s remains, the return of any personal property from the TDY location to the PDS, the finalization of any expenses related to the TDY (for example, checking out of a hotel room, returning a rental car) and assisting any beneficiary in completing and filing a final travel claim for the travel involved. When a traveler dies in a TDY status, per diem accrues through the date of death. Reimbursement for transportation, TDY mileage, or a monetary allowance in lieu of transportation (MALT) accrues from the PDS, old station, or last TDY location, as appropriate, to the place of death, limited to the Defense Table of Official Distances (DTOD) distance.

6. If no relative listed above is provided travel and transportation allowances, then the Person Authorized to Direct Disposition or the person who would have been designated to direct disposition of remains (under 10 U.S.C. §1482(c)) may select no more than two guests to receive round-trip travel and transportation allowances to attend the burial ceremonies. A person who is neither a current Service member nor a civilian employee and who participates in funeral honors duty for a veteran (10 U.S.C. §1491) may also receive allowances.

B. Allowances

1. An RC member traveling on an ITA may be authorized to receive the standard allowances specified in Chapter 2 for TDY.

2. A traveler who is neither a current Service member nor a civilian employee, such as a retired Service member, and who participates in funeral honors duty for a veteran (10 U.S.C. § 1491) will use the available transportation mode that is least costly and still adequately meets the detail’s needs. Reimbursement for actual transportation expenses, which is not a TDY mileage allowance, is payable when a POV is the authorized transportation mode. Reimbursement for actual expenses when using a POV is limited to fuel; oil; parking fees; ferry fares; and road, bridge and tunnel tolls. The actual cost of lodging and meals may be reimbursed up to the per diem rate prescribed for the area concerned. Reimbursement for expenses specified in Chapter 2 may be authorized or approved.

This round trip is in addition to that for the burial ceremony and must be completed within two years of the Service member’s death, unless the Service Secretary waives the time limitation. The memorial service must take place in the CONUS, a non-foreign area OCONUS, or the deceased Service member’s last PDS or home port. It cannot be held...
in a theater of combat operations.

032006. Family Member Attendance During Transfer of Remains

A. Eligibility. The Primary Next of Kin (see DoDI 1300.18, par E2.46) and two additional family members may travel to Dover Air Force Base in Delaware to participate as official observers at the dignified transfer of remains of a deceased Service member or deceased civilian employee who dies in a theatre of combat operations. A family member used in this context is the same as an eligible relative defined in 37 U.S.C. §481f(c) and listed in par. 032002. The Service Secretary may authorize additional family member travel on a case-by-case basis.

B. Allowances. Family members attending transfer of remains per the USD(P&R) memorandum dated April 6, 2009, are eligible to receive the standard travel and transportation allowances specified in Chapter 2 for civilian employees. Authorized allowances should be specified on an ITA.

B. Allowances. The AO may authorize round-trip travel allowances for up to two escorts. Authorized travel is from or to any place the AO determines appropriate for burial.

1. If an authorized escort is a civilian employee, then he or she is issued a TDY order to receive the standard travel and transportation allowances specified in Chapter 2, which requires the transportation to be arranged through a TMC.

2. If an authorized escort is not a civilian employee or Service member, then he or she is issued an ITA to receive the standard travel and transportation allowances specified in Chapter 2 for TDY. The AO arranges the escort’s transportation through a TMC unless the escort has a justified reason to arrange transportation directly with a common carrier for the least expensive and unrestricted economy or coach transportation.

Note: Family members traveling together as escorts should not be separated.
CHAPTER 3:  TDY TRAVEL

PART B:  TRAINING TRAVEL

0321  Conferences for Training

A conference is considered training when the stated purpose is educational or instructional and more than half of the time is scheduled for a planned exchange of information that meets the definition of training. 032102.  Training Conferences at the PDS

0322  Service Member

032201.  Courses of Instruction at a School or Installation

A.  Eligibility.  A Service member on active duty attending instructional courses at a school or installation may be eligible for travel allowances, based upon the scheduled duration using the guidance below.

   a.  Courses with a scheduled duration of 139 or fewer days (20 weeks) are TDY.

   b.  Courses with a scheduled duration of 140 or more days (20 weeks) are PCSs, and the course location is the Service member’s PDS.

   c.  The scheduled duration is the actual period a Service member receives instruction, including weekends, but not counting holiday periods when the Service member is not attending classes,
or incidental time spent at the duty station before classes begin or after they end.

d. A PCS order to a course of instruction cannot be changed to a TDY order after the Service member’s arrival at the new PDS unless the travel authorization was issued in error.

2. **Extensions of Instruction.** If a Service member is assigned additional instruction that extends the scheduled duration from 139 or fewer days (less than 20 weeks) to 140 or more days (20 weeks) at the same location, and the time remaining on the original TDY order plus the additional instruction time is 139 or more days, then the assignment becomes a PCS.

3. **Exceptions to Status.** The Secretary concerned (this authority cannot be delegated) may authorize a designated course, excluding initial entry courses, scheduled to last 140 or more days (20 weeks), but not 181 or more days to be attended and completed in a TDY status instead of a PCS status.

a. Requests for such action must be forwarded through Service Command channels to the Secretary concerned and include the course number, description, length, school location, specific Service of each attendee, number of attendees who traditionally return to the previous PDS, and written justification for TDY instead of PCS.

b. All Service members attending a course must be in the same status (either TDY or PCS) regardless of the Service or DoD Agency affiliation unless a Service member is permanently assigned to the course location immediately before attending the course. In that case, the Service member remains in a PCS status while attending the course.

c. The Secretary concerned must obtain agreement from the other affected Service Secretaries before changing a course status (for example, TDY to PDS, or PDS to TDY) attended by multiple Services or DoD Agencies.

d. The Secretary concerned must obtain the Per Diem, Travel, and Transportation Allowance Committee’s (PDTATAC) authorization or approval for specific courses to be designated and attended as TDY when unusual circumstances, such as infrastructure destruction caused by hurricanes, floods, or similar events, require training courses at one location to last for 181 or more consecutive days.

B. **Allowances.** See Table 3-5 for travel and transportation allowances while attending a course of instruction.

1. A Service member attending training in a TDY status receives the standard travel and transportation allowances specified in Chapter 2, unless stated otherwise in Table 3-6.

2. The schoolhouse commander determines the availability of meals and lodging.

Allowances for field training exercises, maneuvers, and simulated wartime operations are in Chapter 3, Part C.

0323  Reserve Component (RC) Member

032301. RC Member Called or Ordered to Active Duty for Training (ADT)

A. Eligibility. An RC member called or ordered to ADT with pay may be eligible for travel allowances.

B. Allowances. The RC member’s travel allowances depend on where he or she resides, whether he or she commutes daily, and the length of the duty. Travel and transportation allowances for an RC member who commutes to the ADT location are in Table 3-6. Allowances for an RC member who does not commute are in Table 3-7. An RC member training at one location for 140 or more days (20 weeks) is in a PCS status.

032302. RC Member Called or Ordered to Active Duty with Pay for a Specific Duty Status

A. Eligibility. The following RC members are ineligible for per diem or AEA:

1. A Public Health Service officer called to active duty solely to participate in the Commissioned Officer Student and Extern Program.

2. A newly enlisted RC member who is undergoing processing, indoctrination, initial basic training including follow-on technical or home training, or instruction.

3. An RC member listed below when both Government quarters, other than temporary lodging facilities, and a Government dining facility are available.

   a. An RC member performing annual training (AT). In this case the training location is the PDS, and no per diem is payable. Per diem is payable for TDY away from the annual training location or for travel to and from the annual training location if not in a commuting status.

   b. An RC member ordered to involuntary ADT because of unsatisfactory participation in the reserve commitment.

   c. An RC member newly enlisted and attending courses with a break in active duty between courses.

B. Allowances. Transportation to and from these duty locations, and the per diem on travel days is in accordance with Tables 3-6, “Training Travel When an RC Member Commutes,” and 3-7, “Training Travel When an RC Member Does Not Commute.” When an RC member performs ADT, and no per diem or AEA is payable, then he or she may be reimbursed for lodging service charges when occupying transient Government housing. Reimbursement for other than service charges for Government quarters is not authorized.

032303. Inactive Duty Training (IDT) with or without Pay

A. Eligibility. An RC member performing IDT ordinarily receives no travel or transportation allowances, except as listed in Table 3-8.

032304. IDT outside the Normal Commuting Distance

A. Eligibility. The Secretary concerned may authorize reimbursement for travel and transportation for certain RC members in the Selected Reserve of the Ready Reserve who perform IDT that requires them to commute outside the local commuting distance.

1. An eligible RC member must meet one of the following eligibility criteria:

   a. Qualified in a skill designated as critically short by the Secretary concerned.

   b. Assigned to a unit of the Selected Reserve with a critical staffing shortage, or in a pay grade in the Service member’s RC with a critical staffing shortage.

   c. Assigned to a unit or position that is disestablished or relocated as a result of Defense Base Realignment and Closure or other force structure reallocation.

2. For purposes of this paragraph, “outside the local commuting distance” is defined as either of the following:

   a. The local travel area as specified in Section 0206 but not less than 150 miles one way, as determined by the DTOD.

   b. For non-contiguous states and U.S. territories and possessions requiring off-island or inter-island travel to an IDT location that is not normally served by boat or ferry and does not meet the local commuting conditions in Section 0206.
B. Allowances

1. The Secretary concerned may authorize or approve reimbursement for the following actual expenses, limited to $500 (effective February 26, 2018) for each round trip.

   a. Transportation. Transportation cost, including transportation between home and the terminal and between the terminal and the training location, is reimbursed. If a privately owned vehicle (POV) is used, reimbursement is at the “other mileage rate” for the official distance to and from the IDT location and for any parking fees and highway, bridge, and tunnel tolls.

   b. AEA

   (1) Actual meal cost, including tips and taxes but excluding alcoholic beverages, up to the maximum locality meal rate and incidental expenses (M&IE) rate for the duty location is reimbursed.

   (2) Actual cost of lodging plus taxes, including service charges, up to the maximum amount of the locality lodging rate for the duty location is reimbursed. Refer to Table 2-13 for rules on lodging taxes.

2. On a case-by-case-basis, the Secretary Concerned may authorize or approve, a higher reimbursement amount, when the Service member:

   a. Resides in the same State as the training location; and

   b. Resides outside of an urbanized area with a population of 50,000 or more (as determined by the U.S. Census Bureau) and

   c. Is required to commute:

   (1) To a training location using an aircraft or boat (due to limited or nonexistent vehicular routes to the training location or other geographical challenges); or

   (2) From a permanent residence more than 75 miles from the training location.

0324 Cadet or Midshipman

032401. Service Academy Applicant, Cadet, Midshipman, or Graduates

A. Eligibility. A Service member on active duty who is ordered to take preliminary, entrance, or final examinations for admission to a Service academy, a Service academy student on TDY, or a new Service academy graduate is eligible for travel allowances.

Note: An RC member not on active duty, a civilian, and a civilian employee traveling for examinations preparatory to admission to a Service academy are ineligible for travel allowances.

### 032402. Senior Reserve Officer Training Corps (SROTC)—Advanced Training

**A. Eligibility.** An SROTC applicant or a Service member appointed for advanced training is authorized travel and transportation allowances for travel to observe military functions or operations, for medical or other examinations, or for other observations the Service concerned deems appropriate.

**B. Allowances.** Allowances for an SROTC applicant or appointee are listed in Table 3-11.

032403. Traveler in the Financial Assistance Program for SROTC Cadets or Midshipmen

A. Eligibility. A cadet and midshipman who performs TDY travel away from the educational institution is authorized travel and transportation allowances (10 U.S.C. § 2107).

B. Allowances

1. The standard travel and transportation allowances specified in Chapter 2 are authorized, except no per diem is authorized when both Government quarters—other than temporary lodging facilities—and Government dining facilities are available for either of the following:

   a. While performing field or at-sea training.

   b. Travel from home or the SROTC unit location specified in the travel authorization to the place designated for field or at-sea training and return.

2. For TDY under this paragraph, a Government dining facility is a facility designated for officers’ use except when other dining facilities have been designated for use by SROTC members.

3. The automobile mileage rate may be paid for the return trip to the location specified in the travel authorization before an RC member departs from either the field or at-sea training site.

032404. Reserve Officer Training Corps (ROTC) Cadet on Recruiting Duty

A. Eligibility. An ROTC cadet who performs recruiting duty while attending the educational institution at which the ROTC unit is located may be eligible for travel allowances.

B. Allowances. The ROTC cadet may be authorized per diem or AEA on an ITA for recruiting duty performed while attending the education institution where the ROTC unit is located. However, no allowances are authorized when the recruiting duty is in the local area of the cadet’s residence while at the educational institution. See Section 0206.

0325 Spousal Training

032501. Spouse’s Presence Furthers DoD’s Interests

A. Eligibility. A spouse of a Service member or civilian employee may be eligible for travel
allowances when the spouse’s presence would provide a direct benefit to further the interests of the DoD, the Military Service, or the command. This determination can only be made by using the Secretarial Process for personnel within that department, or by the Chairman of the Joint Chiefs of Staff, the Chairman’s designated representative for personnel assigned to the Joint Staff, or a Combatant Commander. The spouse’s travel must be considered mission-essential. The spouse of a Service member or civilian employee may travel at Government expense to attend:

1. A Service-endorsed training course or briefing and subsequently performs a voluntary and direct service incident to such training or briefing (27 Comp. Gen. 183 (1947)) or

2. A briefing or training in which the DoD imparts critical knowledge and information to prepare for life in areas where they may be in danger from terrorist activities or political unrest needed when moving to and residing abroad as a result of the Service member's prospective service (71 Comp. Gen. 6 (1991)).

B. Allowances. The AO may authorize or approve transportation, per diem, or other actual expense allowances if the individual is eligible to travel.

0326 Civilian Employee

A civilian employee may attend training at the PDS or in a TDY status away from the PDS and receive the standard travel and transportation allowances specified in Chapter 2. When sending a civilian employee to training, the DoD Component must determine if the event is primarily for training or for work performance. Each training event, and any move associated with it, must be evaluated individually to determine if training allowances apply.

Note: For conference training, see Section 0321.

032601. Training in the PDS

A. Eligibility. A civilian employee attending training courses in the PDS area may be eligible for travel allowances.

B. Allowances. See Table 3-12 for allowances available to a civilian employee while training.

</tr>
</tbody>
</table>

032602. Training outside the PDS Area

B. Allowances. The civilian employee may receive the standard travel and transportation allowances specified in Chapter 2 or authorized dependent (no per diem) and household transportation allowances. The AO must compare the cost and if the cost of round trip transportation for dependents and HHG is less than the total per diem or AEA the employee would receive, then the AO may authorize round trip dependent and HHG transportation. See Chapter 5 for allowances available when training is in conjunction with a PCS and the civilian employee will not return to the old PDS.

CHAPTER 6: EVACUATION TRAVEL

An evacuation is the authorized or directed departure from an area threatened by unusual or emergency circumstances in the continental United States (CONUS), in a non-foreign location outside the CONUS (OCONUS), or in a foreign location. The information in this chapter complements the Department of State (DoS) Standardized Regulations (DSSR) Chapter 600 (Payments During an Ordered/Authorized Departure) and the Office of Personnel Management (OPM) Code of Federal Regulation (CFR), Title 5 U.S. Code (U.S.C.), Subpart D (Payments During Evacuation). 0601 Evacuation Authority

The authority to evacuate an area depends on whether it is in the CONUS, a non-foreign location OCONUS, or a foreign location. Tables 6-1 through 6-12 identify who can evacuate a location at Government expense and who may authorize an evacuation, designate a destination, receive payments for an evacuee, terminate evacuation status, and authorize return to the evacuated area. Further authority for the allowances is in 37 U.S.C. § 475a, 5 U.S.C. § 5725, and DoDD 3025.14 (Evacuation of U.S. Citizens and Designated Aliens from Threatened Areas Abroad) dated February 26, 2013.

060101. Authority to Order an Evacuation

A. Eligibility. A Service member’s dependent, a civilian employee, or a civilian employee’s dependent may leave a threatened area at their own expense. However, the Government authorizes evacuation allowances when one of the individuals or agencies identified in Table 6-2 or Table 6-3 orders or authorizes an evacuation.

B. Cuba Evacuation. The U.S. Naval Base at Guantanamo Bay, Cuba, is treated differently than other foreign locations during an evacuation because the DoS is not involved in the decision. While Guantanamo Bay is a foreign location and OCONUS allowances apply, the USD (P&R) has the authority to evacuate the U.S. Naval Base.

C. Limited Evacuation. A limited evacuation is a temporary relocation to the nearest available accommodations, which may be Government quarters. A limited evacuation is available from a CONUS location for a Service member’s dependent, a civilian employee, or a civilian employee’s dependent. The civilian employee and his or her dependent can also be authorized a limited evacuation from a non-foreign location OCONUS.

D. Foreign Locations. The DoS decides when the United States evacuates personnel from a foreign location. The DoD and DoS agree to share the responsibility in specific situations or locations, as specified in Table 6-3. If the DoS is not present in the affected area or cannot be contacted within a timely manner, then the Combatant Commander (CCDR), the senior commander in the country concerned, or the DoD Attaché is responsible for ordering or authorizing an evacuation.

060102. Identifying Evacuees

A Service member is placed on a temporary duty (TDY) order or permanent change of station (PCS) order rather than placed in an evacuation status when required to leave a permanent duty station (PDS). A civilian employee can be evacuated, placed on a TDY order, or reassigned to a new PDS. Table 6-4 identifies individuals who may be eligible to receive evacuation allowances when the designated Service or Agency specified in Table 6-2 or Table 6-3 orders or authorizes an evacuation.

060103. Choosing an Evacuation Destination

The anticipated duration of the evacuation is critical to determining whether a dependent travels to a safe haven or a designated place. A safe haven is a temporary location to which a dependent is sent. The safe haven and the evacuated area may be in the same city or country or may be in different cities or countries. If the conditions causing an evacuation are expected to improve and it is anticipated that the dependent will be able to return to the PDS, then the dependent is evacuated to a safe haven. A designated place is a location where a dependent will establish a permanent residence. If conditions are not expected to improve, then the dependent is evacuated to a designated place. The appropriate official determines whether an evacuee will go to a safe haven or a designated place.

A. Eligibility. The Government may provide evacuation allowances for a Service member’s dependent, civilian employee, or a civilian employee’s dependent when they evacuate to an authorized location selected by the authority in Table 6-2 or Table 6-3.

B. Additional Authority. Authorities for a civilian employee or a civilian employee’s dependent are similar, but different than those for a Service member’s dependent, as listed in Table 6-6.

C. **Evacuee Choice.** When CONUS is listed as the safe haven, an evacuee must select the exact location within the designated geographic area. If the United States is listed as the safe haven, a DoD evacuee must select the exact CONUS safe haven. A safe haven in a non-foreign location OCONUS must be authorized or approved by USD (P&R) when evacuating from a foreign location. For evacuations from CONUS or non-foreign OCONUS locations the Secretary Concerned must authorize or approve a safe haven in a non-foreign OCONUS location. If the United States is selected as the safe haven for a non-DoD Service, the evacuee must select an exact U.S. safe haven location.

D. **Alternate Safe Haven.** A Service member or civilian employee may request permission for a dependent to evacuate to an alternate safe haven through the process described in Table 6-7.

| 1 | Within a Safe Haven | a. All Services must obtain formal permission through the Secretarial Process for dependents to receive authorization or approval.  
b. The Secretary concerned must determine that circumstances warrant the move before a dependent can receive travel and safe haven allowances based on the alternate location. |
|---|---|---|
| 2 | CONUS Location | a. Principal Deputy USD (P&R) must authorize or approve each individual request for DoD evacuees to move from one safe haven to another for the travel expenses to be reimbursed while considering the following:  
(1) Family support at the requested destination.  
(2) Co-location with the Service member at an alternate work site.  
(3) Similar factors to support that relocation is in the Government’s best interest.  
b. DoS authorization is not required for an alternate safe haven, but the requests must go through the Secretarial Process. |

### 060105. Funds Advance

An advance for evacuation travel and transportation allowances, including allowances while at a safe haven, may be paid as soon as an order is issued for the Service member’s dependent, civilian employee, civilian employee’s dependent, or an escort to travel from the evacuation area.

A. **Safe Haven Allowance.** A safe haven-allowance advance is limited to an estimated 30 days at the authorized safe haven or designated place.

B. **Dislocation Allowance (DLA).** A DLA advance may be paid to a Service member’s designated dependent before the dependent travels to a designated place. See the DTMO website for DLA rates.
C. Civilian POV. Civilian employees may be paid an advance of funds for transportation and emergency storage of a POV, limited to the estimated expense amount that the AO authorizes for that specific purpose.

060106. Receiving Payments for Evacuation Travel

Only specific individuals can receive payments for evacuation allowances on behalf of eligible evacuees. See Table 6-11 to determine who the Government may pay. Typically, the spouse is the person who receives the evacuation allowance payment; however, other people identified in Table 6-11 may receive the payments when the spouse is separated from other evacuees.

060107. Who Can Terminate Evacuation Allowances

A. **Allowance Expiration.** In addition to the authorities listed above terminating an evacuation, safe haven evacuation allowances terminate on the date a Service member detaches or permanently departs from the PDS from which the dependent’s evacuation was ordered or authorized. However, the evacuation allowances may continue when the PDTATAC issues an Evacuation Allowance Determination to extend safe haven evacuation allowances or the Service member dies.

B. **Time Limits.** Safe haven evacuation allowances cannot extend beyond the earliest of the:

1. Established 180-consecutive day period, unless extended by the USD (P&R) for a DoD Service member’s dependent or by the Secretarial Process for a non-DoD Service member’s dependent.

2. Date on which a dependent departs a safe haven for the PDS or designated place, or converts the safe haven to a designated place;

3. Expiration date established by the USD (P&R) or Secretarial Process (as in Table 6-12) for a DoD Service member’s dependent, and by the Secretarial Process for a non-DoD Service member’s dependent.

4. For civilian employees and their dependents, the above apply subject to the authority who ordered the evacuation as in Tables 6-2 and 6-12.

### 0602 Allowances for Service Members’ Dependents

Allowances vary depending on the location of the evacuation and whether a dependent is authorized to be there.

#### 060201. Eligibility for Evacuation Allowances

A. **Service Member’s Dependent.** A Service member’s dependent may be eligible for evacuation allowances in accordance with 37 U.S.C. § 475a and DoD Directive 3025.14, (Evacuation of U.S. Citizens and Designated Aliens from Threatened Areas Abroad) dated February 26, 2013. A dependent must meet one of the criteria in Table 6-13 to qualify for allowances at the location being evacuated, safe haven, or designated place.

B. **RC Member’s Dependent**

1. A dependent of an RC member (10 U.S.C. §§ 101, 10101) on active duty or full-time National
Guard duty under 32 U.S.C. § 502(f) may be eligible for evacuation allowances if all of the following occur together:

   a. No evacuation allowances are authorized for a dependent for any period in which the RC member was not on active duty or full-time National Guard duty.

   b. The evacuation order is given when the RC member is on active duty.

   c. The dependent actually evacuates from his or her residence or continues to reside at a safe haven.

   d. The RC member’s primary residence when called or ordered to active duty or full-time National Guard duty is in the vicinity of a PDS.

2. A dependent of a National Guard member who is released from active duty following deployment from a contingency operation and immediately, without a break in service, is called to full-time National Guard duty under 32 U.S.C. § 502(f), remains eligible for continued evacuation allowances.

3. The dependent of an RC member ordered to active duty under an involuntary authority (10 U.S.C. § 12302) in support of a contingency operation and whose order is amended to retain the RC member on active duty under a voluntary authorization (10 U.S.C. §12301(d)) remains eligible for continued evacuation allowances.

4. In addition to the eligibility in this paragraph, the criteria in Table 6-13 also apply.

A dependent who resides at the Service member’s permanent duty station (PDS) or in the PDS vicinity when the evacuation is ordered or authorized. “In the PDS vicinity” means: (1) A dependent is residing in the foreign location or non-foreign location OCONUS within which the PDS is located. (2) A Service member resides with the dependent in an area OCONUS and commutes to the PDS from a place located in an adjacent country. |
| b. A dependent who is temporarily absent from the Service member’s PDS in the CONUS or its vicinity. | b. A dependent student who would have traveled to the evacuated PDS, but instead travels to a safe haven or designated place. A dependent temporarily absent from the PDS for any reason after having established residence at or in the vicinity of the PDS, including a dependent student attending an OCONUS dormitory school away from the Service member’s PDS. |
| c. A dependent traveling to the Service member’s PDS in the CONUS or its vicinity to establish a permanent residence with the Service member. | c. A dependent at, temporarily away, or en route to the Service member’s PDS, who is not command sponsored is authorized transportation only and is not authorized per diem while traveling or safe haven allowances. |

060202. Travel and Transportation Allowances

The evacuation order includes transportation instructions for departure. Allowances differ between a limited evacuation in the CONUS and a regular evacuation. Dependents at the Service member’s PDS OCONUS who are not command sponsored are authorized transportation only.

A. Per Diem while Traveling. A dependent evacuated from a location in the CONUS (a limited evacuation or regular evacuation) or a command-sponsored dependent evacuated from an OCONUS location is authorized the following per diem while traveling:

1. Per diem for travel to and from the safe haven location. This is paid using the computation method in par. 020301 and adjusted based on the age of the dependent.

Table 6-15. Per Diem while Traveling to and from a Safe Haven

</tr>
<tr>
<td>2 Under 12 Years</td>
<td>An amount limited to one half of what a Service member traveling on a TDY receives.</td>
</tr>
</tbody>
</table>

2. A dependent at the Service member’s PDS OCONUS who is not command sponsored is not authorized per diem.

B. Dependent Temporarily Absent from PDS. A dependent, including a dependent student, temporarily absent from the PDS for any reason after having established residence at or in the vicinity of the PDS can receive allowances for only one departure from the location being evacuated during each evacuation. This includes a dependent student attending a dormitory school in a foreign location away from the Service member’s PDS.

1. The dependent stays at the place where he or she is located when the evacuation is ordered or authorized and is considered to be at a safe haven until instructed otherwise. The appropriate authority determines whether the dependent will receive allowances to stay at the location, go to another location, or return to the PDS.
2. Safe haven allowances begin on the date the return travel to the PDS would have begun had the return not been prevented by the evacuation. The dependent or Service member furnishes this date as instructed by the Service or Agency. The date must not be earlier than the date the evacuation from the PDS actually began.

C. **Dependent Student.** The safe haven or designated place replaces the Service member’s PDS as the destination authorized under par. 050816 when a dependent student is attending school in the United States, and the Service member is authorized transportation allowances for the dependent student to travel to the PDS but the PDS has been evacuated. Evacuation allowances begin on the date the dependent student would have joined the Service member OCONUS had it not been for the evacuation.

1. If the dependent student joins other dependents at the safe haven or designated place, the dependent student is authorized one round trip between the school and the safe haven or designated place. If the dependent student is the Service member’s only dependent, and if the CONUS is named in the evacuation authorization or order as the safe haven, the dependent student is authorized transportation to and from the exact safe haven location within the CONUS that the dependent student or the Service member selects.

2. The dependent student receives evacuation allowances while at the safe haven as specified in Table 6-17. Transportation to a safe haven has no effect on the dependent student’s travel between the school and the Service member’s PDS OCONUS, as specified in Chapter 5.

3. Unless terminated sooner for other reasons, evacuation allowances continue until the dependent student departs the safe haven to return to school to resume classes there, starts attending classes at a school, or the date the student would have returned to the school under the provisions of par. 050816 from the Service member’s PDS, whichever occurs first.

D. **Transportation to Designated Place.** A dependent at the safe haven who is directed to select a designated place and chooses a different location other than the current safe haven is authorized transportation from the safe haven to the designated place.

### 060203. Escort during Evacuation

A. **Eligibility.** The AO may authorize an escort for a dependent who cannot travel alone due to age, physical or mental incapacity, or other extraordinary circumstances.

B. **Escort Allowances.** An escort may be authorized round-trip transportation, one-way transportation, or transportation to the point from which the dependent must be escorted, as applicable. The following individuals may serve as an escort:

1. **A Service Member.** The escort is issued a TDY order and receives the standard travel and transportation allowances specified in Chapter 2.

2. **A Civilian Employee.** The escort is authorized the TDY allowances in regulations issued by the civilian employee’s Agency or Department. A DoD civilian employee serving as an escort must have a TDY order that cites this paragraph as the authority for the travel and must follow the rules in Chapter 2 for transportation. The Agency directing the travel funds the escort’s travel.

3. **A Person Other Than a Service Member or Civilian Employee.** The escort travels on an invitational travel authorization (ITA) and receives the same travel and transportation allowances as a
civilian employee on a TDY.

060204. Pet Transportation and Quarantine –Evacuation from Foreign PDS

A. **Eligibility.** A Service member is authorized transportation and quarantine fees for up to two household pets (defined as a cat or dog) to and from a safe haven or designated place if he or she currently owns them at the evacuated foreign PDS.

B. **Allowances.** If the Service member transports the pets at personal expense, then reimbursement is limited to the constructed cost that the Government would have incurred if it had transported the pets. A Service member traveling on a separation or retirement order is not authorized reimbursement for pet transportation or quarantine fees. No authority exists to reimburse expenses associated with transporting a pet, including its quarantine, for an evacuation in the CONUS or a non-foreign location OCONUS.

060205. Allowances While at the Safe Haven

A. **Eligibility.** See Table 6-13 to determine eligibility for safe haven allowances. A dependent at the Service member’s PDS OCONUS who is not command sponsored is not authorized safe haven allowances.

B. **Allowances**

1. Transportation

| Table 6-16. Transportation Allowances for a Dependent during Evacuation |
|-----------------------------|-----------------------------|-----------------------------|
| **Allowance**               | **Safe Haven or Alternate Safe Haven** | **Designated Place**          |
| 1 | Local Travel | Yes | Only if the dependent has not taken delivery of a POV or did not drive a POV to the safe haven. |
| 2 | POV Shipment | No | Yes |
| 3 | Rental Vehicle | No | Only when a POV is scheduled for delivery and arrives late. |

   a. A local travel allowance of $25 per day for each family, regardless of the number of dependents, is authorized when the dependent has not taken delivery of a POV transported to a designated place or did not drive a POV to the safe haven. No receipt is required for a local travel allowance. No local travel allowance is authorized on any day that reimbursement is received for a rental vehicle.

   b. Shipment of a POV at Government expense to a safe haven is not authorized. When a Service member receives a PCS order while a dependent is at a safe haven, the authorization to transport a POV from the safe haven is in the Service member’s PCS order.

   c. A dependent directed to go to a safe haven, who instead goes somewhere that is not authorized or approved, is authorized the **Standard CONUS rate** at the percentage specified in Table 6-17.

2. **Safe Haven Allowances.** An evacuated dependent from the CONUS (a limited evacuation or regular evacuation) or a command-sponsored dependent OCONUS is authorized the following safe haven allowances and miscellaneous expenses at the safe haven:

   a. Safe haven allowances during the first 30 days while at the safe haven location. This is
paid using the computation method in par. 020301 and the safe haven locality per diem rate, combined
with the age of the dependent. Safe haven evacuation allowances are initially authorized for 30
consecutive days. The 30-day clock begins on the day after the dependent’s arrival at the safe haven (see
par. 020301 for the applicable computation rules).

(1) Each dependent receives the appropriate percentage of the meals and incidental
expense (M&IE) rate of the locality per diem rate. The dependent receives the M&IE regardless of
whether there is a lodging expense on a given day.

(2) The amount reimbursed for lodging is the actual lodging cost incurred by the
dependent family, up to the maximum available to each dependent at that safe haven. Individual amounts
are based on the lodging portion of the locality per diem rate and Table 6-17. A dependent receives this
allowance for each day in an evacuation travel status.

(3) No lodging reimbursement is authorized if a dependent stays with a friend or relative
while at a safe haven, whether or not any lodging payment is made to the friend or relative. If the
dependent rents a house or apartment with a valid, written lease from a friend or relative who does not
jointly occupy the rental, then the evacuated dependent is authorized lodging costs as specified in Chapter
2.

(4) If a Value-Added Tax relief certificate is used to avoid paying the lodging taxes in an
area OCONUS, then the cost of the certificate is a miscellaneous reimbursable expense.

(5) If the dependent moves to a different location other than the current safe haven, then
he or she receives the rate authorized in Table 6-17 for the first 30 days.

(6) Tax paid on lodging while at a safe haven or designated place or traveling in CONUS
or a non-foreign area OCONUS is a miscellaneous reimbursable expense.

(7) Tax paid on lodging while at a safe haven or designated place or traveling in a
foreign area OCONUS is not separately reimbursable. It is part of the lodging portion of per diem rate
used to compute the safe haven allowances.

b. Reimbursement of the expenses incurred for the unexpired lease period up to 30 days if a
dependent signs a lease for lodging at the safe haven and is then authorized to return to the PDS or to
move to a designated place. A dependent should avoid signing a long-term lease or a lease without a
military clause while at a safe haven. The amount reimbursed is limited to what the dependent would
have received for the lodging portion of the safe haven evacuation allowance for the unexpired lease
period.

c. Safe haven allowances are reduced after the initial 30 consecutive days, which may
continue for up to an additional 150 consecutive days. The USD (P&R) can increase the safe haven
allowances authorized in Table 6-17, after 30 days for a DoD Service member’s dependent up to 100% of
the locality per diem rate and the Secretary concerned can increase the per diem rates for a non-DoD
Service member’s dependent. The 180-day clock starts over at a new safe haven if the dependent is
directed to a new safe haven. If the dependent requests to move from one safe haven to another, then the
180-day clock continues from the previous safe haven.

(1) If the reduced safe haven evacuation allowance specified in Table 6-17 is insufficient
to cover the lodging, meals, and incidental expenses for a specific individual at a safe haven, then the
dependent or the individual receiving the safe haven evacuation allowances on behalf of the dependent
may request an increased rate.

(2) Send requests for an increased rate through the paying finance or disbursing office to the PDTATAc, Chief.

(a) It must contain the actual daily costs incurred for lodging, meals, and incidental expenses, and the finance or disbursing officer should add any pertinent information and recommendations. The PDTATAc contact information for this request is on the front page of this regulation.

(b) If the request is granted, then PDTATAc issues an Evacuation Allowance Determination specifying the amount of a dependent’s evacuation allowances at an authorized or approved safe haven. The Evacuation Allowance Determination, or the denial of the request, is sent directly to the dependent concerned, with a copy to the finance or disbursing office submitting the request. PDTATAc provides copies of all requests and approvals or disapprovals to the applicable Service representative.

d. Government dining facility availability or use has no effect on the safe haven evacuation allowances for a dependent, even though the dependent uses or may use the dining facility without charge.

e. A dependent who arrives at the safe haven and then leaves for personal reasons receives no transportation to the personal location. He or she continues to receive safe haven allowances at the same rate as though the dependent had remained at the safe haven, provided that the dependent does not join the Service member to establish a residence or to occupy the old residence at the PDS.

f. A dependent temporarily absent from the Service member’s PDS when an evacuation is ordered or authorized may receive safe haven evacuation allowances based on the locality per diem rate for the location where the dependent is delayed. The allowance begins at 0001 on the date the dependents would have begun return travel to the PDS. This date that the dependent would have begun return travel to the PDS must be confirmed from information secured from the Service member or dependents, but must be no earlier than the date the evacuation began.

g. A dependent traveling to the Service member’s PDS when an evacuation is ordered or authorized may receive safe haven evacuation allowances based on the locality per diem rate for the location where the dependent is delayed and using the computation method in par. 020301.

(1) The allowance begins at 0001 on the date the dependent receives official notification of port call withdrawal or suspension, or withdrawal of official authority to travel to the Service member’s PDS on personally procured transportation. The safe haven evacuation allowances continue
until 2400 on the date the dependent receives notification to resume travel, or to begin travel to a different safe haven or a designated place.

(2) If travel is authorized directly to the Service member’s PDS, then no safe haven evacuation allowances for travel to the PDS are authorized.

(3) If the dependent moves to a different location other than the current safe haven, then he or she receives the rate authorized in Table 6-17 for the first 30 days.

h. An actual expense allowance (AEA) is not authorized for an evacuation.

060206. Standard Allowances While at Designated Place

A. Eligibility. See Table 6-13 to determine eligibility for safe haven allowances at the designated place. An eligible dependent directed to select a designated place may choose to convert the current safe haven to the designated place or select a different location. That is important in determining allowances at the designated place. A dependent at the Service member’s PDS OCONUS who is not command sponsored is not authorized allowances at a designated place.

B. Allowances

1. Transportation at the Designated Place. A local travel allowance of $25 per day for each family, regardless of the number of dependents, is authorized when the dependent has not taken delivery of a POV transported to a designated place or did not drive a POV to the safe haven during an evacuation in the CONUS. No receipt is required for a local travel allowance. No local travel allowance is authorized on any day that reimbursement is received for a rental vehicle.

2. Per Diem at the Designated Place. A dependent is authorized the following evacuation and safe haven allowances at the designated place:

   a. Once at a designated place, the dependent is authorized safe haven evacuation allowances as specified in Table 6-17 for a limited time to offset lodging and M&IE expenses while finding a house and establishing a permanent residence, limited to Table 6-18.

   b. Safe haven evacuation allowances at the designated place begin on the dependent’s arrival date at the designated place, or on the date the safe haven is converted to the designated place. The direction to relocate to a designated place must specify the date when the dependent’s safe haven evacuation allowances stop. The termination date of safe haven evacuation allowances are specified in Table 6-18.

3. **POV Shipment to the Designated Place**

   a. When a dependent evacuated from OCONUS goes to a designated place, appropriate authority may authorize or approve the transportation of one POV to the designated place, including any ground transportation required. The Secretarial Process may determine POV transportation is prudent when a dependent evacuated from the CONUS cannot drive a POV to a designated place.

   (1) The POV must be in a port or vehicle processing center awaiting transportation, at the PDS area, or en route to the PDS when the evacuation is declared.

   (2) The POV must be owned by the Service member or the evacuated dependent.

   (3) When a dependent selects a designated place OCONUS, any taxes resulting from the POV move are the Service member’s or dependent’s financial responsibility.

   b. When an authorized POV does not arrive at the designated place by the scheduled delivery date, or is not made available to the dependent on or before the scheduled delivery date, then the Service or Agency must reimburse the Service member for the cost of a rental vehicle for the dependent’s use. Reimbursement for a rental vehicle is limited to $30 per day with a maximum reimbursement of $210. The dependent may rent a vehicle as early as the day after the POV’s scheduled delivery date and keep it for up to 7 days, or less if the POV is available for delivery sooner.

4. **DLA is authorized when a command-sponsored dependent is evacuated to a designated place. DLA is also payable when return travel for a command sponsored dependent is authorized from the designated place to the Service member’s PDS. The prohibition against more than one DLA payment in a fiscal year does not apply when DLA is paid because of an evacuation. No DLA is payable when a dependent is relocated to a safe haven. No DLA is payable on behalf of a non-command-sponsored dependent.**
060207. Allowances when an Evacuation is Canceled

A. Eligibility. A Service member’s dependent who was transported to a safe haven or designated location at Government expense may be eligible for allowances to return to the PDS.

B. Allowances

1. Transportation

   a. A dependent is authorized transportation as specified in Table 6-19.

   b. A dependent who turns 21 after evacuating to a safe haven is authorized the allowances in Table 6-19 if he or she was moved to the PDS OCONUS at Government expense and the Service member is still at that PDS. A dependent who was evacuated while residing at a location other than the Service member’s current PDS because the Service member is on an unaccompanied tour of duty may also receive the allowances in Table 6-19 if he or she turns 21 after the evacuation.

2. Per Diem

   a. Safe haven evacuation allowances stop on the day that transportation is first made available to a dependent. However, the appropriate authority identified in Table 6-12 may authorize an extension of evacuation allowances because of an unavoidable delay that is beyond the dependent’s control.

   b. Per diem while traveling from the safe haven to the appropriate destination in Table 6-19 is the same as for leaving the location being evacuated as specified in par. 060202.

3. POV Shipment from the Designated Place

   a. When a dependent is at a designated place after being evacuated from an OCONUS location, and the Service member has not received a PCS order, and the dependent is authorized to return
to the Service member’s PDS, one POV may be authorized or approved for shipment if both of the following apply:

(1) A POV was transported to the designated place under the evacuation order.

(2) At least 12 months remain on the Service member’s tour of duty after the date on which the POV is delivered to the port or vehicle processing center servicing the PDS, or the Secretarial Process authorizes or approves an exception to that 12-month requirement.

b. When a dependent is at a designated place and a POV has been transported to the designated place at Government expense, and the Service member receives a PCS order to a new PDS, the authorization to transport a POV from the designated place is under the Service member’s PCS order.

c. When a dependent is at a designated place after being evacuated from a location in the CONUS, and the dependent is authorized to travel to the Service member’s PDS, a POV may be transported to the PDS in the CONUS, including any overland transportation required, if the Secretarial Process authorized or approves the transportation based on the determination that circumstances make the POV move prudent.

060208. Preparing for Return Trip

A. Eligibility. A dependent who was transported to a safe haven or designated place at Government expense may be eligible for return transportation when an evacuation status is canceled.

B. Allowances

1. Transportation. A dependent who is authorized to travel from the safe haven location or designated place to obtain a passport or a medical screening as a requirement to returning to the Service member’s PDS is authorized transportation for one round trip. Transportation is by one of the following:

   a. Government-owned or Government-procured transportation.

   b. Transportation in-kind.

   c. Personally-procured commercial transportation. Reimbursement is the actual transportation cost, limited to what it would have cost to provide Government-procured transportation.

   d. POV reimbursed at the automobile TDY mileage rate for the official distance according to the Defense Table of Official Distance. When two or more dependents travel together by POV, only the POV operator is authorized the TDY mileage allowance.

2. Per Diem. No additional safe haven evacuation allowances, meals, or lodging associated with the round trip are authorized.

060209. Non-Command-Sponsored Dependent Returns to PDS

A. Eligibility. A dependent who is not command-sponsored and was transported to, diverted to, or required to remain at a safe haven in the CONUS or OCONUS because of an evacuation may be eligible for transportation to the Service member’s PDS OCONUS.
B. Allowances. Only the USD(P&R) may authorize transportation for a DoD Service member’s non-
command-sponsored dependent. A non-DoD Service member’s dependent may be authorized
transportation through the Secretarial Process.

0603 Household Goods (HHG) Shipment for a Service Member’s
Dependents

A. Eligibility. A Service member’s evacuated dependent is authorized HHG transportation or
storage from a location in the CONUS, non-foreign location OCONUS, or foreign location. HHG can be
shipped from:

1. The Service member’s PDS to a safe haven, a designated place, non-temporary storage (NTS),
or a new PDS.

2. One safe haven to another safe haven, a designated place, the old PDS, or a new PDS.

3. A designated place to the old PDS or to a new PDS.

B. Allowances

1. Baggage. Unaccompanied baggage is authorized when evacuated from a CONUS, non-
foreign OCONUS, or foreign location. Table 6-20 provides the details for this allowance.

2. Air Freight Allowance

a. An air freight allowance for the unaccompanied baggage may be authorized or approved
when departing from and returning to the PDS OCONUS in accordance with Table 6-20.

b. If the air freight allowance is not used to transport unaccompanied baggage because of
circumstances beyond the dependent’s control, then the dependent may be authorized or approved an air
freight-replacement allowance to purchase necessary items at the safe haven. The air freight-replacement
allowance is in place of an air freight allowance for travel from the PDS. It is a set dollar amount and is
intended to help offset costs of items ordinarily part of the authorized air freight shipment that must be
purchased at the safe haven. When the air freight-replacement allowance is authorized for travel from the
PDS, a dependent is still eligible for an air freight allowance upon return to the PDS.

(1) Amounts authorized for an air freight-replacement allowance are: one evacuated dependent, $250; two evacuated dependents, $450 total (not each dependent); three or more evacuated dependents, $600 total.

(2) No receipts are required.

3. HHG Shipment

If the Government is shipping HHG to a PDS where an evacuation is ordered, or if the HHG was turned over to a Government agent for transport, then the Government must make every effort to stop or divert the shipment. If the Service member personally arranged for the HHG transportation to that PDS, then he or she is responsible for stopping or redirecting the HHG shipment.

0604 Standard Allowances for Civilian Employees and Their Dependents

See DSSR, Chapter 600 for the evacuation allowances that apply to civilian employees and their dependents during an evacuation from a foreign location. See 5 CFR §§ 550.401 through 550.409 for the evacuation allowances that apply to civilian employees and their dependents during an evacuation from a non-foreign location OCONUS or inside CONUS. Although DoD has adopted the DSSR and the CFR, some portions of these regulations have been modified to apply specifically to DoD. The DoD modifications to specific policy are contained in this section. When the DSSR and the CFR see “Agency head,” the applicable authority for a DoD civilian employee or the civilian employee’s dependent is through the Secretarial Process, the Secretary of the Service concerned, the Secretary’s designated representative, or the head of a DoD Component.

060401. Travel and Transportation Expenses

The en route travel and transportation expenses for a civilian employee or the civilian employee’s dependent who is ordered or authorized to depart the PDS for a safe haven are as specified in Chapter 2 for TDY travel.

**060402. Subsistence Expense Allowance or Per Diem**

A. **Evacuation in a Foreign Location.** The allowances in the DSSR, Chapter 600, apply when the evacuation is from a location OCONUS. The DSSR defines the subsistence expense allowance as the daily amount payable to assist in off-setting the cost of lodging, meals, and incidentals for evacuated civilian employees and their dependents. The subsistence expense allowance is computed differently, depending upon the type of lodging used, family composition, and certain formulas provided in the DSSR. For special family compositions not addressed by the DSSR, Chapter 600, submit requests for computational guidance through the appropriate CAP member to the Director, Office of Allowances, ATTN: (A/OPR/ALS), U.S. Department of State, Washington, DC 20522-0104.

B. **Evacuation in the CONUS or a Non-Foreign Location OCONUS.** The allowances in 5 CFR §§ 550.401 through 550.409 apply when the evacuation is from a location in the CONUS or non-foreign location OCONUS. When the CFR §§ 550.401 through 550.409 cites TDY allowances, or refers to the FTR, the rules in the Chapter 2 apply. The amount reimbursed for lodging is the actual lodging cost incurred by the dependent family, up to the maximum available to each dependent at that safe haven.

**060403. Shipment of HHG**

A. **HHG Shipment to Safe Haven.** The shipment of HHG is authorized under the provisions of Title 5 U.S.C., Section 5727 when the evacuation is from a location in the CONUS or a non-foreign location OCONUS. Shipment may be authorized from the civilian employee’s PDS to a safe haven pending a determination as to whether the civilian employee or dependent will:

1. Return to the PDS from which evacuated.
2. Transfer or be reassignment to another PDS.
3. Return to his or her actual residence when a civilian employee is serving a prescribed tour for duty at a location OCONUS under a service agreement.

B. **HHG Shipment to Next PDS or Actual Residence.** If it is known at the time of the evacuation, or later determined, that the civilian employee or dependents are not to return to the evacuated PDS, transportation for the civilian employee or dependent and HHG may be authorized from the PDS or safe haven to the civilian employee’s next PDS, or actual residence if there is no PCS for a civilian employee serving at a PDS OCONUS under a service agreement.

**060404. Subsistence Expense Allowance Rules During Annual Leave, Sick Leave, Home Leave, and Leave Without Pay—Evacuation OCONUS**

A. **Eligibility.** A DoD civilian employee away from the PDS OCONUS on annual leave, sick leave, home leave, or leave without pay when an evacuation is authorized should immediately contact the PDS
for instructions. The civilian employee then returns to the PDS or receives authority to report to the safe haven or a TDY location. Dependents may be eligible for a subsistence expense allowance on the day after arrival at the authorized safe haven if the civilian employee has already started official travel to the PDS, TDY location, or safe haven.

B. Allowances. The civilian employee and dependents are authorized travel and transportation allowances if instructed to go to a safe haven. If the civilian employee is away on personal business when an evacuation is authorized, the cost of transportation to the safe haven is limited to what it would cost if traveling from the evacuated PDS to the safe haven. Upon arrival at the safe haven, payments of a subsistence expense allowance are authorized as specified in the DSSR, Chapter 600. A subsistence expense allowance is not paid to any evacuee authorized to receive per diem.

060405. Emergency POV Storage Due to an Evacuation OCONUS

A. Eligibility. If the civilian employee or the employee’s dependent must evacuate the PDS OCONUS, emergency storage of one POV may be authorized if one of the following applies:

1. The POV was transported, or authorized to have been transported, at Government expense to the PDS.

2. The civilian employee or the employee’s immediate family member drove the POV to the PDS and the POV use was in the Government’s interest.

B. Allowances

1. POV storage may be at a place determined to be reasonable by the DoD Component concerned, whether the POV is already located at, or being transported to, the PDS.

2. Expenses allowed for emergency storage of a civilian employee’s POV include:

   a. Actual POV storage expenses.

   b. Readying the POV for storage and then for return to the traveler after the emergency has ended.

   c. Local transportation expenses to and from storage.

   d. Other necessary expenses relating to POV storage and transportation.

3. The cost of insurance carried on the POV while it is in storage is the civilian employee’s financial responsibility.

C. Advance of Funds. An advance for transportation and emergency storage of a POV may be paid limited to the estimated expenses amount authorized for that purpose.

060406. POV Shipment

A POV may be shipped at Government expense under the rules in Chapter 5 if the proper authority determines that the civilian employee cannot return to the evacuated PDS. The civilian employee must be given a PCS order to a new PDS or returned to the actual residence following separation from the PDS
OCONUS if employed under a service agreement. There is no other authority to ship a POV in connection with an evacuation.

060407. Pet Transportation and Quarantine – Evacuation from Foreign PDS

A. **Eligibility.** A civilian employee is authorized transportation and quarantine fees for up to two household pets (defined as a cat or dog) to or from a safe haven or designated place if he or she currently owns them at the evacuated foreign PDS.

B. **Allowances.** If the civilian employee transports the pets at personal expense, then reimbursement is limited to the constructed cost that the Government would have incurred if it had transported the pets. A civilian employee traveling on a separation order is not authorized reimbursement for pet transportation or quarantine fees. No authority exists to reimburse expenses associated with transporting a pet, including its quarantine, for an evacuation in the CONUS or a non-foreign location OCONUS.

060408. Subsistence Expense at the PDS When Home is Uninhabitable

A. **Eligibility.** A civilian employee who is required to work at the PDS whose home is uninhabitable in connection with the evacuation may be eligible for allowances.

B. **Allowances**

1. A civilian employee is authorized special allowance for subsistence expenses under 5 CFR § 550.405(b) when he or she returns to the PDS to work. A dependent who is not allowed to return to the PDS and remains at the safe haven receives safe haven allowances while the civilian employee was required to work at the PDS.

2. A dependent who returns to the PDS with the civilian employee and whose home is uninhabitable in connection with the evacuation may be authorized special allowances under 5 CFR 550.405(b) rather than returning to the uninhabitable home. Additional guidance is available in OPM’s Handbook On Pay and Leave Benefits For Federal Employees Affected By Severe Weather Emergencies or Other Emergency Situations and the OPM e-mail, “Employee & Dependents Return to PDS But their Residence Uninhabitable,” November, 17, 2005.

060409. POV and Local Transportation – CONUS or Non-foreign OCONUS Evacuation

There is no authority to reimburse POV shipment or local travel at the safe haven incurred during an evacuation from CONUS or a non-foreign location OCONUS:

060410. Limited Evacuations

A. **Eligibility.** A civilian employee or his or her dependent residing at or in the vicinity of the PDS in a CONUS or a non-foreign OCONUS location is eligible for evacuation allowances when the appropriate official in par. 060101 orders or authorizes the limited evacuation.

B. **Allowances**

1. Transportation is for one round trip from the civilian employee’s evacuated residence to the nearest available accommodation, which may be Government quarters, and return. When a POV is the
transportation mode used, mileage is paid at the TDY mileage rate to the POV operator. There is no transportation reimbursement for a passenger in a POV.

2. Per diem is as specified in par. 060408 while at the safe haven location. See Computation Example.

060411. Allowances when an Evacuation is Canceled

See the DSSR, Chapter 600, and 5 CFR §§ 550-406 and 550-407 for allowances and conditions for a civilian employee’s dependent to return to the PDS when an evacuation is canceled.

060412. Family Visitation Travel (FVT) during an Evacuation

A. Eligibility

1. A civilian employee who is a U.S. citizen assigned to a foreign PDS OCONUS for a tour of duty that lasts more than 1 year may be eligible for FVT if he or she (10 U.S.C. § 1599b and 22 U.S.C. § 4081):

   a. Has a service agreement that provides for return transportation at Government expense to his or her actual residence.
   b. Has an immediate family member who was evacuated from his or her foreign PDS.

B. Allowances. FVT is a discretionary allowance and is not authorized for travel within the country of assignment. To the maximum extent possible, FVT must be combined with official required travel.

1. Transportation. The AO determines the authorized transportation mode. The provisions for transportation specified in Chapter 2 apply to FVT. Reimbursement for transportation is limited to the policy-constructed airfare between authorized locations.

   a. If a POV is used, the mileage reimbursement is based on the “other mileage rate” specified in Chapter 2.

   b. Indirect routing is allowed only when official duties must be performed en route or when it is to the Government’s advantage to purchase a ticket in foreign currency at an intermediate point.

   c. Excess and near excess foreign currencies must be used to the maximum extent feasible.

2. Miscellaneous Reimbursable Expenses. When travel is by commercial air, rail, or bus, the total transportation reimbursement is for the actual expenses incurred, limited to the Government-procured transportation cost between authorized locations. When travel is by POV, mileage is paid at the TDY mileage rate instead of actual expense, and is limited to the Government-procured transportation cost between authorized locations. Table 6-26 lists the reimbursable expenses authorized and not authorized during FVT. Reimbursable transportation costs include the actual ticket cost and those identified in Table 6-26 when not included as part of the ticket cost.

3. FVT is to a CONUS or non-foreign location OCONUS

   a. No more than two round trips to the CONUS or non-foreign location OCONUS may be
authorized during a single year.

b. For FVT purposes, a year starts on the evacuation date of the civilian employee’s family or the date of return to the PDS OCONUS from RAT.

c. The total cost of visitation travel during a 1-year period may not exceed the cost of two economy or coach class round trips to the family’s residence.

d. One FVT may be permitted for each full six-month period of service at an evacuated PDS OCONUS.

e. A civilian employee’s absence from the PDS for FVT is limited to a total of 48 calendar days in 1 year, including travel time, but excluding days on duty or in an official travel status. An FVT visit should not exceed 24 calendar days, including travel time.

f. A civilian employee is expected to spend a minimum of 7 days per visit in the CONUS or non-foreign location OCONUS.

4. FVT is to a Foreign Location

a. More than two visits to family members who are at a foreign location may be allowed during a 1-year period provided that:

(1) The trips’ cost does not exceed the cost of two economy or coach-class round trips to the civilian employee’s actual residence.

(2) The cost of each economy or coach-class round trip does not exceed the policy-constructed cost of a round trip to the civilian employee’s actual residence. The policy-constructed cost is calculated at the time the first trip is taken and applied to subsequent trips.

b. A civilian employee’s absence from the PDS may not exceed:

(1) A total of 48 calendar days in 1 year. This includes travel time, but does not include days on duty or in an official travel status.

(2) Forty-eight calendar days divided by the fractional part of 1 year to ensure the number of days FVT is taken does not exceed the portion of the calendar year during which the benefit has accumulated.

C. Funding. The civilian employee’s command funds the FVT and reimburses the authorized expenses. The civilian employee is financially liable for any expenditure not authorized or approved. Directions on how and when to charge leave related to FVT are in DoDI 1400.25, Vol 630 (DoD Civilian Personnel Management System: Leave) and DoDI 1400.25, Vol 1260 (DoD Civilian Personnel Management System: Home Leave), both dated March 19, 2015 and incorporating Change 2, effective May 8, 2015.

DEPENDENT (Service members only)

A. General. The term “dependent” is defined by 37 USC §401. Except for transportation to obtain OCONUS medical care (par. 033101), any of the following individuals are a dependent:

1. A Service member's spouse;

2. A Service member’s unmarried child under age 21. This includes an infant born after a PCS order effective date when the mother’s travel to the new PDS before the child’s birth was precluded by Service regulations:
   a. Because of the advanced state of the mother’s pregnancy or other medical reason(s) as certified by a medical doctor, or

3. A Service member's unmarried stepchild under age 21. This includes a Service member’s spouse’s illegitimate child. A stepchild is excluded as a dependent after the Service member’s divorce from the stepchild's parent by blood. See B-177061 November 4, 1974;

4. A Service member's unmarried adopted child under age 21. This includes a child placed in the Service member’s home by a placement agency for the purpose of adoption.;

This includes step, adopted, and illegitimate children.;

7. A Service member's unmarried child of any age who is incapable of self-support because of mental or physical incapacity and is, dependent on the Service member for over one half of his/her support. This includes a Service member's child by blood, a stepchild, an adopted child, a child placed in the Service member’s home by a placement agency for the purpose of adoption, and an illegitimate child if the Service member's parenthood of the child is established IAW Service regulations.;

8. For transportation authorized in par. 050803:
a. A Service member's unmarried child who traveled at Government expense to an OCONUS PDS incident to the Service member's assignment there and by reason of age or graduation from/cessation of enrollment in, an institution of higher education, otherwise would cease to be the Service member’s dependent, while the Service member is serving at an OCONUS PDS;

b. A parent, stepparent, or person in loco parentis, who traveled at Government expense to an OCONUS PDS incident to the Service member’s assignment there and ceases to be the Service member’s dependent while the Service member is serving at an OCONUS PDS;

See par. 050805;

11. For a dependency determination made on or after July 1, 1994, an unmarried person who:

a. Is placed in the Service member’s legal custody as a result of an order of a court of competent jurisdiction in a CONUS or a non-foreign OCONUS area for a period of at least 12 months; and

d. Is not a dependent of a Service member under any other paragraph.

B. Common Law Marriage. For the purpose of allowances authorized in these regulations, determination of a Service member’s spouse when a “common law marriage” is involved is addressed in several GSBCA and Comptroller General decisions. Some quotes from those decisions are as follows:

1. GSBCA quotes "Issues of marital status are determined by state law and the relationship of spouse exists if common law marriage is recognized by the law of the state in which the parties entered into such a marriage".

Some states recognize common law marriage -- "[a] marriage that takes legal effect, without license or ceremony, when a couple live together . . ., intend to be married, and hold themselves out to others as a married couple." Black's Law Dictionary 986 (7th ed. 1999).

3. As we recognized in James H. Perdue, the burden of proof is on the claimant to establish the common law marriage. See GSBCA 14122-RELO, March 16, 1998 and GSBCA 15207-RELO, May 19, 2000. State law determines issues of marital status, and the relationship of spouse exists if common law marriage is recognized under the law of the state in which the parties entered into such a marriage. The following Comptroller General decisions address specific circumstances:

B-260688, October 23, 1995; B-247541, June 19, 1992; B-212900, November 15, 1983; B-191316, September 27, 1978; B-191316, April 6, 1978; B-186179, June 30, 1976.

4. The validity of a common law marriage is determined by the law of the place in which it was contracted, and if valid there, it will be valid elsewhere, in the absence of contravention of positive law, or consideration of policy to the contrary. B-186179, June 30, 1976; B-191316, September 27, 1978.

C. Service Member Married to Service Member

1. A Service member’s spouse, who also is a Service member on active duty, is treated as a dependent for travel and transportation ONLY for:

   a. Purposes of travel between the port of overhaul, inactivation or construction, and the home port as authorized in par. 031102-A, or

   b. Transportation for survivors of a deceased Service member authorized in par. 032002-A.

2. A child a dependent of either the mother or the father who are Service members on active duty. Only 1 Service member may receive allowances on the child’s behalf.

3. A Service member may not be paid allowances on behalf of a dependent for any period during which that dependent is entitled to basic pay. See 37 USC §421 and 37 USC §204.

D. Dependency Determination PoCs. Service PoCs for dependency determination are in par. 10104-G3.

**DEPENDENT/IMMEDIATE FAMILY (Civilian employees only)**

A. General

1. Dependent and Immediate Family Member. The terms “dependent” and “immediate family” include the following named members of a Civilian employee's household at the time the Civilian employee reports for duty at a new PDS or performs authorized/approved OCONUS tour RAT or separation travel:

   a. Employee’s spouse. Any individual who is lawfully married (unless legally separated), including an individual married to a person of the same sex who was legally married in a state or other jurisdiction (including a foreign county), that recognizes such marriages, regardless of whether or not the individual’s state of residency recognizes such marriages. The term “spouse” does not include individuals in a formal relationship recognized by a State, which is other than lawful marriage. It also does not include individuals in a marriage in a jurisdiction outside the U.S. that is not recognized as a lawful marriage under U.S. law;

   b. Employee’s domestic partner;

   c. Children of the Civilian employee, of the Civilian employee’s spouse, or of the Civilian employee’s domestic partner who are unmarried and under age 21 years or who, regardless of age, are physically or
mentally incapable of self-support. See item A2 below.

d. Dependent parents (including step and legally adoptive parents) of the Civilian employee, of the Civilian employee's spouse, or of the Civilian employee's domestic partner. See Footnote 2 below.

e. Dependent brothers and sisters (including step and legally adoptive brothers and sisters) of the Civilian employee, of the Civilian employee's spouse, or of the Civilian employee's domestic partner who are unmarried and less than 21 years of age or who, regardless of age, are physically or mentally incapable of self-support. See Footnote 2 below.

2. **Children.** The term “children” includes:

   a. Natural offspring;
   
   b. Stepchildren;
   
   c. Adopted children;
   
   d. Grandchildren,
   
   e. Legal minor wards or other dependent children who are under legal guardianship of the Civilian employee/employee’s spouse.
   
   f. A child born and moved after the Civilian employee’s effective date of transfer because of advance stage of pregnancy, or other reasons acceptable to the DoD component concerned (e.g., awaiting school year completion by other children). See 50 Comp. Gen. 220 (1970) and 66 Comp. Gen. 497 (1987). See Footnote 1 below.

B. **Common Law Marriage.** For the purpose of allowances authorized in these regulations, determination of a Civilian employee’s spouse when a “common law marriage” is involved is addressed in several GSBCA and Comptroller General decisions. Some quotes from those decisions are as follows:

1. GSBCA quotes "Issues of marital status are determined by state law and the relationship of spouse exists if common law marriage is recognized by the law of the state in which the parties entered into such a marriage".

3. As we recognized in James H. Perdue, the burden of proof is on the claimant to establish the common law marriage. See GSBCA 14122-RELO, March 16, 1998 and GSBCA 15207-RELO, May 19, 2000. State law determines issues of marital status, and the relationship of spouse exists if common law marriage is recognized under the law of the state in which the parties entered into such a marriage. The following Comptroller General decisions address specific circumstances: B-260688, October 23, 1995; B-247541, June 19, 1992; B-212900, November 15, 1983; B-191316, September 27, 1978; B-191316, April 6, 1978; and B-186179, June 30, 1976.

4. The validity of a common law marriage is determined by the law of the place in which it was contracted, and if valid there, it will be valid elsewhere, in the absence of contravention of positive law, or consideration of policy to the contrary. B-186179, June 30, 1976 and B-191316, September 27, 1978.

5. Once the Civilian employee has submitted evidence in support of the common law marriage, it should be submitted to the appropriate Agency legal counsel for assistance in determining whether or not the putative spouse qualifies as a spouse under the specific state and/or Federal law. PDTATAc does not adjudicate these cases.
C. **Missing Persons Act.** A dependent, ICW the Missing Persons Act, is defined in par. 054808 for transportation eligibility.

D. **Emergency Leave Travel.** See par. 040201.

**Footnotes**

1. A Civilian employee and spouse at an OCONUS PDS assumed temporary custody of two grandchildren. The grandchildren's parent was a Service member on active duty with a DoD Service in Iraq. The Service member (the parent) executed a special military power of attorney granting guardianship of the children to the children's grandparent. GSBCA held that the power of attorney did not create a "legal guardianship" as that term is used to define dependent/immediate family members for the purpose of determining eligibility for relocation allowances. Since the term "legal guardianship" is not defined in the JTR, GSBCA turned to AZ state law (the state in which the power of attorney was executed and in which the Service member resided) for guidance. Under AZ law legal guardianship can be established only by judicial determination and the powers of attorney provided by the Service member were not sufficient to create guardianship. Since legal guardianship did not exist, the grandchildren could not be the Civilian employee’s immediate family members and the Civilian employee was not authorized travel and transportation costs and overseas allowances (TQSA) on their behalf. See GSBCA 16337-RELO, April 19, 2004.

2. Generally, individuals are the Civilian employee’s dependents if they receive at least 51% of their support from the Civilian employee/employee's spouse; however, this percentage of support criterion must not be the decisive factor in all cases. These individuals also may be dependents for the purpose of this definition if they are members of the Civilian employee's household and, in addition to their own income, receive support (less than 51%) from the Civilian employee/employee's spouse without which they would be unable to maintain a reasonable standard of living.

**DEPENDENT RESTRICTED TOUR (Service members only)**

1. A tour at any overseas PDS that does not permit command sponsored dependents.

2. Also referred to as an unaccompanied hardship overseas tour, or remote tour.

3. Also describes a tour at a PDS at which command sponsored dependents may be authorized, but at which the Service member is not eligible to serve the accompanied tour. See DoDI 1315.18, Glossary.

2. Within DoD, the terms Different Departments or Different Military Departments means the DoD components separately. This distinction is necessary with regard to funding for travel and transportation from one department to another.

**DISABILITY.**

1. A “disability” means:

   a. A physical/mental impairment that substantially limits one or more major life activities;

   b. A record of such an impairment; or

   c. Being regarded as having such an impairment, but the term must not be applied to transitory or minor impairments. A transitory impairment is impairment with an actual or expected duration of 6 or fewer months.

2. **Physical/Mental Impairment.** “Physical/mental impairment” means/includes:

   a. Any physiological disorder/condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems; neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, hemic and lymphatic, skin, and endocrine.
b. Any mental/psychological disorder, such as intellectual disability, organic brain syndrome, emotional/mental illness, and specific learning disabilities.

4. **Substantially Limits.** “Substantially limits” means that the traveler is:

   a. Unable to perform a major life activity that the average person can perform; or

   b. Significantly restricted as to the condition, manner, or duration under which the traveler can perform a particular major life activity as compared to the condition, manner, or duration under which the average person can perform that same major life activity.

5. **Has a Record of Such an Impairment.** “Has a record of such an impairment” means the traveler has a history of, or has been classified as having, a mental/physical impairment that substantially limits one or more major life activities.

6. **Is Regarded as Having Such an Impairment.** The traveler has:

   a. A physical/mental impairment that does not substantially limit major life activities, but the impairment is treated by the agency as constituting such a limitation;

   b. A physical/mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

   c. None of the impairments defined in this par., but is treated by the Service/Agency as having a substantially limiting impairment.

**DISCOUNT GOVERNMENT MEAL RATE (GMR).** The daily rate charged for meals in a Government Dining Facility minus the operating cost. See Government Meal Rate for current rates.

1. **Shortest.** Routes a driver takes to minimize total distance traveled while still following a truck-navigable route. Used in most cases to calculate HHG distances.

2. **Practical.** Routes a driver ordinarily would take to minimize time and cost. Practical routes model the trade-off between taking the most direct path versus staying on major, high-quality highways. Interstate highways are given a higher priority than secondary highways. Practical routes consider distance, road quality, terrain, urban/rural classifications, and designated principal and secondary through routes. Used to calculate travel distance.

**DOMESTIC PARTNER (Civilian employees only).** An adult in a domestic partnership with a Civilian employee of the same sex.

**DOMESTIC PARTNERSHIP (Civilian employees only).** A committed relationship between two adults of the same sex, in which they:

2. Maintain a common residence, and intend to continue to do so (or would maintain a common residence but for an assignment abroad or other employment-related, financial, or similar obstacle);

3. Are at least 18 years of age and mentally competent to consent to contract;

4. Share responsibility for a significant measure of each other’s financial obligations. This criterion requires only that there be financial interdependence between the partners and should not be interpreted to exclude partnerships in which one partner stays at home while the other is the primary breadwinner;

5. Are not married or joined in a civil union to anyone else;

6. Are not a domestic partner of anyone else;

7. Are not related in a way that, if they were of opposite sex, would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed;

8. Are willing to certify, if required by the Agency, that they understand that willful falsification of any documentation required to establish that an individual is in a domestic partnership may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, as well as constitute a criminal violation under 18 USC §1001, and that the method for securing such certification, if required, must be determined by the Agency;

9. Are willing promptly to disclose, if required by the Agency, any dissolution or material change in the status of the domestic partnership; and

10. Certify that they would marry but for the failure of their State or other jurisdiction (or foreign country) of residence to permit same-sex marriage.
